CODDINGTON PARISH COUNCIL - CHAIRMAN'S REPORT

I thought it might be useful to start with an update on the long awaited road resurfacing at Main Street and Balderton Lane, originally scheduled to take place in April and May. The dates have been changed to July/August this year, to enable the programme be completed without the normal traffic disruptions that occur during the School's term-time. Staying with roads, Interactive Road Signs are to be installed: 2 will be on the C208, close to the Community Centre and about 100 meters east of the Plough junction, with the third on Balderton Lane just inbound from Pages' Wood. Siting investigations and local consultations must take place, but we are now getting there!

Once again, the village has been entered for the Best Kept Village competition; judging will take place in June. One aspect everyone can help with is to prevent the littering of our paths, roads and open spaces. This has been getting bad again and our village handyman, Bruce Richmond can only do so much. Through traffic aside, we all have a part to play in keeping our village tidy; please use the bins – or your pockets – and encourage others to do the same. Continuing with anti-social behaviour, dog fouling is the subject of increasing complaints. Dog owners have a legal responsibility to clean up, and to dispose of “doggy bags” properly in the bins provided, or at home. Please do so, if you don't already.

Our Village Improvements Scheme projects continue and you may have seen the start to a new front wall section at the Scout Hall. We do need fresh ideas so come along to our next meeting at the **Scout Hall at 7.45pm on Monday 24 June**, when we shall start to consider a 5-year plan for village improvements.

Finally, County Councillor Vincent Dobson retired on 2 May 2013, after 24 years exemplary service on behalf of Coddington, as our county councillor. We are deeply grateful for his outstanding commitment and endeavour on behalf of our village.

Bob O'Donnell (Chairman)

ON THE BEAT WITH PCSO MIKE MUNRO

Cycle Theft and Security

As in any other part of the country, Newark and its surrounding Villages suffer from bicycle theft - both from street locations and from houses and out-buildings.

As a force we work hard with agencies and the public to reduce bicycle crime and to promote security.

The main area of concern is how users either leave cycles unlocked or use inadequate locks. The cycles are also left in inappropriate areas such as unlit streets, out of sight, around the corners of buildings or simply dumped on a pavement. These are all places criminals look for and know about.

Basic advice

The Home Office has issued the following advice to help protect your bicycle:

- When buying a bike, budget for security.
- Take out insurance, either by extending your home contents insurance or through a separate policy. Cycling organisations and bike shops may offer specialist cover. Do this at the time of purchasing the bike; otherwise you may not get around to it.
- Record and register your bike.
 - Register your bicycle model, make and frame number. This assists the police in returning recovered bikes to their rightful owners. Contact your local police station for further advice.
 - Take a clear, colour photograph of your bike and make a written record of its description, including any unique features, so that you can report it accurately if stolen.
- Security mark the bicycle. A number of proprietary marking and tagging systems are available. To be effective a security marking must:
 - be clearly visible - advertise that the bike is security marked or tagged. For example, attaching a clearly visible label is a simple option.
 - be secure - for example, by using a tamper-resistant label, etching, etc, or an inaccessible electronic device.

- be placed in at least two separate locations, preferably on or in the frame. At least one of these locations should not be clearly visible.

- give clear information via the visible mark (label, etching, etc) that will quickly allow police to identify the method of security marking or tagging (and where applicable the registration company), and through this identify the owner.

- Crime Prevention Officers or security marking companies can advise if you are not sure what information to include.

Cold Calling

Rogue Trading concerns incidents where consumers have been 'cold called'. It refers to the practice of deliberately overcharging for unsatisfactory goods and/or services.

This includes charging for unnecessary work, damaging property deliberately in order to obtain money, leaving work unfinished and intimidating behavior in order to extort money.

It is known that some offenders travel large distances to commit crime and sometimes the teams exchange information with distraction burglars.

Clearly, not all businesses are rogue traders and not all cold callers are distraction burglars.

If you undertake some work offered by cold callers, ensure you have their business name, address and a valid phone number. Ensure all information provided is legible.

Our best advice is, if you're not sure, DON'T open the door!

Please if you think a bogus caller has called at your door or you have seen something suspicious; report it to the police immediately

Dial 101

If you believe you have a bogus caller at your home or you see a crime taking place

Dial 999

Tell the police what has happened. The earlier the police know that bogus callers are working in the area or that a crime is being committed, the quicker they can respond.

