CODDINGTON GARDEN TRAIL

A very pleasant afternoon was spent on 23rd June when about 250 people wandered around the eight village gardens which were open to the public.

Although heavy continuous rain was forecast, it just managed to stay fine; and with the aid of lots of helpful people and much hoeing and lawnmowing, a plant stall, raffle and teas, over £400 was raised for All Saints' Church, Coddington.

(N.B. The editor received a phone call from a visitor who expressed the view that she thought the Open Garden Day was a lovely idea and that she was pleasantly surprised to find Coddington "such a pretty village" !!)

Which leads on nicely to ... an article from a Parish Councillor:

"Coddington Parish Council has a new sub committee for the Environment and Litter. The committee members comprise: Mr. Bernard Allen, Mrs Mary Carver, Mr. Jo. Mollison, Mrs Wendy Parrett and Mrs Janet Smith. The first meeting was held at the home of Mary Carver on the evening of 25th May, 1991.

Amongst the aims of this committee is the notion of raising residential interest and awareness in our local environment and the village as a whole. It is very encouraging to notice residents are now keeping grass verges beyond the boundaries of their own properties neat and tidy and there is noticeably less litter about.

WELL DONE!

Coddington Parish Council made a bold decision to enter the Nottinghamshire Best Kept Village competition this year, so rally round and let's us make the supreme effort to do well and to take pride in this lovely village of ours.

SPRING REPORT FROM 1st CODDINGTON SCOUT GROUP

The Scout Group has been busy raising funds for camping equipment and the upkeep of the building. Our Jumble Sale raised nearly £100 as did our Charity Stall on Newark Market. In January the older Cubs went to Winter Camp with the Scouts at Porter Lodge, Walesby. The boys were set challenges and did a night adventure game. A good time was had by all.

The Cub section has started a new Training Programme that is based on Outdoor Scouting and new exciting activities - putting the OUT back into Scouting.

A Sixer's and Seconder's Camp was held in conjunction with 5th Newark at Walesby on 6/7th April. The Camp was called the "Womble Weekend" and was an opportunity to clean the site for the Summer season. 1st Coddington is responsible for the upkeep of the garden around the Office.

The group held a Race Night on 13th April, which was enjoyed by about 50 parents and children.

At the St. George's Day Parade, the Cub Section led the Parade carrying the Merit Award Flag that the group won last year. This year we came second in the Merit Award Competition.

This year sees the 75th Anniversary of Cub Scouting and a celebratory District Camp was held at Kelham Hall on 21/23 June. Many parents came along to visit on the Saturday afternoon. The Movement challenged Coddington to fly a Pack made flag somewhere interesting and unusual during the week 16th/ 23rd June. We are very grateful to Mr.D. Berry for allowing us to fly our flag from the mast of the Old Windmill on Balderton Lane.

The 1991 Gala was held at Beaconsfield on June 29th.

Other News :

A Fun run held in Devon Park was supported by 7 Scouts and 12 Cubs and 5 Beavers and many Parents. The Cubs raised nearly £70 for the Royal National Institute for the Blind.

A Guard of Honour was formed by Cubs and Venture Scout, Adrian Parrett, at the wedding of Heather Chamberlain (Raksha) and Gary O' Donovan (kim) on May 25th at All Saints Church, Coddington. Michael Phillips, Nathan Allwood, Greg Pattison, Russell Keeley, Kevin Shaw, Robert Eardley and Andrew Appleby formed the Guard, while another Cub, Graham Wells, was helping to ring the bells.

Two Cub Scouts and their school friend Kelly Smith have been working very hard on the garden of a pensioner on the Harvey Avenue Estate. Ben Rick and Robert Eardley are working for their Community Carer's Badge laying turf and planting and digging and will help with the upkeep of the garden during the summer.

CODDINGTON W I AT THE CORONATION HALL
ON THE SECOND TUESDAY OF THE MONTH AT 7.30 P.M.

At the April meeting a minutes silence was observed in memory of a most loved member, Mrs Mary Handbury. A founder member of Coddington W.I. (now in its 57th year), a past President and Secretary for the last twenty five years. Mary will be sadly missed by her fellow members and the W.I. will not be the same without her.

Voluntary County Organiser, Mrs Jacky Toplis, was guest speaker at the Annual Meeting on the 14th May, 1991. Jacky raed and proposed resolutions for the first Triennial General Meeting at the N.E.C., Birmingham on 5th/6th June 1991. V.C.O. Mrs Karen Marsh is to be Coddington W.I. delegate at this conference. New officers elected were: President Mrs Jan Phillips, Vice-President Mrs Sandra Greenfield, Secretary Mrs Thelma Fry, Treasurer Mrs Betty Freeman.

