News

November 2004

In this edition is a section devoted to the Numbering and Renumbering of parts of the village. Would you please make a special note of the form at the end of the section

This is the last Community Newsletter for 2004 and the largest we have produced in terms of number of pages due to the re-numbering but I hope that all who read it will think it worth the effort

As this is the last edition before Christmas the Parish Council would like to wish all parishioners a Happy Christmas and a Prosperous New Year

Don't forget the carols round the Christmas Tree Tuesday 14th December 7.00pm at the School

Dear Readers

If you have just moved into the village and are reading our COMMUNITY NEWS for the first time

WELCOME TO CODDINGTON

This newsletter is sponsored by

CODDINGTON PARISH COUNCIL and is circulated to every household in the village (at present approximately 500 and growing). If you are running any activities in Coddington I would welcome any contributions. Adverts of a local nature can be taken at a small charge. I can be contacted on 01636 671424 or by email frankelliott1@hotmail.com You can also send your contributions to Frank Elliott, Rest and be Thankful, Parklands Close, Coddington, NG24 2RE

Chairman's Report

Things are at last moving with regard to the weight restriction throughout the village. The consultancy periods are over and we should see some action soon all being well.

The Community Centre is also moving forward, surveying has started and, again, we hope to have positive news very soon.

The Parish Council are organising a Steering Group for the new centre that will set up the constitution and running regime for the benefit of the village. The major clubs and social groups of the village are all represented along with individuals representing the general public.

They have a big task ahead of them to ensure the proper operation of the centre. The PC put up notices earlier this summer with regard to the drains and sewage disposal from the village. If you have or have had problems [blockages, flooding, strong odours], please let the PC Clerk Pam Hemphill know so that we can do something about it.

The Christmas tree is organised and the 'Carols around the Tree' is set for Tuesday, 14th December, at 7:00pm. Notices will go up nearer the date.

Dave Hedge (Chairman Coddington Parish Council)

Coddington Over 55 Leisure Group

Things went very well at our OPEN DAY on Sept. 10th. We had an enjoyable time with several potential new members coming to have a look at what happens on a Friday afternoon from 2.00 to 4.00 pm Any more potential members out there? Come along and make us a bigger and happier group.

J. R. Bell (Secretary)

A Thank You

I would like to thank the History group for the Heritage Trail Leaflet. It is very interesting reading, we do not realise how much history there is in Coddington or how far it goes back.

We go about our daily lives and do not appreciate the beauty, wild life or history ,everything is taken for granted

Oh what life so full of care we have no time to stand and stare. (is that the correct quotation and who is the poet who wrote it?)

1st Coddington Brownies

Brown Owl and Tawny would like to thank all the Brownies, parents and villagers who supported our stall at the Summer Fayre.

Brownies continues to be very popular in Coddington and we have a full pack of girls again this year. We would like to welcome two new Brownies Maddie and Gemma who are about to begin their Brownie adventure, as well as Hope and Isobel who have transferred from other Brownie packs. Due to the length of our waiting list we would urge parents, whose children would like to go Brownies, to put their daughter's name on the list as soon as possible. If your child is a Rainbow you will still need to put them on to the Brownie waiting list.

This Autumn the girls are looking forward to completing the final part of their World Guiding badge by writing to guiding friends of the same age from Kansas, U.S.A. The girls are also becoming budding scientists as part of their science investigator badge, and they have begun by growing broad beans in the light and dark, with and without water. Towards the end of the half term we are going to hold a carnival style celebration and preparation for this will involve the Brownies having lots of fun making grass skirts, necklaces, large murals, floats and decorations.

Karen Gill (Brown Owl) and Laura Bunkle (Tawny) would like to say a huge thank you to Janet Peto (Snowy) for all her help this year. Janet will be taking maternity leave after half term.

**For all enquiries please contact Karen Gill: 01636 706456or
Laura Bunkle: 01636 708572.**

Speed in the village

Might we remind all Coddington residents that despite being a wide and fairly straight road, Newark Road has a 30 miles per hour speed limit.

The traffic in the village has naturally increased as more people move here, more children are using this route by foot or bike to get to and from school, and the daily school-run parking now stretches some distance away from the junction.

Lets set a safety example to others who drive in and out of Coddington and start by keeping our speed down.

After all, we should at the very least respect our own local environment.

