## **RETIRING CHAIRMAN'S REPORT**

You will have probably noticed on page two the changes to the Chairman and Vice Chairman positions of the Parish Council brought about by my not putting up for re election due to health reasons

As this will be my last Chairman report I would like to thank all the members of the Parish Council for their support over the past year especially during the last 6 months due to my incapacity

The village has had a good year with the Old Hall Gardens status finally coming to a satisfactory conclusion after having taken 5 years

It was also very pleasing that we achieved the runners up position in the Best Kept Village Competition

I am pleased that the new Parish Councillors are all making welcome contributions to the running of the Council

I would like to wish Councillor McDonald well in his new position as Chairman and Councillor Cox as Vice Chair

**F Elliott (Retiring Chairman)**

## **CHAIRMANS REPORT**

My first duty as Chairman is to thank Frank Elliott, our retiring Chairman, for all his work in the last year. Having served his time as Chairman a few years ago, he came back into the Chair for a further year and has steered us through a very busy period. But not only that, he has also continued his vital role as Editor of this magazine – that, readers, is demanding enough without leading the Parish Council. So many grateful thanks to you, Frank, from us all and well done!

I would just like to wish everyone the best of times during the Jubilee celebrations and, particularly, to remind you of the events that will take place in the village next Monday, 5 June. On page ?? are details of the afternoon's Childrens Parade and games at the Community Centre and the evening's hog roast and entertainments, plus Lighting of the Jubilee Beacon, at the Inn on the Green. Please come along - see you there!

- \* Emergency vehicles
- \* Vehicles in the service of the local authority in pursuance of its statutory powers or duties in connection with premises along the restricted route
- \* Building and industrial demolition operations
- Public utility services along the route

## **ALL SAINTS' CHURCH CODDINGTON**

Revd David Anderton, the Team Vicar writes...

There seems much worrying news around. As we hear that Britain is back in recession – the so called 'double dip' - it comes home as you walk round Newark and the shops which have closed and the ones about to. Our political leaders can't agree on the best way forward – is it the path of austerity – reducing spending to pay off our debt? Or is spending to stimulate the economy into creating further wealth for debt payments? Who is right?

Yet we are moving into a summer that will be a time of spectacle and celebration - firstly we remember and give thanks for our Queen's 60 years on the throne, her Diamond Jubilee. As we recover from those celebrations we are soon into the spectacle of the London Olympics.

In the midst of the worries can we make space for joy? Life so often seems full of opposites and contradictions. It was ever thus. In the Christian calendar we are coming to the end of the Easter season. A time that starts with the great sadness, pain and loss of Jesus dying on the cross. Yet through that comes the joy, the spectacle, the hope of his Resurrection bringing with it our way back to God.

In her Christmas broadcast at the end of last year the Queen said this:

'Although we are capable of great acts of kindness, history teaches us that we sometimes need saving from ourselves - from our recklessness or our greed.

God sent into the world a unique person - neither a philosopher nor a general, important though they are, but a Saviour, with the power to forgive. Forgiveness lies at the heart of the Christian faith. It can heal broken families, it can restore friendships and it can reconcile divided communities. It is in forgiveness that we feel the power of God's love.

When times are worrying it can bring to the for our divisions, let us use the time of joy to break down those divisions and to forgive and to seek forgiveness.

I hope to see you at our village Jubilee celebrations on 4<sup>th</sup> June or if not, perhaps on the streets of Newark on the 28<sup>th</sup> June when the Olympic Torch travels through.

## **CODDINGTON PARISH COUNCIL**

### **The Emergency Plan**

Nottinghamshire County Council has requested that Parish Councils should compile a Community Emergency Plan.

This plan helps the community prepare for an emergency and minimize any impact. Sometimes the initial response may have to rely on local people.

The CEP(Community Emergency Plan) is confidential and stored in a secure location. It covers resources and skills in the community, temporary places of safety and supporting organisations contact details.

However, help is needed to ensure that the community is kept informed during and after an event. It is suggested that a cascade system is used with named people taking responsibility for notifying others, who in turn notify further members of the community.