If you do need any Crime Reduction advice please contact your Local Safer Neighbourhood Police Team at Newark Police Station

ALL SAINTS' CHURCH CODDINGTON

ALL SAINTS' CHURCH

The Revd David writes....

As I write we are at the start of Christian Aid week. Since 1957 this week in May has been the focus for a mass campaign to raise money for relief of those who live in poverty around the world. Over the years millions of the familiar red collection envelopes have landed on the door mats of homes up and down the country.

But over the years the focus of Christian Aid has changed from not just raising money for immediate relief, it has moved into supporting communities seeking to raise themselves out of poverty. And it has also moved into campaigning for action to change rules and practices that keep people in poverty.

This year Christian Aid is part of a coalition of Relief Agencies behind the IF campaign. In June this year David Cameron will host the leaders of the other G8 countries when they meet in Northern Ireland. The IF Campaign wants to challenge them to address the problem that 1 in 8 of the worlds population go hungry while there is enough food for everyone.

There are four areas the Campaign urges the G8 to address, Aid, Land, Tax and Transparency. To find out more visit the website **enoughfoodif.org**

Church Roof Project

Thanks to all who have offered help with the Roof Repair Project. Thanks goes to the Ro-An Music Academy who put on a concert in Church in February raising over £200 towards the the Project. If anyone else would like to organise an event to help raise money towards the Project then please contact Sheila Bache or Barbara Horton. Meanwhile the work is progressing. We have appointed our Main Professional Advisor (Architect) and we are due to have the church roof opened up in June to assess the full extent of work that needs doing.

Mothering Sunday & Easter

On 10 March we celebrated Mothering Sunday once again with the help of Coddington School Choir, marking 100 years since Constance Penswick-Smith had the inspiration to start the campaign to reinvigorated the custom. Mums all received a primula plant and there was a piece of Simnel cake for them as well. Thanks to all who made the day a success.

We had a lovely Easter Activities afternoon on Good Friday at the Village Hall with children from the village getting involved in various craft and other activities including making an Easter Banner and Resurrection Cross. Thanks to all who planned and organised the activities and helped with refreshments. On Good Friday evening we held a meditative Reflections on the Cross service and on Easter Day Afternoon a Songs of Praise which was well attended.

Children's Society Collections

A big thank you goes out to Peggy Harwood and her team of helpers and regular givers who have been collecting for this important charity that helps vulnerable children and their carers. Over March and April there has been the annual collecting in of boxes that regular givers use, as well as a door to door collection around the village. The boxes raised £503 and the door to door collecting £167. Well Done!

Thanks

To all who have helped organise and to those who have supported the various fundraising events there have been over the last quarter

All Saints Church Coddington will be holding a craft market on Saturday 14th September from 10.00 am to 4.00 pm.

Local Crafts are invited to rent a table for £10. Contact Barbara Horton or Sheila Bache for more information and book a place.

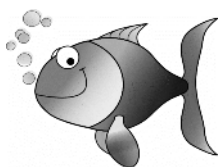

CODDINGTON BEST KEPT VILLAGE

Coddington has one again entered the Best Kept Village Competition and the first round of judging takes place between Monday 3rd June and Friday 21st June 2013.

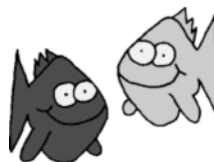

If we are successful 2nd round of judging will take place between Monday 1st July and Friday 19th July

Extract from CPRE letter to Coddington PC

The NOTTINGHAMSHIRE CPRE BEST KEPT VILLAGE COMPETITION recognises the level of community involvement and the care for the natural and built environment, which turns a settlement into a living village. It must be emphasised that judges are looking for evidence of general community involvement such as up-to-date notices of local events, footpath maps and signs of care for the village by those who live there. Newly dropped pieces of litter will not lose as many points as will old pieces of disintegrating paper and cans etc. Judges are aware of problems created by through traffic and these are taken into consideration when marking. EVERY village has a chance of winning a prize.

Coddington Primary School

It has been a busy year so far at school. You may have seen that there are some refurbishment works happening at the moment, as we are having a new fire alarm system throughout school. We are also going to have a drainage system installed on our field, so that we will be able to get more use from it, especially after wet weather. Along with various other improvements, we should have quite a make-over completed by September.

The children have been busy fund-raising for a number of causes. The Great Coddington Bake-off was a huge success on Red Nose Day. We sold nearly 1,300 cakes! Many of these events are organised entirely by the children themselves. At the moment they are planning a charity dog show in aid of 'Halfway Home' at Collingham, which will take place in the autumn (dates to follow).