Weight Restriction Update

The move by the County Council to impose a weight restriction on the C 208, Main Street, Drove Lane from the A17 Bypass is progressing well and hopefully will be in place early in 2005

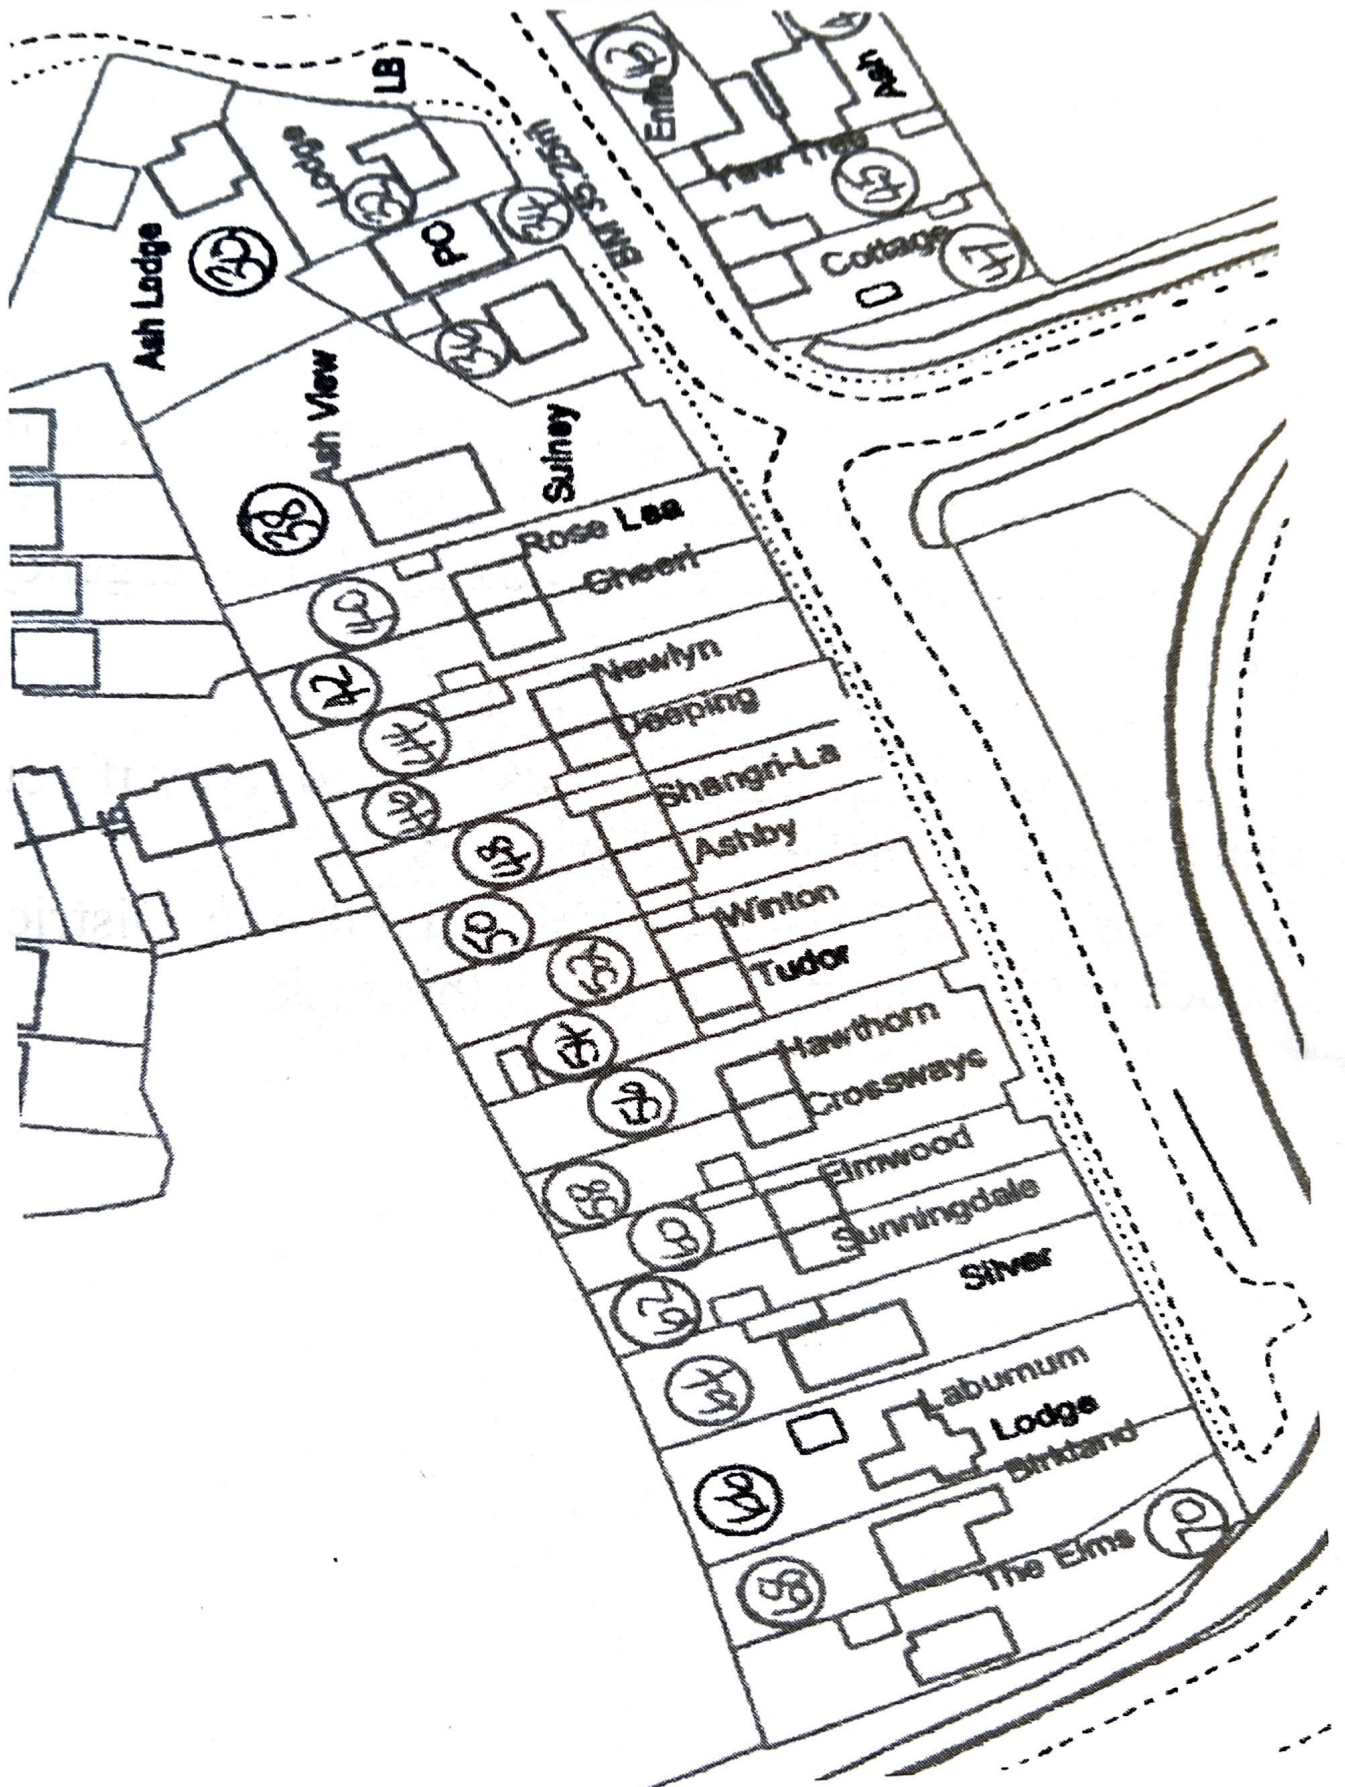

HOUSE NUMBERING AND RENUMBERING IN THE VILLAGE

Following a request from the emergency services the Parish Council in conjunction with the District Council has embarked on a scheme for numbering (and in a very few instances renumbering) the parts of the village that do not have numbers. This does not change your existing house name but if you are agreeable to the scheme we would ask you to display the number where it can be seen from the road by the Emergency Services

At the end of this section there is a form to reply if you wish to object or make any comments

The Parish Council would like to thank the District Council for the help in completing this task