Five initial volunteers are needed, who would then contact five other people. If you feel you can help please contact your name with the chairman Cllr.

Mr. R. O'Donnell

Thank you for your help.

**Linda Cox.(Mrs)**

### **DO YOU HAVE (OR WILL HAVE) A CHILD AT SCHOOL IN GRANTHAM?**

We are currently trying to establish how many children from Coddington are at, or will be at, school in Grantham as of Sept 2012. Marshalls bus service currently have two pick up / drop off points for the schools; one at Gainsborough Drive, Newark and another in Balderton. We hope that with the addition of children that are currently year six, there will be enough children that use the service to request an alteration to the current route, to include a stop in Coddington.

If your child has a place at any of the Grantham schools and you would like to help us try and alter the route, please contact either Lisa or Deborah on the email/phone below, with your childs name and school. We will then write to Marshalls, requesting a change to the existing route.

Thank you

## **D & J's COFFEE and CAKE MORNINGS**

Whether you are a newcomer to the village or a long time resident I can heartily recommend dropping in for a cuppa at “D & J’s Coffee and Cake” on a Friday morning. Although I have lived in the village for eight years I had spent all this time working in Lincoln and had not really got to know the village, or many of my neighbours. This was despite our excellent village news as the information gained from this is not nearly the same as actually going out into the village, meeting people and finding out about things. So, having recently retired, I decided to venture down to the Community Centre one Friday morning. What a pleasant surprise, the room was so welcoming as were the people there. A lot of thought had gone into the layout and décor used for the set up of the room, as well as the interesting crockery. Plus, the coffee and cakes were scrumptious.

Within this relaxing atmosphere I have now met some very friendly villagers and learnt a lot about Coddington, its residents and activities, enhancing what I had learnt from the village news. I have got to know some of the people who live in the village and have been persuaded to go to pilates – which I had wondered about but been unsure about going to. Joanne and Debbie have made a great effort to create a friendly atmosphere and provide the village with a new facility and a new venture. So, whether you would like to say a quick hello, have a good old natter, or just to meet some more of your neighbours over a cup of coffee do think about popping in. Come and support the girls – you never know it might grow to two days a week.

### **D & J's COFFEE & CAKE MORNING**

Every Friday 9 .15am – 11.15am

This new venture has now started at The Coddington Community Centre and the organizers have transformed the Function Room into a stylish café where people can meet friends, chat and enjoy a drink and a cake. There is a wide range of drinks and the organizers are open to further suggestions as to what customers would prefer.

## **DOG FOULING**

While walking around the village, it is noticeable that there are still some irresponsible dog walkers who do not clean up after their dogs have fouled the pavements or grass verges

If caught this can lead to a hefty fine (Up to £1000 if taken to court or a £50 on the spot ticket) More dog owners are now letting their dogs loose on the green at Thorpe Oaks, **If your dog fouls the ground whilst off the lead it is your responsibility to clear it up. Not seeing your dog fouling is not an excuse I have been informed that there have been instances of dog fouling in the Church Yard and around Well Green**. The Parish Council would like to make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the Police. Dog mess if bagged can be put into the litter bins as well as the red dog waste bins

## CODDINGTON C OF E PRIMARY SCHOOL

Well, what a spring! It has been so wet; we haven't been able to use our school field for months. We hope that there's time for it to dry out for our summer sports events. We now have just over 400 children in main school. In assemblies this term, we have been concentrating on 'relationships' and especially 'friendship'.

There are many trips and special events this term with classes visiting Castleton, Whitby, Southwell Minster, Sherwood Pines, a Teddy Bear's picnic and a science week with a visiting farm and planetarium.

We will be celebrating the Queen's Diamond Jubilee in June by holding a Royal dressing up day and picnic and we also will be having an Olympics week to coincide with the Olympic torch coming to Newark. It is very busy in school!

I was lucky enough to be invited to speak about the school at the Annual Parish Meeting on the 17<sup>th</sup> April. It's very important for us to learn as much as we can about our community, in order that we can contribute as fully as possible. We had a brief discussion about the issue of parking around the school and I reiterated that we are working closely with most local agencies in order to relieve the disruption caused to local residents.