The sports teams have been very active in the area representing the school in cross country, football, rugby, rounders, netball and boccia. We have put on 2 theatre productions and had a whole variety of themed days. It was quite exciting when we had Romans and Pirates in school on the same day! The music groups have also been out and about. They can be heard next in Newark Parish Church on Sunday, 16th June at 11.15am and then at the Salvation Army headquarters in Balderton on Saturday, 29th June at 10.45am.

Later this term, the year 5 and 6 pupils will be going on their residential trips. Y5 are going to Castleton in Derbyshire and Y6 will visit Whitby. These experiences really give the children the opportunity to be independent and try some new experiences and I particularly like visiting them all for the day.

We publish a monthly newsletter and a half-termly news round-up which are available on our website: www.coddingtoncofeprimary.com we also have copies available in our foyer should you like to collect one. I'm off to the Palace Theatre tonight to see some of our pupils graduate from the 'Children's University' which is set to be very exciting. As you can gather, it's a very busy, rewarding life at Coddington Primary School and a real privilege to lead the superb team here.

CODDINGTON W I

Coddington Women's Institute held its AGM in February, when a new president, Mrs Christine Carr was elected. Several committee members remained but Christine Eagger and Pauline Cannon joined for the new year. Our treasurer presented the financial statement and reported that 6 members resigned over the year and 4 new members joined, giving a total membership of 57.

We held our 79th birthday party in March. This was attended by 48 members and 9 guests. Marilyn Membery and her team of helpers cooked, supervised and served the meal. Marilyn also made the birthday cake, which was iced by Jill Parker. Pat Hemingway entertained us with her own poems about the 1950s and growing old. Marilyn Harrison was presented with a rose bowl and plant for gaining the most points in the in-house monthly competition. The draw for our Denman bursary was won by Sonia Singleton and Wendy Parrett.

Christine Eagger has taken over the monthly discussion group, which meet at 2pm on the 4th Tuesday of each month in the village hall. They have discussed 'Things disliked about Newark' and several members complained about the change to the route of the Coddington bus service. They plan to discuss 'What makes me happy' and to invite Mr Stewart Townsend to discuss 'Straight Jackets, Lobotomies and Shock' in future meetings.

Our members went to see The Newark Amateur Operatic Society's production of Annie and our events secretary, Glen Sheppard, is busy arranging a trip to Toilethorpe to see 'A Midsummer Night's Dream'. Glen has arranged outings to support the Robin Hood Theatre productions and we are planning a visit to the Inn on the Green's curry night in the summer.

At the moment we have a small group preparing our entry for the WI competition at the Nottinghamshire County Show. This year we are depicting Eastenders in a collage, a craft item and a cake decoration. We have never won the competition, but we usually do quite well and we have a lot of fun getting our entry together. As well as events arranged by our institute we can join in on those organised by our county federation. We have members sampling Nordic walking, golf and kurling. Future county events include a Hollywood Cabaret Night, a computer basics course, making mosaics and many more.

If you are interested in joining our WI come along to one of our meetings held on the 2nd Tuesday of every month in the Coronation Hall starting at 7:30. You can come as a visitor to see if you like us, before making a decision.

**COMMUNITY FIRST RESPONDERS SCHEME
VOLUNTEERS NEEDED**

The Parish Council is preparing the ground work for a possible Community First Responders Scheme in Coddington. The project will require funding for equipment and this aspect is being explored at present. The scheme will only be viable, however, if there are sufficient trained responders to man it. The Council is therefore seeking volunteers to form a Community First Responders group. First Responders are volunteer members of the community who are trained to respond to emergency calls through the 999 system in conjunction with the Ambulance Service. Responders provide immediate care to patients in their local areas where distance may delay the prompt arrival of an ambulance. They are trained to deliver Basic Life Support and defibrillation to patients in Cardiac Arrest, and appropriate assistance, including oxygen administration, to patients suffering from a range of conditions.

Volunteers will be fully trained by the East Midlands Ambulance Service and the group will be equipped with a defibrillator, oxygen masks and other equipment. We are seeking those aged 18 and over, who are in reasonably good health, want to learn life-saving skills and have a full, clean driving licence. Anyone able to give up some free time can volunteer.

