### **Chairman's Report**

I would like to thank everyone for their support over the last year and would like to thank the Parish Council for electing me as Chairman for a further year. Last year saw the opening of the new Community Centre, the introduction of the 7.5 tonne weight limit and the completion of the new road numbering. All of these have come to fruition with the help of the District and the County Council.

The Parish Council is responsible for the day to day running of the village including organising the cutting of all the public grassed areas and the verges. We also employ a handyman who does a first class job of keeping the village looking so tidy.

The Millennium Garden (where the village sign is situated) is maintained voluntarily by Residents of the village and the Parish Council and I would like to thank all who put in many hours of work in planting and keeping the area so tidy.

**This Year the Parish Council has entered the BEST KEPT VILLAGE COMPETITION Which we won our category in 2003 It would like to ask everyone to help and keep our village tidy for when the inspections are held in June/July**

After the recent Parish Council elections we are starting the year with two vacancies. Notices have been posted asking for candidates to fill these two positions.

**If you would like to become involved and contribute in the running of the village please write to the Clerk, Mrs Pam Hemphill, 2 Randall Close Newark NG24 2LF**

**Frank Elliott (Chairman, Coddington Parish Council)**

## **COMMUNITY POLICING**

This will be my final input for your village magazine as I will be retiring from the police force in July after nearly 30 years service. As your Community Beat Officer my experiences in Coddington have been varied and interesting, at times challenging. Together we have achieved positive results, not to the satisfaction of all I know, but you cannot please all of the people all of the time.

Since around September / October last year certain locations around the village had problems. They were tackled with the formation of the Safer Neighbourhood Team which included me, N&SDC Community Safety Partnership, Parish Councillors, Neighbourhood Watch and anyone else with an interest in your village. The initial meetings were lively with plenty to talk about, but at the last meeting there was nothing to discuss, hopefully, and perhaps naively, I take the view that things have improved.

My successor has not yet been selected but meanwhile I leave you in the very capable hands of your two Police Community Support Officers Mike Munro and Harriett Samson-Bailey. I encourage you to contact them at Newark Police Station if you feel the need, they do not bite and I know they will do their very best to assist in any way they can.

What we need now is a Special Constable for the village and surrounding area. Could it be you? Notts Police are always interested in people who are interested in becoming a 'Special'. If you are interested contact Newark Police Station reception, the receptionist will take your details and pass them on. Have an informal chat with PCSO Mike Munro who would perhaps be a better person to see as he was a 'Special' for many years, the latter being in the Sergeant rank, so he can give you his views and share his experiences. There is an information pack available so we could quite easily get one to you. Think about it.

Finally, it's goodbye from me, thanks to all that have helped me over the years and I send you all my very best wishes for the future.

## **OVER 55's LEISURE GROUP**

We have been going through a rather hectic time of late at the club over the last few months. Having received from "Awards for all" a very welcome grant of £4848 to replace our rather worn bowling equipment, this we have done mostly with just a couple of things left to buy. Our committee organised a launch date come open day to be held on May 4th. To open the event we invited Councillor Maureen Dobson to do the honours and she graciously accepted to launch us and our equipment into a new era. This she did with style. Thank you Mrs Dobson for giving up some of your precious time for us. You will always be welcomed here to join us in a "Roll-up"

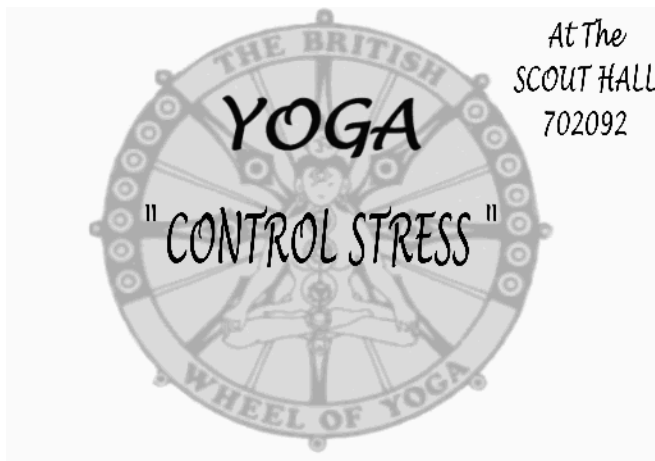

**James Bell (Secretary) Tel: 674574**

## **1st CODDINGTON BROWNIES**

Our 2 Young leaders Gemma Gill and Hannah Wainman have now turned 18 and are now leaders in our pack. We are visiting the Police Station as part of our Crime Prevention badge where Gemma will take her promise as a leader

Next term we will have 2 new young leaders Carol Gill and Carla Lambert. We have a full pack with a waiting list in operation so if your daughter would like to join Brownies then you need to get her on our list. For any information you can contact me on 706456 or Laura Bunkle (tawny) on 708572

## **Children's Workshop**

### **CODDINGTON FILM GROUP FILLS VILLAGE HALL**

If you missed our first two films there are two more to come in our current programme. Our film shows in March and April played to an almost capacity audience, and a great evening was enjoyed on both occasions.

