The first Parish Council meeting since the elections was held on Thursday the 12 May

At this meeting I was elected as Chairman for the coming year and and Councillor Robert O'Donnell was elected as the new Vice Chairman

I would also like to thank the retiring members of the Parish Council who served the community over many years

You will have noticed on page 2 of this newsletter that we have four new Parish Councillors namely Councillors David Armstrong, David Bell, Linda Cox and Barry King

I would like to welcome them onto the Council and thank them for their valued contribution at their first meeting

Due to an anomaly there is still a vacancy to be filled for the Coddington West seat and I hope this can be filled very soon

I would also like to confirm that members of the public are welcome at all Parish Council meetings and are given the opportunity to express their views at the start of the meeting

I would also like to thank the members of the Coddington W.I and all who helped organise the Royal Wedding celebrations (see separate report in this issue)

RETIRING CHAIRMAN'S REPORT

For the very last time, I am giving a report to the Village as I have served my time as Chairman.

The village has continued to be a pleasant place to live and is as active as it ever was. The main addition that has been made is the construction of a climbing stones arrangement that was requested by the teenagers since they had nothing to do. Jane Hedge and Wendy Parratt headed up the necessary arrangements between the village and the local council and our thanks must go to them for what has turned out to be a successful addition to our facilities.

Last Christmas was somewhat spoiled by the foul weather which prevented the erection of the tree at the Community centre and, therefore, the carols round the tree was a write off.

The result of the bad weather was that the PC decided to purchase 3 hand pushed grit spreaders for the village along with a supply of grit. These are situated in the three main areas of the village.

More mundane matters include our attempts to influence the Core Strategy put forward by the NSDC. Efforts were put by Mary Molloson and myself at the meetings in Kelham Hall and we await any results but we don't hold our breath.

Finally, Jane Hedge was re-diagnosed with her cancer and started treatment on Christmas Eve and is doing well all things considered. I went to the doctors as I had a bit of cold and, after X-ray, was told I have Lung Cancer. We have resigned from the Parish Council immediately to take our level of stress down and so that we can concentrate on our treatment.

We both thank the PC for the opportunity to be part of the village decisions and wish you all the best for the future.

D C Hedge

A WELL DESERVED THANK YOU

I would like to take this opportunity on behalf of the village to thank David and Jane Hedge for their contribution to the running of Coddington over the last few years

David has held the office of Chairman of the Parish Council over 2 Three year periods and Jane has worked hard for the young people of the village

Thank you David and Jane

ON THE BEAT WITH PCSO 8128 MIKE MUNRO

Thefts from garden sheds have shown a recent upturn as avid gardeners are using their sheds to store more and more tools and equipment such as lawnmowers, power tools along with their garden furniture.

Shed security is just as important as securing your home. Thieves consider sheds as soft targets, as these are often flimsy timber buildings out of sight at the bottom of the garden, which can hold many hundreds of pounds worth of goods. **Sheds are not the best places to store valuables.**

As sheds and garden items are often left insecure many insurance companies are refusing to pay out when care has not been taken to make these items safe. Many insurance policies also do not cover items left outside the house.

Often the items stolen are virtually untraceable once sold on at car boot sales, other cash-in-hand venues or through Internet auction sites.

Garden and Shed Security Advice

With the lighter nights, now is the time to make sure that your garden along with your shed is secure. Here are a few tips that you may have over looked:

- v Are your fences and gates in good state of repair?
- v Do your gates have a good quality lock on them?
- v Do you have security lighting? If you do, is it aimed at the house? Do not just light up the garden; make sure you are illuminating the areas where a criminal may gain access to your property. Thieves do not like to be illuminated.
- v Secure those cherished garden ornaments and furniture. Also secure your wheelie bin; burglars have been known to move bins to stand on to gain access to first floor windows. They have also used bins to take away your property.
- v Are there any overgrown areas where someone could hide? Cut it back so that you can see what is going on.
- v Has the shed survived the Winter/Spring without damage, which could help a thief gain access? If not, don't delay – fix it now.
- v Are the shed doors secured? Shed doors are notoriously easy to get into so strengthen the door and frame if you can. Fit an additional padlock using a good quality hasp and staple and even think about replacing the hinge screws with coach-bolts. Thieves will take the time to unscrew the door hinges in order to gain access.

- ❖ Are the windows secured? Use a window lock on opening windows. Fit a strong grille or heavy wire mesh.
- ❖ Use an alarm.
- ❖ Does your insurance cover the shed and all the equipment you store in there?

Remember BE SAFE, BE SECURE.

* Local observers note details of vehicles that may be misusing the route
* Details are then handed to the parish co-ordinator for administration or sent through to Trading Standards online using Nottinghamshire County Council website which has a dedicated Lorry Watch section.