A good, very helpful, article "What are First Responders?" can be found at:
www.communityfirstresponders.org.uk

DOG FOULING

While walking around the village, it is noticeable that there are still some irresponsible dog walkers who do not clean up after their dogs have fouled the pavements or grass verges

If caught this can lead to a hefty fine (Up to £1000 if taken to court or a £50 on the spot ticket) More dog owners are now letting their dogs loose on the green at Thorpe Oaks, **If your dog fouls the ground whilst off the lead it is your responsibility to clear it up. Not seeing your dog fouling is not an excuse I have been informed that there have been instances of dog fouling in the Church Yard and around Well Green, There has been a noticeable increase of dog fouling during the hours of darkness on Newark Rd. It has also been reported of dog fouling outside of the shop** The Parish Council would like to

make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the Police. Dog mess if bagged can be put into the litter bins as well as the red dog waste bins

CODDINGTON PARISH COUNCIL

THE EMERGENCY PLAN

Nottinghamshire County Council has requested that Parish Councils should compile a Community Emergency Plan.

This plan helps the community prepare for an emergency and minimize any impact. Sometimes the initial response may have to rely on local people.

The CEP(Community Emergency Plan) is confidential and stored in a secure location. It covers resources and skills in the community, temporary places of safety and supporting organisations contact details.

However, help is needed to ensure that the community is kept informed during and after an event. It is suggested that a cascade system is used with named people taking responsibility for notifying others, who in turn notify further members of the community.

Five initial volunteers are needed, who would then contact five other people.

If you feel you can help please contact your name with the chairman Cllr. Mr. R. O'Donnell

Thank you for your help.

FENCES, GATES AND GARDEN WALLS

Villagers frequently pose queries on these matters. The information on these subjects is too long to print here, but general guidance can be found on the internet at:

http://www.planningportal.gov.uk/permission/commonprojects/fence_swallsgates/.

If you have specific queries, Planning Services at Newark and Sherwood District Council (01636 650000) will give guidance. If your question or concerns relate to Tree Preservation Orders, you should ask to speak to the Enforcement staff who may be contacted on the same number.

CODDINGTON FOOTPATH NEWS

If you fancy a good long walk then follow footpath 2 from Coddington to Barnby, this is now clear, if you walk through Barnby to the back of the Church you can pick up footpath 7 that is now open and it will bring you out near the A 1 bridge on Balderton Lane, and with care you can walk Balderton Lane back to Coddington.

Footpath around Coddington are displayed on the notice board near the Community Centre and the Barnby to Coddington footpath is on the notice board next to it.

A new footpath diversion enabling you to walk from Newark road to Drove Lane free of traffic has now been approved and will be implemented in the next few weeks when work has been completed to enable it to be walked in safety

If whilst walking any footpaths in Coddington you find any path obstructed please inform Wendy on 01636 672687

CODDINGTON COMMUNITY ASSOCIATION

Coddington Community Centre continues to be well used, both by Coddington villagers and people from outside the village. There are 30 regular users this year, compared to 18 in 2011 and 24 in 2012. There has also been a welcome rise in weekend bookings, especially in children's parties, when the Centre is less heavily used. We are pleased that the School have also decided to use the Community Centre later in the year, during the planned refurbishment of school buildings.

At the moment we don't have enough storage on-site for all our regular users, and so the Trustees are looking at the cost of providing more space, and the charges which should be made for all storage. We will also be checking that all spaces used for storage are appropriate, and do not inconvenience other users.

Community Centre finances remain very tight, so that hire charges and operating costs are currently under review by the Trustees. Excluding maintenance costs the Centre is currently eating into its small reserve by over £2500 per year, a situation which cannot be allowed to continue. Trustees are looking at fund raising events and activities through various sub committees:

- A fund raising committee – looking at events such as Village Ventures (in liaison with the Village Hall), a barn dance, a music hall, a dining club, quiz nights, and a jigsaw club. Any other fund raising ideas would be greatly welcomed.
- A finance and general purposes committee – to seek ways of reducing the annual losses at the Centre, which have continued for several years running. The Community Centre is currently seeking a voluntary treasurer to help with the accounts.
- A liaison committee – works jointly with the Chair and ViceChair of the Parish Council to ensure good cooperation between the two organisations for the benefit of the Centre and the residents of the village. The Parish Council are the Community Centre's landlord, so good cooperation is important for smooth operation of the lease and other topics of mutual interest.