In May, while this issue of CCN was being prepared, we showed **The History Boys**, the film of the acclaimed stage play by Alan Bennett.

On Thursday 28 June we'll be showing **Rocket Post** (12A classification). Set in the 1930s the film features a pair of German rocket scientists who are working on the Scottish Isle of Scarp as war looms on the horizon. The island folk watch with amusement as the Germans work to link their isle with the mainland via a rocket-based mail delivery service. As implausible as it seems, this film was based on an actual story. Tickets will be on sale at the door or you can guarantee a place by buying in advance - see local posters for details of who to phone. We'll be seeking views at this show on films to be included in our autumn/winter series.

The Coddington Film Group Spring series is very kindly sponsored by **Admire Construction Ltd.**

## CODDINGTON TENANTS AND RESIDENTS ASSOCIATION

'Our first open meeting was not very successful - only two people attended. The next one will be at 10a.m. on Tuesday, 12th June 2007 at Well Green Community Centre. This will be our Annual General Meeting when a new committee will be elected - we are particularly looking for a new Secretary. It is hoped we get more support at this meeting.. Please do join us for coffee and biscuits and a chat on this occasion. Although our meetings to date have been at Well Green Community Centre the Association is there for the benefit of all tenants and residents in the village and anyone is eligible to attend.

It's the time of year for sorting out the gardens and we are in the process of replanting the beds created at Well Green and are also trying to do something with the enclosed area at the Centre. If anyone could volunteer a few hours to help with weeding etc. this would be very much appreciated. Our thanks go to Muriel and Arthur Davies for all their work in the gardens to keep them looking good, also to their helpers Lionel, Eve and John. This is very much appreciated.'

## 1st CODDINGTON RAINBOWS

Rainbows as ever are having a busy time. We attended the special church service for Mothering Sunday, and recently made a window display for the village in colour flower festival, held in church, in April - how many of you spotted the caterpillars? You will be pleased to know the caterpillars were a craft activity made by the Rainbows and were not real, so they did not have free range to munch their way through all the other displays!!

We have a full programme of events planned. A fun night out which involves ten-pin bowling and a chip supper, is coming up soon, and plans are in progress for a day out later in the year.

We are a full unit with a huge waiting list. However, we have recently been able to move 6 girls up to Brownies, and taken in 6 new Rainbows. A big welcome to them.

**For more information about the village Rainbows, please contact Dawn or Sheila (01636 674741).**

In March Coddington History Group organised another School Reunion photo for former pupils of the National School on Main Street (now the Scout Hall). This Church of England School was built in 1846. It was originally a single room measuring 40 by 16ft built on land gifted by Rev. J.E. Hutchinson of East Stoke and until 1883 the teachers were John and Mary Roberts who lived next door in the Old Vicarage on Church (now Chapel) Lane. After the Roberts came Joseph Chantry Hunt.

Another small classroom was added at the rear around 1890 to give more space for the 51 children then attending. It was later extended to its current size and various improvements made over the years including the fitting of new stoves in 1915. In 1987 local historian Rolf Vernon wrote an account of the school up to 1900 using the school logbook which he borrowed from its custodian Rev. Peter Wright. In November 1922 it recorded that there were 137 pupils. Unfortunately the whereabouts of the logbook is not now known and the book is out of print but available at Newark library.

With the building of the RAF houses on Harvey Avenue in the 1950's the school was too small and the current school on Brownlow's Hill was built, the children gradually moving down there from 1956. Now the building is very well used by the Scouts who own it and also let it out to outside groups.

A well established regional organic vegetable box scheme, River Nene Organics has been delighted with the response since it started delivering in Newark and surrounding villages last November. Allan McKie and Annette Baulcombe first set up a home delivery vegetable box scheme in the West Bridgford area of Nottingham as part of Peterborough-based River Nene Organic Vegetables in 2005. However, the scheme has proved so popular that the couple expanded the service they offer to Newark. Seventy five per cent of the River Nene box scheme's produce comes from its own organic farm, which has been managed organically since 2000, and from Nene Organic Grower Group farms that are all within a 50-mile radius of the farm. The group grows an amazing 85 different varieties of vegetables, all seasonal of course. Allan said "the scheme is aimed at shoppers looking for an alternative to supermarket organic fruit and vegetables which are often sourced from much further afield and are often much less fresh than we are able to deliver. We are also very competitively priced compared to supermarket organics and you also do not have the hassle of carrying it home as we deliver free to your door." He said: "You can order online or by phone or e mail. If you need any help or advise we are here to help.