* Vehicles loading or unloading within the restricted area

* Emergency vehicles

* Vehicles in the service of the local authority in pursuance of its statutory powers or duties in connection with premises along the restricted route

ALL SAINTS' CHURCH CODDINGTON

Revd David Anderton, the Team Vicar writes...

To describe someone as evil seems commonplace in our modern media. Tabloid headlines often call murderers and paedophiles "pure evil", a strange combination of words when you stop to think about it. Many of the news reports following the death of Osama bin Laden described him as the 'personification of evil'. Is it true that a human being can be nothing but evil? Slice them any which way you like and to the core all you find is evil?

This is to say more than someone is very wicked. It is to say that they so embody evil they are unable to take moral responsibility for their actions. In fact perhaps we are trying to say that they are not a human being at all. That allows us to separate us from them, to say that they are in some way fundamentally different. And perhaps it also allows us to treat them in a way that we would never consider treating someone like us.

Alexander Solzhenitsyn, the great Russian novelist and Soviet dissident who suffered years of imprisonment under harsh conditions once wrote: "If only there were evil people somewhere insidiously committing evil deeds and it were necessary only to separate them from the rest of us and destroy them. But the line dividing good and evil cuts through the heart of every human being. And who is willing to destroy a piece of his own heart?" Despite suffering dreadful evil at the hands of his captors, Solzhenitsyn could still see the good in their hearts and the evil in his own, and know that both he and they were human.

Thanks to all who have supported the church at recent events. If you haven't yet had a chance to come and see the see the new facilities inside the Church, the toilet and refreshment bar, then please keep your eyes open as we will be holding a thanksgiving event in the near future.

So far in 2011; £567 has been raised from personal collecting boxes and £174 from doorstep collections.

Mothering Sunday

At All Saints' church, a special Mothering Sunday service was held on 3rd April. This service gave thanks and praise to God remembering the Mother Church as well as our own mums. A primula plant was given by the children to their mums and it was a happy family service for everyone. We were delighted once again, to welcome the Coddington School Choir and also the Uniform groups for their participation. After the service, a piece of simnel cake was given to the mum's & dad's while children enjoyed the sweets!

Remembrance & Thanksgiving

A Remembrance and Thanksgiving service was held on Sunday 8th May. This provided a much needed service of hope to families.

Annual General Meeting

The church AGM was held in church on Wednesday 5th April. Firstly, Revd David Anderton, the Churchwarden and the Coddington District Church Council (DCC) would like to thank everyone who has helped All Saints' during the past year; with churchyard maintenance, cleaning the church and it's maintenance; the Altar Guild & flowers, fund raising, refreshments, special services and much, much more. We would not manage without all the support & help of so many friends of All Saints'. The time & effort everyone has given is so very much appreciated.

We are happy that Sheila Bache will continue as Warden & that she was duly re-elected. We are pleased to welcome Sue Lovell as a new DCC member and welcome Hugh Daybell's return to the DCC.

All Saints has organised a Grand Prize Draw, which will be drawn in December. Tickets are available from now until December at £1 each. Money from the sale of the tickets is to go to the maintenance of the church roof. We have a wonderful array of prizes donated by companies local and national. To name but a few – a family day pass to Sherwood Forest Centre Parcs for 6 people; Cash prizes of £100 and £50; meals for two at Feeling Peckish in Newark and the Plough Coddington; £50 voucher from Masdings; hairdressing voucher from Hair Raizin and other prizes from Boots, Morrisons, Wilkinsons etc (we could go on). Summer Fair 9th July

Our annual Summer Fair will be held on 9th July from 2.00pm to 4.00pm. Last year's fair was a huge success, everyone enjoying themselves (and the sunshine!) so we hope we can achieve the same atmosphere again this year.

This year we hope to have Balderton Scout & Guide Band, who will be marching at the start to the fair (so get there early) and will also be playing for us during part of the afternoon. There will be lots of games and stalls, see the separate advert in this copy of the Village News and there will be lots of posters around the village nearer to July.

If you would like to be involved in helping in any way, we would love to welcome you to a meeting to arrange the fair. This will be on 15th June in church at 7.30pm. If you cannot make the meeting but would still like to help, please contact Barbara Horton (678788) or Sheila Bache (674741). Whether you can help on the day of the fair or not, we would be very grateful for donations of prizes for raffles, competitions and tombola etc,(again contact Sheila or Barbara) and if anyone could "bake a cake" and bring it to church on the day of the fair, that would be wonderful!

It's a family afternoon full of fun so why not come & join us?