Trustee meetings are held every two months. Suggestions and comments from the public, users of the Centre etc. are very welcome, and can be emailed to centrechair@coddington.org.uk . If you are interested in making a booking at Coddington Community Centre, would like to view the facilities, or need further details please contact Angela on 07985 386638 or via e-mail centre@coddington.org.uk

The Community Centre makes active use of the village website, particularly the “What’s On” section where you can easily check for events at both the Community Centre and the Village Hall:

<http://village.coddington.org.uk/index.php/manage-events/>

If you would like your group to be represented on the village website, with hosting costs paid for by the Parish Council, please email village@coddington.org.uk so we can discuss what you want and organise some brief training for you.

Jigsaw Fans of Coddington

Perhaps, like me, you remember how relaxing it can be to spend an evening doing a jigsaw puzzle, especially with friends. The Community Centre is planning to hold a jigsaw evening this autumn, for adults and older children. A range of suitable jigsaws will be provided for the evening, including both new and vintage wooden puzzles. If there is enough interest it could turn into a regular event, or even a club, so rummage through your cupboards, turn out those pieces and get in training!

CODDINGTON PARISH COUNCIL

Allotment Committee

During the year allotments may become available. We are very keen that the allotments are fully used so any vacancy will be advertised. Applications should then be made in writing to the Parish Clerk. If there are more applicants than allotments then names will go on a waiting list. Preference will be given to local residents without reference to the date of application.

The following criteria will be used when allocating allotments.

First, for residents within the village who have no other holdings,

Second, for residents within the village who have holdings.

Third, for non-residents.

The clerk will then notify successful applicants. They will then be inducted to their allotment.

Allotments are an excellent amenity and should be valued greatly. We expect the allotments to be worked and kept in good order.

Committee members can be contacted through the Parish clerk or from details in the Coddington Village News

CODDINGTON LORRY WATCH

How It Works?

- * Local observers note details of vehicles that may be misusing the route
- * Details are then handed to the parish co-ordinator for administration or can be sent direct through to Trading Standards online using Nottinghamshire County Council website which has a dedicated Lorry Watch section. <http://www.nottinghamshire.gov.uk/home/business-economy/tradingstandards/lorrywatch.htm>

- * Trading Standards enforce the weight restriction on behalf of Highways.

- * Trading Standards will then use the information as intelligence and coordinate our future Enforcement action accordingly.

Exemptions

Some vehicles are permitted to use weight-restricted routes and these may include:

- * Vehicles loading or unloading within the restricted area

- * Emergency vehicles

- * Vehicles in the service of the local authority in pursuance of its statutory powers or duties in connection with premises along the restricted route

- * Building and industrial demolition operations

- Public utility services along the route

OUR NOTTINGHAMSHIRE

www.ournottinghamshire.org.uk

“Our Nottinghamshire” is a website that is all about Nottinghamshire and all about you!

You can read about Nottinghamshire history AND upload and share your own local history photos or articles for FREE!

‘OurNottinghamshire’ is for anyone who has something to say about the history of Nottinghamshire.

You can upload text and photos on any aspect of Nottinghamshire history, and right now we would love to receive information about your part of Nottinghamshire. Can you help?

It is very easy to use! Full instructions are to be found on the website – on how to register and how to go about submitting an article that you think might be of interest to others.

Not only articles. Events can be promoted as well. So if your group is holding a meeting of historical interest, then advertise it – for free!

All articles are mediated before appearing on the site, and all email addresses are confidential, so there is no need to worry about being bombarded with spam!

Just take a look, and see what is there. You may see an article that you would like to comment upon, or answer a question in the ‘mystery photograph’ section.

This can be done quite easily. At the moment, with the 100th anniversary of the First World War coming up in 2014 there are a number of articles about Nottinghamshire chaps that served, and whose lives were sadly lost. Do you have such a story?

Have you published a book on any topic of history in your part of Nottinghamshire? Then advertise it here under ‘Books to Buy’.

The more articles that are published, the more interesting the site becomes. So if you have a story to tell (preferably with a picture!) – have a go. Visit www.ournottinghamshire.org.uk

Need help adding your article or photos? Then contact Tim Warner (Local Studies Librarian, Newark Library - Tel. 0792 008 8982) or Jill Campbell (email: jill.campbell@ic24.net). If there are enough people interested, we can set up a session at the Newark Library.

story?