## **CODDINGTON W.I.**

At our March Meeting we celebrated the 73rd birthday of Coddington W.I. Guests from nearby W.Is joined us for a meal prepared by members of the Committee and it was a most enjoyable evening.

The walk in March was along the Chesterfield Canal at Retford culminating in the usual pub lunch. (Some say that the lunch is becoming the main attraction of these outings) Some members also attended the Annual Council Meeting in Nottingham when the guest speaker was Ann Widdcombe who, as would be expected, gave a very amusing and well-informed address. Also in March, Coddington Community Centre organized an Easter Extravaganza. This was a great success and brought together most of the groups and organizations within the village, including the W.I. It was a real community event and the W.I enjoyed participating with a cake stall and a tombola. These raised £186 from which a donation was made to the Community Centre..

Mr Andrew Parsons, who farms at Sutton - on - Trent, gave a talk to the W.I in April. His subject was ' Farming with Wildlife' and it was good to learn that it is possible to farm whilst encouraging birds, butterflies and other creatures and flowers to flourish. His talk was illustrated with his own, superb photographs because as well as being a farmer, Mr Parsons is also a professional photographer.

During April members enjoyed a visit to Percy Thrower's Garden at Shrewsbury (remember him) and the monthly walk was around Harlaxton and Denton Reservoir, followed by, guess what, a pub lunch. On April 14th, 15th and 16th, the W.I was pleased to participate with a display in the flower festival at Coddington Church, another event which brought together all the village. The weather was wonderful and the Church looked really beautiful..

May is another busy month. At our May meeting, Mrs Sandra Thornley, a W.I Advisor, introduced the resolution for the W.I .Annual Conference in London. This Resolution urges Her Majesty's Government to stop the closure of Community Hospitals which provide essential services to local people. A lively debate led to the resolution receiving majority support. The future venue for W.I. Meetings was also discussed. Following a trial Meeting at the new Community Centre in April, the majority view was that the meeting room at the Centre was too small and that the acoustics and ambience of the large hall made it unsuitable for W.I Meetings. It was therefore decided by a show of hands that the W.I would continue to meet in the Village Hall.

Four members of the W.I will be helping in the W.I marquee at the Newark Agricultural Show and we have entered an exhibit in the annual competition. The subject is 'Celebrations' and the exhibit has been made by Sandra Carter, Jane Hedge, Marilyn Membery, Jill Parker, Wendy Parrett and Gill Southgate and we hope to be celebrating a win after all their hard work. On 14th May Coddington W.I will be hosting the Fleet Group Meeting at Winthorpe and on 16th May, 27 members will be off on a two day walking break around Pickering organised by Nora and Fred Reed. Visits are also being planned to the Tolthorpe Open Air Theatre and to Sheringham and Holt. So a lot to look forward to.

### **HELP NEEDED!!**

If you would like to help with the running of this superb local facility we have a number of opportunities available.

- **Booking Secretary.**

The current Bookings Secretary needs help! The role involves taking new bookings and liaising with regular users. She also ensures that keyholders know when they need to open up the hall. This role may suit someone with time spare during the day or in the evenings. At present much of the work is done on a PC but this could be done by hand if preferred. It is a very interesting and important role. Please call me on the Booking Line if you may be interested.

- **Caretaker.**

We are starting to consider the appointment of a Caretaker/ cleaner. We do not yet have an indication of hours/ salary etc but if this may interest you or you would like more information please let us know.

- **Just want to know more?**

We will be holding our AGM in September and will be looking for new members. This will be publicised when a date has been chosen, but please contact us if you may be interested in becoming involved. It really is very worthwhile.

### **1<sup>st</sup> Coddington Scout Group**

Your local Scout Group is thriving and all sections are busy with activities. For us to keep this going, we need to have more adult leaders, and would appreciate any volunteers even on an ad hoc basis. We now have 4 groups – Beavers (6 – 8 years), Cubs (8 – 10 ½ years), Scouts (10 ½ - 14 years) and Explorers (14 +). The Explorer section has just started, and we are extremely proud of the young people we have in this group, along with all the other sections. We are one of the most successful Scout Groups in the county, and we want this to continue. If you are interested and would like to find out how you can help your local Scout Group, or if you have a child interested in joining please contact me on the following:

## **CODDINGTON HISTORY GROUP.**

This has been a busy time of year for the History Group with the displays for our exhibition on March as well as the usual meetings.