I am able to report that the police have been in attendance outside school and that they plan to make regular appearances in the future. I will continue to ask all parents/carers to park courteously and not cause any obstructions.

Our choir have been invited to sing at the Nottingham Albert Hall on Friday 6<sup>th</sup> of July, as part of the Notts County Council Summer Gala Concert. This is a prestigious event and a great honour for us, which promises to be an exciting evening for all of the children.

## **CODDINGTON W I**

Our Women's Institute moves forward to another year & continues to thrive, hopefully ensuring that members enjoy informative & lively meetings planned to suit most tastes & interests. We meet the second Tuesday of each month at The Coronation Hall at 7.30pm. Potential members are always made welcome, & are greeted by one of our ladies (she wears a badge!) who will explain our routine.

We celebrated our 78th. year with as usual a Birthday Party, presided over by our newly re-elected President Gill Southgate following the retirement of Lesley Walker. The meal was cooked & supervised by Marilyn Membury committee & members. W.I. Chairperson Maureen Ashby accompanied by her Husband & other guests were invited to enjoy the festivities. The Denman Bursary was drawn & won by Hazel Crookes & Margaret Bedford, funding to apply for a course to learn a new skill of their choice & meet new friends at Denman College Oxfordshire.

Most months a speaker is arranged, each to discuss a variety topics to entertain also enlighten our members, as diverse as ' Nottingham's Famous Edwardians' to '3D Pictures & Decorated Boxes' including a demonstration how to create 3Dpictures from prints, the finished article resembling porcelain. Our most recent talk has been from 'Gemini Touch' Diana Thomas Holistic Therapist & Reiki Master who explained practiced techniques that were demonstrated on volunteers.

Our days out are always a pleasure, a coach party is planned for June to Renishaw Hall & Gardens in North Derbyshire members may invite a guest, also later in the year to Tolthorpe outdoor theatre to see ' The Three Musketeers' & a possible trip to Hadden Hall in December.

The 'Swallows' walking group remains a favourite pleasure with some members, including their partners or a friend, a Pub lunch is usually enjoyed afterwards. You may bring a companion or

come alone. This months three day ramble to Norfolk, staying two nights in a hotel has been organised by Nora Reed with support of her husband Fred,

W.I. member Jane Hedge & her husband David formulated from the archive documents presented by the late Elsie Mann's family last year, a beautifully presented editorial for Coddington W.I. It is an insight into past times, especially throughout 1940/45 war years & the endeavour of the then members to support the war effort. A list of past presidents are highlighted with terms in office from 1934 until 2011, past speakers & competitions are also recorded.

Our discussion group meets one afternoon a month, there is no strict agenda, we may debate a particular topic in the news or a member may talk about a hobby or unusual experience, it usually ensures a lively debate.

Members are helping in the W.I. marquee at The Newark & Notts. Agricultural Show, a handicraft exhibit is being entered for the competition ' Harvest Festival Theme' & is being prepared by the following members, President Gill Southgate, Heather Chamberlain, Jane Hedge, Jan Phillips, Lesley Walker & Wendy Parret.

A 'Fashion Show' is being organised , Some members have volunteered to be models. Should be fun. It is on Tuesday 12th. of June 7pm. in The Coronation Hall, Brownlow's hill Coddington.

Presented by Kathryn Finan Complete Clothing Company. Free Admission. Non W.I. Ladies Welcome, Open House Small charge for refreshments.

## **CODDINGTON & WINTHORPE CRICKET CLUB**

Before we provide you with the latest news surrounding the club. The committee and coaches of Coddington & Winthorpe Cricket Club would like to express their gratitude to Coddington Parish Council for providing the club with a grant to enable them to run a 6 week coaching course for girls from Coddington Primary School. Coaches from the club, Trent Bridge and England's Ladies International Jenny Gunn were all involved in introducing cricket to the girls at the school. It was huge success and the club would like to put on record their thanks in making this community initiative possible.