Find your soldier with Newark Military Research

Hello, I am a neighbour of yours in the Coddington Parish. I am offering a service to research the records for those that served in the First World War. I research all British Regiments and my specialism is the men of the Regiments of Nottinghamshire and Lincolnshire.

With the 100th Anniversary of the start of the First World War approaching in 2014, I would like to help you research and share with you the story of your soldier.

There will be a discount for 'early bird' neighbours!

Village Hall News

The music evening in April went really well with a return visit from the Churchfitters who came all the way from Brittany to entertain a full house of villagers and a fair number of their visiting fans from around the area. A well patronised raffle added to the proceeds which raising £450 which was put to good use in paying for the electrical inspection and fixing the minor faults that came to light. The September newsletter will publicise the next “season” of entertainment – we have again put a bid in for 3 shows and if there availability the church will also be having one to raise much needed funds for their roof repairs. The ballet barre that we purchased for use by our dance classes has been well received and the new name board outside much admired! Our regular monthly maintenance mornings (first Monday of the month) have continued to clear many minor jobs including repairs to the sewer manhole which had decided to partially collapse! We are still investigating the best method to provide much-needed insulation for the halls where possible and expect to have achieved it before the worst of the winter – grant availability permitting. At the Annual Parish Meeting we were pleased to present last year’s accounts which showed a healthy surplus of over £800 which we will be able to use for improvements – watch this space! We were especially pleased to find that for the first time in ages the booking income has covered the general outgoings

CODDINGTON HISTORY GROUP NEWS

By the time you read this our season of speakers will have ended, I think they have all been enjoyed and we look forward to them restarting in September with Steven Gay speaking about 'Railways in a Yorkshire Landscape' an illustrated talk about the Settle and Carlisle Railway and the Hull and Doncaster Railway. I am assured this talk is by a retired railwayman and is for all, not just railway buffs!

In partnership with Notts CC archaeologists we have been recording the monumental inscriptions in the church graveyard. A big "THANKS" to all those who helped whether it was lots of times or just the once – you all helped us get through the inclement weather!

We now have a draft copy of a plan of the churchyard with all 453 graves marked on it, almost all with headstones but there are a few anonymous ones without in the "new" section that we would like to identify – can anyone help?

We have discovered much of interest in our efforts, some sad stories and some not - the archaeologist assured me that we have an unusual number of graves of over 90 year olds with at least two over 100. It's not necessarily a modern phenomenon either as I managed to decipher one for Mary Winterburn who died in 1799 at the good age of 90 – I wish her headstone had survived in better condition as it was very challenging! We realised that the quality and direction of sunlight made an immense difference to the legibility of difficult graves and some previously unreadable ones became readable in the late morning on a sunny day. The earliest dates are at least the 1750s – but most not easily readable and the best ones to read are granite or slate. We should have a good display of our efforts at our open day on Saturday Sept. 14th.

Brownies

1st Coddington Brownies (Girlguiding for age 7-10 years)

We started the term by completing the Crime Prevention badge and would like to thank police officer and parent Andy Garner for his wonderful talk on stranger danger and preventing burglary. The girls really enjoyed presenting their plays which showed how to stay safe in a range of situations. On this special evening Andy's daughter Amy took her promise along with Harriet and Bryony.

If you would like your daughter to become a member of 1st Coddington Brownies you can no longer do this directly through a leader. Please go to www.girlguiding.org.uk and follow the links through JOIN US which will allow you to safely put in your child's details and choose a pack you would like her to join.

1ST Coddington Brownies has a long waiting list and although it is hoped long term a second pack may open I would advise that you put your daughter on the waiting list as early as possible. If you would be interested in helping run a second pack please email lbunkle@yahoo.co.uk

1ST CODDINGTON SCOUT GROUP

Group Update

This year we are celebrating 75 years of Scouting in Coddington. The Scout Troop was founded in 1938 by Bishop Cyril Bulley. The troop faded in 1942 and was reformed in 1946 by Ken Maltby. The group was officially registered with the Scout Association in 20th July 1950. To celebrate this milestone we are having a Group Camp at Walesby at the end of May – beginning of June. The whole group will be there taking part in a lot of activities and having fun. The Beavers will be staying in one of the lodges while the Cubs and Scouts will be under canvas.

Over the next few months our Beavers will be having a go at some basic camp cooking, and then working on the Faith Badge and Faith Partnership badge. There will be a trip to Cromwell church where the beavers will do some brass rubbing. During the summer term the Beavers will be going Canoeing.