In March we held our exhibition/open day, welcoming friends old and new. We have regulars coming to see what relatives and friends they can find - it's great to see that our exhibition acts as a meeting place for family historians. We again took a "school reunion" photo (see elsewhere in this issue) and it was nice to have a few new faces but we didn't break the record for the size of the class! Our new displays, which were much admired, included a very colourful one based on the William Morris/Burne Jones stained glass windows in our church; Coddington Football Club - which was then pictured in the Advertiser; the Walster family, the Daybell family, the WI and Mother's Union, Brownlow's House and the Brownlow family and the 1918 Coddington Estate sale.

Our open meetings have been well attended and enjoyed by all. Margaret Harrison's reputation for amusing and informative talks ensured that there was a very good turnout for the February meeting entitled Halls and Abbeys owned by Nottingham City - not at all a dry topic with Margaret in charge! Those that came know that she has her own unique style which was well received as usual, the facts were mixed liberally with humour! In March, despite problems with family health and well-being, Jackie Fisher came to tell us about framework knitting. My mother's ancestor's had their occupation as "FWK" in the census so I was looking forward to learning about their work. It seems that it was skilful but very hard work and not well paid, so people had to work long hours. Jackie's fee was donated to Ruddington Framework Knitting Museum, we hope to organise a trip there. She brought various tools, samples etc with her - we enjoyed having a go with the circular stocking knitting machine! Lastly our April speaker was Peter Hammond who brought boxes full of "props" to illustrate his humorous talk about Middens and Muck - we are now all much wiser as to what the "ten o'clock horsemen" used to take away - and where it all ended up....

Our Autumn/Winter programme is listed elsewhere - make a note of the dates, we will be pleased to see you.

## **QUIZ & PUDDING TASTING!!**

**Saturday 8th Sept, 7:30pm**

Have your evening meal then stroll along to the village hall for a bit of light exercise for the brain cells and the taste buds!

All proceeds will go to village hall funds. Look out for more details nearer the time on all the village notice boards.

## The Village Sign and Time Capsule

The story of the village sign begins with Barry King of Main Street who worked as a member of the Architectural staff of the Midlands Division of Scottish & Newcastle Breweries Nottingham and had been asked to redesign the corporate signage for the then takeover of the Home Brewery, Nottingham.

Barry felt that if Coddington had a village sign, it would give it greater identity. He first raised the idea with the Parish council and his design was published in the autumn 1993 edition of CCN. The Parish Council was impressed with the design and Barry was put in charge of the project. One of his most time consuming jobs was applying for, and getting, planning permission. Newark & Sherwood planning office said it was out of their remit and he had to apply to the Ministry of Transport in London. It gave verbal planning permission reasonably quickly, but took a long time to confirm it in writing.

**The Parish council involved the local school children in a competition to come up with suggestions for the sign, about 30 children designed posters and 10-year-old Nicholas Greenfield won the competition and was awarded a gift voucher.**

Nicholas was a member of the 1<sup>st</sup> Coddington cub pack at the time having started as a Beaver and progressed through to his Duke of Edinburgh awards. He went on to attend the Magdalene and later the Magnus schools.

After A levels, he joined the Royal Air Force at the age of 19. He trained as a Propulsion Technician and is currently working on Merlin helicopters at 28 Squadron R.A.F. Benson, Oxford. At the end of the year, he will be serving his 3<sup>rd</sup> tour in Iraq.

The sign was made and painted by Barry King, which took him over 50 hours.

The unveiling ceremony was in December 1994 by the Reverend Peter Wright, Paul Dorling (Headmaster), Bernard Allen (Chairman of the Parish Council) and Barry King. However, as planning permission had not been received in writing, the sign was immediately removed.

**About a fortnight later, when planning permission came through, a team which included Bernard Allen, John Smallwood, John Bartley, Barry King and Hugh Daybell dug the hole to bury the "Time Capsule" in a square metre of concrete and the sign was erected above it.**

To show their appreciation of Barry King's hard work he was presented with a cut glass crystal tankard, which has the following inscription, "Presented to Barry King for all your hard work on the village sign from Coddington Parish Council with many thanks April 1995".

Unfortunately, on the night of 31<sup>st</sup> January 1999 some hooligans tied a rope to the top of the sign and pulled it down (with a car). The sign was then carried and dumped in the garden of Pat & John Bartley.

After this the sign was fitted with metal legs, repainted by Barry King and re-erected in time for the millennium.