The wet weather has meant that no games for any of the club teams have been possible until Sunday 13th May. Our under 12s played the first competitive game for the new club and the new season in the beautiful surroundings of Belvoir Cricket Club. An excellent performance by all concerned with bat and ball lead to Coddington & Winthorpe scoring 259 runs with the loss of no wickets to Belvoir's 228 - 8. The senior team continued the winning form by beating Kashmir of Nottingham by 44 runs in their Newark Alliance Division 7 fixture. After all the wet weather and cancelled game it was great to get under way and two wins for the club.

The recent rain has meant along with games a number of junior coaching sessions have been cancelled much to the disappoint of our junior members. We finally got going on Friday 11th May 3 weeks late than scheduled. As always the junior members get involved with all their coaching with gusto. The club continues to grow and we were delighted to see some more new faces. We have a number of junior sections up and running and we start coaching children from the age of 5. It really is about coming along and having a go and joining in with the fun. Junior coaching sessions are run every Friday night, weather permitting from 6.15pm - 7.30pm. Full details can be found on our website [www.coddingtonandwinthorpecc.com](http://www.coddingtonandwinthorpecc.com) Along with the juniors we are always on the look out for players of all abilities for our two senior teams which play midweek and on Sunday afternoons. We also have a Saturday friendly side for the more casual player. As well as coaching and matches we also provide lots of fun social events from

quiz nights, race nights and comedy nights. As well as being a way of raising much needed funds they are a great way for us all to get together away from the boundary edge. The club is about more than just cricket its about providing a focal point and a community institution for all of our members and parents.

The ground on Holme Lane, Winthorpe will be hosting lots of games over the next few months so why do not come down and catch a game be it seniors or juniors.

As with most modern forms of communication not only do we have the website you can also follow us on twitter our name is @CodWinCC or join our facebook page [www.facebook.com/coddingtonandwinthorpecc.com](http://www.facebook.com/coddingtonandwinthorpecc.com). Or if you would like more information the old fashion way please contact Club Development Officer, Lee Parsons on 07802 210 451

See you at a game of social event soon.

## **1ST CODDINGTON SCOUT GROUP**

The county census this year shows an increase in membership above the national average and we are included in this increase. This is because our numbers in Scouts are growing. By the end of the year we are expecting to have around 30 in Scouts.

As always we are looking for leaders to assist with the evenings. I would like to welcome Nicola Sloan to our leadership team. Nicola has taken over the Scout Troop with the assistance of the Group Chairman Ray Purvis.

The Quiz Night we held at the end of March raised £527, thank you to all who came and had a good time.

I would like to congratulate David and Jane Hedge who were presented with their 30 year and 20 year service awards at the Quiz Night.

### **Beavers**

Our Beavers have completed an overnight under canvas experience. This was held at Coddington Primary School. Our thanks to Mrs Caputa for allowing us to use the School Grounds.

### **Cubs**

Our Cubs have been to PGL during May. This time they used the tents at the centre. We have also had more Cubs achieve their Chief Scout Silver Award. These awards were presented by David Hedge.

### **Scouts**

Our Scouts are working on growing their own produce and have built their own allotment area at the Hall. We have some Scouts who are very close to completing the requirements for the Chief Scout Gold Award. The Scouts will be having a weekend at PGL before the summer school term ends.

## **Explorers**

Our Explorers have a team working on their Duke of Edinburgh Gold Award. We wish them all the best as this is a demanding challenge. Explorers' activities have been exciting. In March we took part in the County MAD competition at Walesby, and recently we have been rifle shooting, practising martial arts, and performing some weird science. Eating events remain firm favourites, so we've made pizza dough, created gigantic snacks and held our second Masterchef challenge. We've also taken time to take it easy, playing pool, ping-pong and ... Monopoly!

## **Pam Page**

Duke of Edinburgh

We have a new person in charge of the Duke of Edinburgh program as Martin and Barry wanted to step back a little. We welcome Andy Ellis to our team at Coddington.

Our next Quiz Night will be on 14th July so please look out for the posters. As always please let Amanda know if you would like a table. Thanks in advance for your support.