Mrs Karen Marsh presented the Competition Cup to Mrs Wendy Parrett for the most points gained this year.

Retiring President, Mrs Karen Marsh, wags thanked for her work by Mrs Kay Lee and presented with a basket of flowers.

Cheese and wine were served by the committee.

Report from Public Meeting held on

July 24th 1991

TRAFFIC PROBLEMS IN CODDINGTON

A well attended public meeting at Coddington Village Hall on Wednesday 24th July 1991 was called by Coddington Parish Council. Present County Councillor Mrs Ann Yates & District Councillor Ridge, Mr Hart and Mr Blore from County Planning & Transportation Department, Miss Armstrong from NASSDC Housing & Environmental Health Department. Police could not be present due to shortage of staff. Balderton Parish Council was also represented at the meeting.

Five main issues were discussed.

1. Laybys- residents referred to problems created by HGVs parking over night - noise from refrigeration motors, litter, use of laybys as lavatories, danger to children and security of houses backing onto laybys. Wish to see laybys removed- no longer appropriate with A17 bypass - through traffic should not be coming through Coddington - lorries should use laybys on new A17 or Lorry park provided by Council at considerable expense.

County response- expensive to remove laybys- no money, facility for road users. Sleasford Road is to be improved by resurfacing in Feb March 1992- laybys will be resurfaced.

Suggested by residents that money to be used on resurfacing be put to closing laybys plus ongoing costs of maintaining laybys. County reps said they would look at this but considered that cost of resurfacing would be fraction of cost of closing.

2. Old Newark Road particularly in front of Post Office is a danger point. Residents referred to speeding and congestion at this locality. Urged that Traffic Calming measures be taken - Speed bumps and road narrowing. Fears for safety of children and GMPs. Police share concern.

No response to this from County Council.

3. Considerable concern at traffic speeding along Harvey Avenue, Suggest "Sleeping Policemen" be provided as part of joint improvement works being undertaken by County and District Councils.

County response was that no money had been allocated for this purpose but that they would look into including such works though not hopeful.

4 Residents referred to problems of HGVs still using the old A17, Balderton Lane and Main Street. Two measures suggested. Weight restrictions and mini roundabout at Plough Crossroads.

County response. Coddington not on list of 100 villages requesting weight restrictions. Only three Orders done a year due to staff shortages. Therefore no chance at present. Do intend to carry out surveys of traffic in village in Autumn. Thought that mini roundabout was a good idea but no money.

Meeting expressed amazement that Coddington is not on list since the Parish has been asking for weight restrictions for years. Urged that it be placed on list. Also asked that surveys commence no later than Gam to catch lorries and that Parish be consulted on survey points. County also asked to provide Parish with the criteria on which schemes are assessed. County agreed to these requests.

5. Parish very concerned at speeding traffic on Sleasford Road and urge that 40 mph be extended through the village. School crossing point particularly dangerous. Also that road be narrowed as at Rainworth and Balderton to slow down traffic

County said that road did not meet DOT criteria for extension of speed limit. County are proposing to increase the width of the centre reservation at the crossing to give greater protection as part of Sleasford Road improvement.

It was concluded that the imposition of weight restrictions or access only controls on Sleasford Road and Balderton Lane and the provision of speed bumps on Harvey Avenue and Old Newark Road would resolve the majority of problems. The money to be spent on resurfacing and subsequently maintaining the laybys on Sleasford Road could be used to close the laybys. County urged to take note of the Great concerns expressed and to make every effort to meet them.

6. County were able to say that a footpath would be provided in this financial year on the inside of the right angle bend on Main Street near Wellgreen. This is greatly welcomed.

Parish Council Chairman Jo Mollison promised that the Parish Council would press hard for these traffic measures to be carried out urgently. He asked residents of Coddington continue to support the Parish Council in its efforts to make progress.

Dear Reader,,

And Summer's here but as I sit watching the rain my desk diary reports the naturalist Gilbert White, on this very day in 1777, as recording "Rain, rain, rain. The young swallows that come out are shivering, and ready to starve." Perhaps not shivering but certainly very wet!

Two things to report. The fine copy of The Domesday Book, with references to Nottinghamshire is now available for the "discerning" at about £220 a copy (details from Newark Museums or Notts.C.C. Libraries), but if anyone is interested a summary of the info. relating to Coddington will be in the next newsletter and

CODDINGTON CRICKET CLUB HAS BEEN REVIVED, after a break of 20 + years. If anybody is interested in playing or has any memories, photos, etc. of Cricket in times past, Ian Thompson on 700067 or the Ed. would be very pleased to here from you.