**The painting on the sign depicts Constance Penswick-Smith receiving a Mothering Sunday card from a young girl and a bunch of flowers from a young boy, All Saints Church, the Windmill, a Lancaster bomber, the Rookery, a farm tractor, a fox and a badger.**

#### **CONSTANCE PENSWICK SMITH - (1878-1938)**

Constance Penswick Smith came to Coddington at the age of 12, when her father the Reverend Charles Penswick Smith was appointed Vicar of All Saints' Church Coddington.

In 1913 she began to devote her life to re-establishing the true Christian celebration of Mothering Sunday in a campaign, which was to last for 25 years.

Constance Penswick Smith died in 1938, at the age of 60 and was buried at Coddington next to her father.

More information can be found in

CCN March 2007 edition.

#### **CODDINGTON WINDMILL**

The windmill, now a private house, without cap or sails, has a tarred brick tower and is about 5 minutes walk beyond the Moat on Balderton Lane.

There have been earlier windmills in the Coddington area, including a timber windmill, which was insured in 1789 by Valentine Farmorice. In 1818, John Else owned a newly built Smock Mill with brick base. William Else owned a post mill on a separate site. A number of millers came and went until 1831, when William Lee is recorded as the first of a Coddington milling dynasty.

**The Lee family worked/owned the mill for the remainder of its life. In 1859, a Tower Mill replaced the mill. They installed a 10 horsepower steam engine in 1862, and an oil-engine between 1932 and 1936. The mill was used until 1944 but was damaged in WWII. The property was sold in 1947 and was listed in 1969. Described as derelict in 1974, the tower has been restored since 1984 and converted into a private house.**

One may ask the question today why this country wants to build windmills to produce electricity when in 1862; 145 years ago "Wind" was replaced by steam power due to its unreliability.

#### **The Lancaster Bomber**

Winthorpe aerodrome was situated between the villages of Winthorpe and Coddington. It was built in the late 30's as a satellite station for Swinderby and opened officially in September 1940.

Polish bomber squadrons initially used the aerodrome for training. On the 18<sup>th</sup> July 1941 the Polish squadrons moved to Hemswell, and eventually No 455 Squadron of Coastal Command arrived with Handley Page Hampden (twin engined) bombers.

In 1942 an intense building programme took place including the construction of hard runways designed to accommodate heavy bombers. On the 1<sup>st</sup> of January 1943 No 1661 H.C.U. (Heavy Conversion Unit) used the airfield for training and 10 Lancaster Bombers were used. On the 16<sup>th</sup> January 1943, Lancaster bombers from Winthorpe took part in "Operation Target Berlin".

### **Farming**

Farming is one of the few industries left in the village. The number of farms has declined from approximately 17 in 1950 and now only 4 families remain, the Allens, Hutchinsons, Whites and Handburys farming over 95% of the land. Interestingly we have an equestrian centre in the village.

### **THE ROOKERY**

This is at "The Old Parsonage" Newark Road.

### **WILD LIFE**

Represented by a fox and a badger; the village has numerous foxes and a badger sett. Did the fox represent fox hunting?

Both the Parish Council and the History group use the sign as their emblem.

### **THE TIME CAPSULE**

It was also decided to bury a "Time Capsule" underneath the village sign. The capsule was a green plastic cylinder, provided by John Collier, who had been a Scout Leader.

**CODDINGTON UNITED CHARITY**

Money and land has been left in the past to be used for the benefit of Coddington residents in need. Local trustees administer this charity, and are always pleased to consider requests, in strictest confidence, for financial help from Coddington residents of any age group.

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements. Parents can apply for help with the cost of school uniforms or outings. Students can apply for a grant towards the cost of textbooks and/or field trips.

Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, or any Trustee.

## WELLGREEN COMMUNITY CENTRE.

Senior citizens of Coddington why not join us at Wellgreen Community Centre .Monday mornings at 10am coffee and biscuits only 30p Tuesday 7pm bingo Wednesday 2pm- 4pm games (triominos) Thursday 2pm-4pm craft more members welcome. We have trips out for lunch about every six weeks our 1<sup>st</sup> trip this year was to the Plough at Caunton where we enjoyed fish and chips . April 30<sup>th</sup> we went to the Snooty Fox at Ollerton for a Carvery lunch .more outings are arranged for the next months. Sadly in February we lost our chairman Mr V Gray who is greatly missed. Our display of flowers for the festival in church seemed to look attractive, we thought the church members made a great effort which we hope proved worthwhile. The first Monday of the month we have a half hour service when Mike Bache and Sheila come to Wellgreen anyone is welcome it's a time to chat and of course have a coffee or tea.