CODDINGTON PARISH COUNCIL

Dear Owner/Occupier

Coddington Parish Council has made a request to Newark and Sherwood District Council for a numbering system for certain streets in Coddington. The Parish Council, along with Newark and Sherwood District Council's Planning Services have drawn up plans with properties now numbered/renumbered on:

- Balderton Lane
- Beckingham Road (Some renumbering)
- Brownlows Hill (Renumbered)
- Chapel Lane
- Drove Lane
- Main Street (Some renumbering)
- Newark Road
- Parklands Close (3 new numbers)
- The Green

Before any plan can be put into action, the relevant residents must be consulted on this numbering/renumbering scheme. Therefore, the plans can be viewed in the November issue of the **CODDINGTON COMMUNITY NEWS** and at **CODDINGTON POST OFFICE**

Please complete the tear off slip below and return within 21 days to **The Parish Clerk, 2 Randall Close, Beacon Heights, Newark NG24 2LF** or at the **Post Office**. Should you not reply, the Parish Council would assume that you support the numbering/renumbering system.

Yours faithfully

P Hemphill (Mrs)
Clerk to Coddington Parish Council

.....
I agree*/do not agree* with the proposed numbering/renumbering system.

All Saint's Church, Coddington

Hello everyone,

Many thanks to those of you who came along to our Jumble Sale on 11th September. With your help we raised £208 for church funds.

Are you looking for somewhere to do your photocopying? If so, we can help. The church has recently acquired a new photocopier and we are charging only 3p per A4 copy. All money raised will go towards the maintenance of the copier and church funds. To arrange your photocopying needs, please contact Mike or Sheila Bache on 01636 674741.

As many of you will be aware, Rev Healey is not too well at the moment. He is expected to be away from church duties for at least a month. I am sure you would all like to join me and the church members in sending him our best wishes and hope for a speedy recovery. Whilst Rev Healey is away we are aiming to keep the church running as normally as possible. However, please do check church notice boards before coming to services as those listed below are still subject to the Rural Dean's approval.

Dates for your Diary:

- | | |
|---------------|---|
| 14 November - | Remembrance Day – 6pm |
| 27 November - | Christmas Fair |
| 28 November - | Service of Thanksgiving and Remembrance – 6pm |
| 10 December - | Children's Carol Service. To be held in church on the Friday afternoon. All are welcome to attend |
| 10 December - | Musical evening – 7pm in Church (please see press for further details) |
| 12 December - | Carol Service – 6pm |

Looking forward to seeing you all in church soon.

Clare Cotten (Church Secretary)

Dog Fouling and Speed Restrictions.

Most parishioners and certainly the vast majority of dog-owners know that dog-owners have a legal obligation to clear up any mess their dogs may make on pavements and grass verges etc. The legislation is in the Dogs (Fouling of Land Act) 1996. In simple terms, this legislation only applies to paths etc alongside roads or streets where there is a speed limit of 30 mph or less.

The recently opened footpath and cycle track on the old A17 road between the A1 and Coddington runs alongside a highway which is outside any 30 mph limit. The *raison d'être* behind the recent improvements to the path and the provision of a cycle track was largely based on the drive to get more children to walk, cycle, scoot or skate-board to school. But under the national legislation, this route has no legal protection against dog-fouling! At least one guilty party was aware of this loophole and had no compunction in using it.

That said, all is not as bad as at first sight it could be. Our District Councillor, Maureen Dobson, has done some research on behalf of the Parish Council and established that there is within all the parishes in Newark and Sherwood District a byelaw dated 23rd October 1986 - made under Section 235 of the Local Government Act 1972. This makes it illegal for any person in charge of a dog to allow the dog to foul a footway or grass verge. It is as simple and clear as that with the only exception being the usual provision for guide dogs accompanying a registered blind person.

Thank you Maureen.

Coddington WI

Instead of the usual meeting in the Village Hall in August, members went on an escorted walk around the riverside, and learned lots of interesting fact they had missed previously!

The walking group walked along part of the Viking Way in August and around Aslockton the next month, with lunch at a local pub afterwards. In September we were back to the usual routine, with a talk by Bill Smith about his sponsored trip to Africa in 2002 when he and two friends cycled through France and Spain to Morocco in 17 days to raise money for Beaumont House Hospice.

22 members and friends had a coach outing to Newby Hall in Yorkshire and admired the lovely house and most interesting gardens.