Our textile collection has got off to a good start this year with 13 bags collected so far. If you have any textiles we could collect please get in touch, every little helps. Each bag raises around £7.50 towards group funds so please help us raise funds to maintain the Old Village School Hall.

## CODDINGTON HISTORY GROUP

---

**Hand written notes by Godfrey Tallents (b.1848 – d.1917) Solicitor, who lived at “Coddington House”, Coddington**

---

Coddington formerly called Cotinton and Codynton, which is certainly of Saxon origin, as all villages ending with ham or ton were Saxon. It is clean and healthy village standing on an eminence 2. 1/2 miles East of Newark on the road to Sleaford, Lincolnshire, in the Newark Division of the county of Nottinghamshire, Southern Division of wapentake of Newark, rural deanery of East Newark, Archdeaconry of Nottingham and diocese of Southwell. It was given by the Conqueror to his half brother, Odo of Bayeaux, having been held by Botild, Ulric, and Bugo under the confessor. The vassals or Tenants of Odo who occupied the land were Losuardus and Oulchalk. In the reign of Edward 11 we find Coddington in the hands of the Bishop of Lincoln, John de Nevill of Rolleston, and the Prior of St. Katherine's near Lincoln. In 1404 the fifth year of Henry 1V, Henry de Codynton parson of Bottesford, having had a licence from previous King Richard 11, founded a chauntry at the alter of St. Peters, in the parish of Codynton, (which alter stood probably in the South aisle) for our priest to pray for him while he lived, and for his soul after his decease; and for the soul of John de Codynton late parson of Adesham, and for their fathers and mothers, brother, and sisters, and benefactors, to which he gave five messuages, three tofts, and 171 acres of land, with the appurtences, in Codynton Holme by Muskham ( at one time Holme was on the Muskham side of river).

In 1301, a Walter de Codynton was appointed Vicar at Newark Parish Church and was held by him until 1320. The richest brass in the county of Leicester, on the floor (1404) of the chancel of Bottesford Church, commemorative of Henry de Codynton rector Bottesford and Prebendary of Southwell.

It appears that John Askwell was the first priest nominated by the founder, whose successors after the death of the said Henry de Codynton, were to be named by the prior of Thurgaton. Thornton in his history tells us Walter de Maresco had some share in Cotinton, for which he bought the King a pair of scarlet breeches, but it was aliened when Robert de Passelewe, in his times King Henry 111, let this sarjeancy to the Prior of St. Katherine's for 40 shillings per annum, being twenty two Bovats, then valued at £4.8s per annum, Robert de Porter held two Bovats which were of the Sarjeancy of twenty Bovats, which the Prior of St. Katherine's held

of the King in Codinton about 8 (a Bovat = as much land as one yoke of oxen can cultivate in one year).

John Ashwell priest, is mentioned in the Annals of Newark (P27) in connection with Henry de Codynton, nearly 400 years later the same name comes up again at Coddington in Thomas Ashwell, son of a farmer there, and surgeon at Newark” probably only presented by a weak constitution and precarious health from figuring among the clinics and Coopers of that day.

A pulmonary complaint obliged him to quit London – he returned to Newark where he practised his profession with reputation, died in London, 1813, aged more than 60.

The Ashwells owned a great lot of land in Coddington; the late Col. James Thorpe bought all the land and Cottages from the Ashwell family.

In the sixth year of Edward V1, these chauntry lands were given to Sir Edward Bray, John Thornton, and John Danby, but having been restored to their legitimate owners by Queen Mary, were by Elizabeth bestowed on Thomas Leonard alias Pocklington, and John de Codynton.

The lands belonging to St. Katherine’s Priory were in the reign of Edward V1 given to Mr Cavendish and his heirs.

Being of a yearly value of 67s 4d, p.s AD 1042 or a little later, £9 this sum probably, equivalent to £900 of our money. P.s the Pocklington family we find were very numerous in this neighbourhood. In the history of Collingham by Dr. Wakes he mentioned one William Pocklington a justice of the peace in 1642 and his father John Pocklington was a resident in the reign of King James 1. There were members of that family as late as 1700. A Roger Pocklington was Mayor of Newark 1711. A Joseph Pocklington of Carlton on Trent was sheriff in the year 1774, and in Newark church we find many inscriptions on stones in the name of Pocklington.