OVER 55S CLUB

Now that the summer is here, the Friday evening and Monday afternoon bowls sessions have stopped but will start again in the Autumn

The Friday afternoon sessions from 2 -4 in the Community Centre are still going strong and we are always hoping to give a big welcome to new members

The first day is always free, after that the weekly cost is £1.50 with a cup of tea and biscuits thrown in - and the annual membership fee is £5

On Friday afternoons almost always consist of short mat bowl. It's easy to pick up, lots of help and advice given, and we don't take ourselves too seriously; we just want to have a good laugh and a little exercise

In the past we have had regular afternoons for other things like skittles, darts, a quiz, but members voted just to concentrate on Bowls. However an occasional "fun day" in the future has not been ruled out. I hope you will be tempted to come and join us and have a go

CODDINGTON FILM GROUP

The big news from the film group this time is – **we have a new, permanent drop-down screen in the village hall!** Our grateful thanks go to Lincolnshire Co-op, Newark Area Art and Leisure Foundation and our Parish Council for kindly giving us grants. This will make an enormous difference to our set-up and take-down time and save us fetching so much equipment. We hope to add sound equipment in due course with a view to being self-sufficient in the future.

We would love just a few more regular viewers – sometimes we make a small loss – do come along (with friends or on your own, we are a friendly lot) – cushions provided!

We have been offered “**The King’s Speech**” but at greater cost than usual so we would need at least 40 people in order to break even. Please let us know if you would like to come along.

We have a meeting on 8th August at 7pm in the village hall to decide on films for the Autumn season – do come along with your ideas or pass them to one of the members.

Thursday 23rd June 7:30pm in the Village Hall

DOG FOULING

While walking around the village, it is noticeable that there are still some irresponsible dog walkers who do not clean up after their dogs have fouled the pavements or grass verges

If caught this can lead to a hefty fine(Up to £1000 if taken to court or a £50 on the spot ticket) More dog owners are now letting their dogs loose on the green at Thorpe Oaks, **If your dog fouls the ground whilst off the lead it is your responsibility to clear it up. Not seeing your dog fouling is not an excuse I have been informed that there have been instances of dog fouling in the Church Yard and around Well Green** .The Parish Council would like to make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the Police. Dog mess if bagged can be put into the litter bins as well as the red dog waste bins

**PLEASE ENSURE THAT WE KEEP CODDINGTON ROADS

1ST CODDINGTON SCOUT GROUP

Our Beaver Colony now has a new leader. Our thanks to Sally and Simon Lambert for their leadership over the last year. We welcome Alan Gosling to the leadership team. Alan has been helping with the Scout Troop for the last year and agreed to take over Beavers when Sally and Simon indicated they would like to step down.

During the last weekend of April the Cubs and Scouts took part in the Walesby challenge. A weekend of activities designed to challenge young peoples abilities. These abilities ranged from Archery, Climbing, Quad Bikes and Water Sports with many more. In the event there were 23 teams of Cubs, Scouts, Explorers, Guides and Ranger Guides.

Overall the Scouts came in 6th, in their section they were 4th which is great considering they were one of the youngest overall Scout teams.

The Cubs had 2 teams and came in 10th and 12th overall. In their section they came 1st and 2nd which is a brilliant result.

The Beavers came to Walesby on the Saturday and stayed overnight. They took part in some of the activities and also had a really good time.

Our fund raising efforts are doing well, we have joined Rag-Bag and are collecting textiles which get recycled both home and abroad.

We are also collecting printer cartridges, both inkjet and laser.

If you have either textiles or printer cartridges we can have please get in touch for more information.

Both our Cubs and Scouts are planning camps and weekend activities for later in the year. The Scouts are planning to go back to the Peak Gateway while the Cubs are planning to go back to PGL.

If you have any questions or would like some more information, please get in touch.

CODDINGTON COMMUNITY CENTER

Chairmans report,

I am pleased to welcome Ann Powell, who has been appointed to the position of Clerk to the Charity. My thanks go to our previous clerk, Susan Robinson Marsh for all her hardwork, following which she has now agreed to become one of our trustee of the charity.

I will be saddened to lose our Kick Boxers, who have been with us since our inception, however, this has released a slot which we hope to fill with a badminton club in September. Please let me know if you are interested.

The Bass Duck has now organised four evenings of music and entertainment for teenagers. These have been a great success and a credit to their organisational skills.

For more information check their website and facebook.

Mothers and Toddlers are planning coffee mornings for mothers to start in September.

Parts of the hall will be unavailable at half term as routine servicing of the building is taking place.

We could do with some help gardening, so give me a call if you are an expert at weeding!

VILLAGE PICNIC TO CELEBRATE THE ROYAL WEDDING

How lucky we were with the weather for our Royal Picnic on the 30th April.

It was attended by good number of families. The school had given us permission to use the playing field and we could put the bowling, supervised by Bernard Allen, along with the bean bag bagatelle on the grass.

The children's races were run midway through the afternoon, several heats were needed for each sport. Dads and sons played football.

