

MINERAL EXTRACTION

There will be a public meeting at 7.30p.m. on Tuesday 16th February to discuss plans by ARC Ltd. to extract aggregate from agricultural land situated between Drove Lane and Stapleford Land with access to Drove Land adjacent to the line of the A17 Relief Road.

The proposal is to develop a "Borrow Pit" to supply aggregates for use in the construction of the Newark Relief Road followed by restoration to a landscaped water area.

In a similar case at Fotheringhay, Northamptonshire, an Amey Roadstone Corporation spokesman has said that the "overwhelming need for aggregates overrides grounds for refusal of permission" for their application.

Fotheringhay, mentioned in the Domesday Book was where Richard III was born and Mary Queen of Scots was beheaded.

WELLGREEN/MORGANS CLOSE

The County Council are considering a trial mini bus service on one or two days per week from the Wellgreen/Morgans Close area of the village to Newark.

CIVIL PROTECTION

The County Council Civil Protection Officer will be holding an illustrated meeting with the Parish Council and villagers at 7p.m. on Tuesday 19th April. This will form part of the Annual Parish Meeting to be held on the same day.

TREE PRESERVATION

Concern has been expressed by the Parish Council at a Proposal of the owners of a property in the village to have a tree preservation order rescinded and a number of trees felled.

The proposal is to cut down six of thirteen preserved oak trees which front onto Brownlows Hill and which it is alleged might affect the structure of the house.

In addition it is their intention to remove 2 apple trees, 1 pine tree, 1 silver birch tree a number of cypress trees and a preserved mature willow from the front garden.

The Council have objected to the removal of the six preserved oak and other trees which they consider makes a significant visual amenity to this part of the village, whilst noting that the same consulting engineer had given conflicting information regarding the strengthening of the house foundations in 1977 and last year.

The District Council consider that the onus is on the Parish Council to produce evidence of the conditions referred to in 1976/77 whilst the Parish Council felt that the onus lay with the Planning Department.

It was considered that the trees should not be removed until there was firm evidence that the oak trees were damaging the house.

HEAVY LORRIES

Although there is concern at the number of heavy lorries using Main Street, Brownlows Hill to Balderton, Mr. Skellern Assistant Director of Planning and Transportation told the Parish Council that no further weight restrictions could be considered until the A17 relief road was built.

Mrs Smith, Parish Councillor, also said that there were problems with heavy lorries using Old Newark Road, and that the width of the road near the A1 was as bad if not worse than the corner of Main Street, near Charity Farm.

The general concensus was that even with the A17 relief road, the problem would not diminish.

WOMEN IN THE COMMUNITY

CODDINGTON WOMEN'S INSTITUTE

Thanks to those who supported the 'Pie and Pickles' and Bingo evening on December 3rd. It was a big success and the £63 raised is towards a Denman College Bursary.

Another successful open meeting was held on December 8th when members, guests and visitors were entertained by Newark Operatic Society Concert Party. It was a lively show performed with gusto with some fine singing. The appreciative audience enjoyed a most pleasurable evening.

On January 12th there was a social evening when a 'Beetle Drive' was held with refreshments served during the interval.

CODDINGTON SPORTS AND SOCIAL ASSOCIATION

Now the Christmas festivities are over, we are now into the 2nd half of the season, hoping that we have more luck than in the first half, when we were plagued by serious injuries to players of both teams which left them considerably under strength.

Our good news is that Mrs Saunders of Red Roofs has agreed to be our new President of the Coddington Sports and Social Association.

The first team are still serious contenders for the senior league cup and the second team have reached the quarter final of the Willie Hall Cup.

We were having serious damage to both pitches caused by moles, but we have engaged the services of Mrs Bakin (who is very experienced in getting rid of these pests) who is doing a great job and if Mrs Bakin continues to catch the moles at this rate, my wife will have a new fur coat for next Christmas.

May I thank all who made our Christmas Raffle and nith night out at the Plough Inn such a success. Food was put on for each and everyone for which many thanks to our new landlord and landlady Dave and Barbara.

Best of luck in the coming year to all our friends and supporters.

CHRISTMAS PARTY

On January 11th for the 8th year 54 senior citizens of Coddington enjoyed their Annual Christmas Dinner at the Inn on the Green. Thanks to the Managers Kath and Rick and all the staff who worked so hard to put on a marvellous meal which was very much appreciated by all.

ALL SAINTS CHURCH BELLRINGERS

As anticipated in the last C.C.N. the 50th peal on the bells of All Saints Church was duly rung on Saturday 28 November 1987.

The ringing was of a high standard throughout the 2hrs & 32 minutes it took to ring the peal and this was the first peal of Minor in 3 Methods by an all Local Band.

Those taking part were John Cook, Paul Curtis, John Draycott, Frederick Tomlinson, Ruth Tysoe, Derek Tysoe.

We now look forward to ringing a few peals each year and hope it will not be too long before we are celebrating the ringing of the 100th peal on the bells.

Derek J Tysoe

On Sunday 17th January the bellringers held their Annual General Meeting, Officers elected to serve for 1988 were:-

Tower Captain - Dereck Tysoe

Tower Secretary - Paul Curtis

RECIPE CORNER

LEMON CHEESECAKE SLICES.

4oz Shortcrust pastry
8oz marzipan
3oz cream cheese
2 eggs, separated
juice and rind of one lemon

2oz sugar
1 tabblespoon plain flour
1 tablespoon milk
icing sugar for dusting

Chill pastry, roll out and use to line 7" square tin.
Set oven to Gas Mark 3 or 325F. Divide the marzipan in half and roll each half to a 7" square.

Place one marzipan square over the pastry in the tin. Cream the cheese in a large bowl, beat in the egg yolks, lemon rind, juice, sugar flour and milk. Whisk the egg whites until stiff and fold into cheese mixture. Spoon half the mixture over marzipan in the tin, top with second half of marzipan, then spoon remaining mixture on top. Bake in centre of oven for 1hr. Dust with icing sugar before serving and cut into 12 slices.
Can be frozen for 2 months without the icing sugar on top.