Codinton in the records of Nomina Villarum, answers for an *intise?* villa and the Prior of St. Katherine’s by Lincoln, John de Nevill (of Rolleston) and the Bishop of Lincoln, were certified to be lords of it.

In 1669 the houses of Parliament showed zeal for the church and state by adopting an act for the suppression of dissent. Greatly had the church suffered. King Charles 11 was very much opposed to the bill. Its provision ordered returns to be made, stating the frequency of nonconformist meetings in every village together with the number and sort of people attending them. The names of speakers, and of the person whose house the congregations met.

An extra parochial farm, known as Eagle Woodhouse, was the property of the Knights of Eagle Hall, and so was the rectory of Marnham. A certificate of their lands, taken in the time of Edward 11 (A.D. 1316) shows that they received rents from Coddington and many other places.

In the reign of Henry 11. A.D. 1171, A Bull was issued by Pope Alexander, ordering the payment of certain sums of money by every village and hamlet in the country. So much we learn from the Liber Albus of Southwell Minster. This Pentecostal offering, as it was called, had to be carried to Southwell on Whit Monday of each year. Each place contributed according to its size and importance. We do not know what was paid when the custom began; but a record still exists of the offerings made in the twenty second year of Queen Elizabeth, from it we gather that N. Collingham gave 2/-, S. Collingham 1/8, Newark and Nottingham sent 13/4 each, Caunton 10d, Tuxford 3/-, Upton 3/-, N. Muskham 2/4, Southwell 5/-, and Sutton on Trent 4/- Coddington.

*From Dr. Wates History of Collingham.*

-----

The 600 years of Saxon domination furnish nothing authentic to the History of Coddington and yet it is proper to mention and event of those times not improbably connected with its neighbourhood. For so much we consider the reputed fact that Paulinus, the first missionary from Rome, who preached Christianity to the Saxons of Notts., lived and laboured at Southwell. Our holy religion had been brought into the South of England by Augustine 20 or 30 years before, but for its reintroduction into these parts we have to thank Ethelburga, daughter of the King of Kent, and consort of the unfortunate Edwin, though married to a heathern she held fast by her faith, and her influence a Queen, strengthened by that of her Chaplin Paulinus, so led to overthrow of heathern worship in Northumbria.

-----

The church dedicated to All Saints, was a small Norman fabric originally, built in the tenth century. But in the year 1864 and 1865 it was rebuilt, embracing the whole fabric, with the exception of the Tower, the early English doorway, and some of the windows were retained. At a cost of £2,000 from the plans of Mr. G.F.Boddy, and the 5 bells were recast by Messrs Taylor of Loughborough, the church which is of stone now consists of chancel, with organ chambers, serving also as a vestery, nave aisles, South porch and a embattled tower, with eight pinnacles, the nave is separated from the aisles by arcades of three arches on either sides, supported on the north by octagonal and on the south by cylindrical piers.

The chancel organ was built by Messrs Bevington, and was presented by Col. James Thorpe J.P. (High Sheriff of Nottinghamshire) 1872, as a thank offering for the recovery of H.R.H. the Prince of Wales from a grievous sickness.

The stained glass window were executed by Messrs Morris & Faulkner, of Hoborn, London,. The churchyard was enlarged, and planted with ornamental shrubs in 1866 by Col. Thorpe.

The South Aisle is in the decorated style, and the stone seat at the bases of its pillars are well worthy of notice, the grand old font too is worthy of notice.

The Communion table stalls, Sedalia, and reredos are of oak the latter carved coloured and gilt, the seats are all of oak.

In 1890 a beautiful oak screen was erected from a design by Mr G.F. Boddy A.R.A., F.S.A. architect of London, at the sole cost of the late Col. Thorpe J.P. and the whole of the church wainscoted in oak; there are several stained glass windows, one of which in the South Aisle was placed to the memory of Mrs Thorpe the benches are all of oak and will seat 200.