Mrs Gillain Clarke, wife of Ken Clarke M.P. Was the speaker in October telling us about life at No 11 Downing Street. Plans are in hand for a talk on Goose Fair in November and a Christmas Party in December.

Coddington WI organised their first-ever open Quiz Night in the Village Hall on Saturday 30th October.

55 people turned out for a lively and entertaining evening when they enjoyed a light supper provided by the WI.

Jane Hadfield (ably supported by husband Tim) fired six rounds of questions at the victims and maintained strict order in a style that Anne Robinson would have been proud of. Sylvia Aslin and Pam McVay scrutinised the score sheets and kept track of the results and the winning team took home vouchers generously donated by the Inn on the Green.

It is hoped that a similar event will be arranged if the positive feed-back from the first one is anything to go by.

Including the proceeds from a raffle, £165 was raised to support the chosen charity, the Ngieomen Women's Group Project in the Cameroon..

New members are always welcome. We meet on the second Tuesday each month in the Village Hall at 7.30, and anyone interested should contact the President Mrs Gill Southgate, tel. 677393

THE SENIOR CITIZENS ANNUAL LUNCH

The Annual Lunch for Coddington Senior Citizens will take place on Sunday 9th January 2005 at 12:00 in the Village Hall

Once again this is provided totally free, but as usual numbers are limited so will be issued strictly on a "first come first served" basis.

Tickets may be obtained from Irene Bell by telephoning 674574

Coddington History Group

Our biggest news is hopefully already known to most of you – our Heritage Trail is out! All being well, everyone in the village will have had one through their door by now. If you were missed or need another there are usually stocks at the Post Office and the Inn on the Green or you can phone myself. We hope you enjoy it, we have been very pleased with the reaction so far.

Our first two open meetings have been most interesting – unfortunately the second coincided with torrential rain which may have deterred some – we had to mop the equipment on arrival in the hall! George Wilkinson's talk on the Trent was amusing and informative showing us many places we had not previously encountered around the river in Newark. The same can be said for Mick Gill's talk on the Yard and Alleys of Newark, there were so many of them, some still survive whilst others have disappeared leaving little trace. I think we all left with the intention of looking closer into obscure doorways next time we were in town! The next, "Bess of Hardwick" comes highly recommended by the WI who very much enjoyed Margaret Harrison's talk for them. We put on an exhibition in the Scout Hall (the former National School) for Heritage Open Days (11th Sept) which included a new display about the school and a fascinating array of extracts from aerial photographs from different dates. With the aid of sharp eyes, (or a magnifying glass!) these show a wealth of information. Although there were fewer visitors than at Memories Day we welcomed people from as far afield as Milton Keynes (who have joined the group) and we collected lots of very varied information.

Prior to that we put on a display at and for the church of weddings through the years as part of their "Country Wedding" event. There is talk of another "school reunion" and exhibition event again early next year, details later.

Members generally meet on the second Thursday of the month at 7:30pm in the village hall, but in December it will be the 16th. New members welcome.

Lastly, our web site (www.coddington.org.uk) is currently under construction and will be unveiled soon.....

Stapleford Lane Update

After a few last minute hiccups, building work finally got underway on the 13th September on the new changing facilities at Stapleford Lane. If you have been past recently you will see that the site has now been fenced off and the building is really starting to take shape. We have almost doubled the capacity for parking on the site and that should mean an end to cars parking along Stapleford Lane on Saturday and Sunday mornings and combined with improved access to, and exit from, the site we hope that these measures will help both users of the football facilities and road users traveling along Stapleford Lane. The perimeter fencing will provide the security that is required to stop the mindless vandalism to the pitches and the old building that we have suffered over the past couple of years.

The building work is on target and we should be able to open up all of the facilities after Christmas – the Tigers teams are still using the pitches for matches but the Coddington FC senior team is currently playing all matches away from home.

As I explained in the previous newsletter we are still raising funds towards the cost of the building and I must say that the response from villagers to our “buy a brick” scheme, and indeed general support for the project, has been superb – and many thanks to those of you have already contributed. For those of you who haven’t quite got round to getting the cheque book out you have one last chance to have your contribution recorded for posterity on our “Wall of Honour” inside the new building.

If you wish to contribute please complete the tear off slip and send it to me along with your cheque for £5.