The winners were Skipping - Charlie, Egg and Spoon - Grace, Running - Freya 3 Legged - Gracie and Grace, Sack - Ashley, Balloon - Max and Jacob,

Bagatelle - James. The Fancy Dress was judged by Lesley Walker, President of the WI and won by Thea. Thank you to Wendy Parrett, Heather Chamberlain, Jane Hedge and Margaret Russell for the slick organisation of the children's sports.

Hot and Cold drinks were served in the Community Centre, by ladies from the WI along with some fantastic cup cakes provided by the WI ladies.

The Picnic was sponsored by the Parish Council and organised by Bernard and Joyce Allen, Wendy Parrett and Lesley Walker

1ST CODDINGTON RAINBOWS 1ST CODDINGTON BROWNIES.

The Rainbow and Brownie waiting lists are at maximum capacity. Coddington really needs more female volunteers to take on the rewarding role of leading Rainbows and Brownies. If you would like to become a leader or you would be interested in setting up a second Rainbow or Brownie pack please contact: Nicola Rossin (Rainbows age 5-7) rossin_83@hotmail.com or Laura Bunkle (Brownies age 7-10) lbunkle@yahoo.co.uk . We would urge parents to respect those who do volunteer, especially at a time when the loss of any leaders could mean the reduction of pack size or possible closure.

The leaders of both 1st Coddington Rainbows and 1st Coddington Brownies would like to thank all the girls and parents who attended the Newark St George's day parade. All of the Rainbows and Brownies looked smart and marched proudly to Barnby Gate Methodist church and the market place.

During the Easter break the Brownies enjoyed a three day pack holiday in the countryside. The theme of the holiday was children's stories and highlights included our own fairytale wedding, a Mad Hatter's tea party, a children's story art workshop and Famous Five treasure hunt and nature trail. During the pack holiday the Brownies earned their Pack Holiday or Pack Holiday Advance badges, a new regional sleepover badge and either their Cook's or Cook's advance badges. Many thanks to all who support us,

**Rainbow leaders : Erica Beedham erica.beedham@hotmail.co.uk;
(Robin), Nicola Rossin (Fox) and Rhona Harris(Mouse)**

**Brownie leaders: Laura Bunkle (Kingfisher), Karen Gill (Swan),

CODDINGTON HISTORY GROUP

Thanks to all of you who came to our exhibition in May – ‘though why the first rain for months had to come on that day I don’t know! However, there was not much and it did not spoil the day. In addition to people from London, Surrey, Norwich and Yorkshire we set a new record for the furthest travelled as someone came from New Zealand! In addition to Fred Reed’s magnificent “village timeline” which went all the way around the scout Hall we had displays about the village in 1885 and the 1940s, village weddings, the church, the Enclosure map, photos of the village events for Charles & Di’s wedding in 1981 and for William & Kate’s recent wedding, and many more.

We had been very lucky to be contacted by a descendant of the Young family who had given us a transcript of a diary kept by Edward Young when he travelled to Australia to take part in the Gold Rush and we put this on display along with his letters to and from Coddington at this time. I was very pleased when the lady who contacted us actually came along bringing the originals for us to see along with a painting by Olive Lee nee Young – we have already got copies of some of her work. She also brought an *original* deed dated 1764 which conveyed a cottage in Coddington from the late Benjamin Bowman to William and Sarah Woollas – Sarah being his daughter. I hastily scanned it for our collection.

We also had a new feature on “Art in Coddington” and were most pleased with the number and quality of the items loaned which looked great displayed on the choir stalls in the church.

Hopefully some of you saw our display of our Sunnyside Farm survey in Newark library which ran for a month.

In June members are invited to join us on a Farm Walk with Bernard Allen.

Our monthly talks on the third Thursday of the month, 7:30pm in the Village Hall will recommence in September:

Thursday 15th September 2011 - Rodney Cousins – ‘Open-Air museums here and abroad’.

This scheme enables information about any crime in the village to be passed around using the email system

**DO YOU HAVE AN EMAIL ADDRESS
DO YOU WANT TO KNOW ABOUT CRIMES IN AND
AROUND CODDINGTON**

**IF THE ANSWER IS YES. EMAIL TO FRANK ELLIOTT
(frankelliott1@hotmail.com) AND ASK TO BE PUT ON
THE EVER INCREASING CIRCULATION LIST**

Any messages received from NHW or our PCSO Mike Munro will automatically forwarded to you

You do not have to take any further action unless you want to tell your neighbours that cannot receive this information
If you decide to become a Coordinator then contact Wendy Parrett on 672687 all we ask is that you pass on information to 10 neighbours (5 either side)

**PLEASE DON'T FORGET TO OBSERVE AND TAKE A
NOTE OF ANYTHING SUSPICIOUS,Car No.s etc and
report to any coordinator. It may be a small piece in a
very large jigsaw that is vital to solving a crime**