Thornton in his history of Notts. Coddington appears to be a larger village than Barnby, here is a chapel dedicated to All Saints, of little note, it has a tower with 3 bells .It is served by Rev. Thomas Wakefield, and with Syerston is attached to Stoke.

The register is in good condition and dates from the year 1701. (*Thornton H. of Notts 1798*).

When in the fourth and last siege of Newark, we find a camp of Scots stationed at Coddington (Col. Thos. Graies) quarters, from the formation of the ground on the right (facing Mr Booth's house) in Balderton Lane, there we find the trenches also a moat and there is or was a well this is the place without doubt where the camp was situated, it is high ground and commands a capital view of Newark. There was a camp at Winthorpe and one at Balderton, Coddington being midway between the two and an easy distance for communication. Sometime ago the late Col. Thorpe told me he had a cannon ball that had been dug up in the parish, and I have a lead siege bullet which I dug up in my garden and no doubt made from lead taken from a church (it was a common thing in such times to rob churches of their lead) to be made into bullets which were of a tube shape, and plate belonging to devoted cavaliers and sent to Newark Castle to be coined for the Kings use, hence the name siege pieces or siege coins – six pence, nine pence, one shilling, and half a crown, were the value of the coins and of a diamond shape – one side a crown and the other side” OBS Newark 1646 (the value in Roman numerals). C xxx R

A Roman camp occupied the sight of Beacon Hill (Bacon Hill in vulgar speech) many ancient spearheads and other antiquities have been found there. (Antiquary Nov. 1880) Brailsford. Beacon Hill was so distinguished a hundred years before it became a place of observation and a post of strength; the hill was lowered in 1827.

---

In the year 1644 March 21<sup>st</sup> History tells us Prince Rupert coming from Coddington – wards charged our wing with fury and obtained a victory over the rebels.

The National School which is a stone building and was erected in the year 1846 and enlarged in 1866 and will accommodate about 100 children it did receive from the Trustees of Birches (Charity) £70 for the keep; but now discontinued. It is now under the County Council Education of Notts. since July 1904.

Mr J.C.Hunt is head master and has held the post for many years. The first managers under the County Council were elected: -  
The Rev. Smith vicar Colonel James Thorpe Mr G. A. Ross  
Mr Godfrey Tallents Mr H. Morgan cc member  
The site for the school was given to build a Church School by Mr J. Thorpe of Newark and the Vicar of Stoke & Elston.

The trees planted on the Green about the year 1873 by Colonel James Thorpe.

The Farm House on the Green then occupied by a Jollands, stack yard, fires 1815 and 1827 was put out by the inhabitants with a double row of buckets of water taken from the pond on the Green; situated I understand near the stone house which stands by its self. History of Tinder Box Hall

All these notes were written in ink by Godfrey Tallents but unfortunately not dated. They are written on back of the following papers: -

## CODDINGTON SHORT MAT BOWLS CLUB

You may have known the club as the Over 55s Club but the preferred activity of short mat bowls led to the change of name. The members of the club enjoy socializing through playing bowls. Half time tea break is always popular. There is the added bonus of a little exercise too!

New members are always welcome. There is no age limit and we all play according to our own ability. There is always someone on hand to offer advice if required. Everyone plays at a level they are comfortable with. There is no charge for the first session for new players. Come and have a go.

Bowls sessions take place on Fridays from 2.00pm till 4.00pm

If you decide to continue playing the charge is £2.00 per session with an annual membership of £5.00.

## CODDINGTON PARISH COUNCIL Allotment Committee

During the year allotments may become available. We are very keen that the allotments are fully used so any vacancy will be advertised. Applications should then be made in writing to the Parish Clerk. If there are more applicants than allotments then names will go on a waiting list. Preference will be given to local residents without reference to the date of application.

The following criteria will be used when allocating allotments.

First, for residents within the village who have no other holdings,

Second, for residents within the village who have holdings.

Third, for non -residents.

The clerk will then notify successful applicants. They will then be inducted to their allotment.

Allotments are an excellent amenity and should be valued greatly. We expect the allotments to be worked and kept in good order.

Committee members can be contacted through the Parish clerk or from details in the Coddington Village News