Over the last 4 months Cubs have designed, built and decorated models to achieve their Artist Activity and Creative Challenge badges. This was followed by their home safety activity badge. We are currently working on our Global and Fitness challenge badges.

An activity day with Beavers is planned in July at the international Lincolnshire Poacher camp. They will not only be taking part in different activities but they will be meeting Cubs and Scouts from all over the world.

The Scouts will be replanting the allotment, a great success last year, visiting a scooter park and for this years 'Do 1 Thing' we will be tidying up Pages Wood.

The group has a two night camp planned at Walesby Scout Camp towards the end of May. The Beavers, Cubs and Scouts will be camping together and taking part in many activities such as abseiling, Canoeing, archery and team building. We are hoping for a visit from one of our County team

I am pleased to be able to say that the Scout Group is thriving and has reached its maximum for the number of adults we have helping. We do have some scope to increase our numbers but to do this we will need more leaders to run new sections. If you are interested please get in touch.

Fund Raising

Quiz Night

Keep an eye out for the posters and emails, we are planning another Quiz Night on 13th July. Amanda is planning a cold buffet similar to last year.

Please be aware that the licence we get for the bar does not allow for people to bring their own drinks. Our bar is not expensive and all proceeds go to the Scout Group.

Rag Bag

At 1st Coddington Scouts we collect textiles to raise funds, the old clothes etc are redistributed to the needy if possible, otherwise they are sent to be made into industrial rags. Basically anything you would put into one of the many plastic bags that come through your door, we collect. We are paid 50 per kilo which goes directly into group funds. If you have anything for us and cannot get out, give myself or Amanda a call and we will be happy collect it from you.

200 Club.

The Group has a 200 club lottery which can be joined for £10 per year. For this you will be assigned a number which is entered into a monthly draw. The prizes are 1st = £15, 2nd = £10, 3rd = £5.

The money raised is put into the group to help with the building maintenance.

If you would like to join our 200 Club please complete the slip below and return it to Amanda at 28 Stirling Drive, Coddington, NG24 2TB.

You can have more than one number.

Hand written notes by Godfrey Tallents

Robert Browns Charity

Robert Brown Esq. by will Sept. 4th 1532 left in Codynton, a cottage and garden, situated on what is called the Green, and four closes situated in what as Drove Lane, containing in all 15A.33p now invested in the Corporation of Newark, the Land has been let to the late Col. Thorpe Esq for many years.

1738 by an order from the Court of Chansery I find some land and houses had been sold and it also mentioned in Coddington a Cottage, homestead and Croft Rental £8 .0. 0. The Sand pit close Rental £6 .0. 0 was not sold.

From Henry & John Hages, report of the Charity Commissioners report of Charity Jan 31st 1829

P.s. The Cottage on the Green is now pulled down and the land is used as a garden, rented to the late Col. Thorpe, now occupied by Robert Bryan.

Bell's Charity

The parliamentary returns of 1786 states that – Bell by will (the date of which is not stated), gave to the poor of the parish £2 per annum, vested in his overseers.

The sum of 40 shillings (supposed to be interest of the charity thus recorded) is paid to the trustees of Birche's Charity, by Thomas Fisher Esq. the proprietor of a farm, called Beaconfield, in the parish of Coddington, and carried to the same account with rents of that charity. It forms part of the fund distributed on the Tuesday before Easter.

From the commissioners report of charities Jan. 31. 1829

Ordoyno's Charity

Jacob Ordoyno, Esq. by his will, bearing date 1st June 1809, gave to the Minister and churchwardens of Coddington the sum of £20 to be by them placed out at interest, either in Public funds or such personal security as they in their discretion should approve; and he directed them to apply the interest arising there from to the use of such of the poor of Coddington as they should think fit, by four equal quarterly payments.

This legacy remains in the hands of Garret Ordoyno, Esq. the executor of Jacob Ordoyno's will, and has been ministers churchwarden for the last 30 years. He has allowed 20 shillings yearly, as interest of it, which has been distributed either in money or coals, among poor persons of the parish, appointed by himself and the churchwardens at Christmas.

From commissioners report 1829 Jan 31st.

Ordoyno's Charity

£20 invested in the Post Office savings bank in the name of the vicar and churchwardens the income of which is 10/- per year. To be given away on Xmas day by the Vicar to ten poor widows, if not ten poor widows, to the other poor people deserving men or women.

In the South Isle we find there tablet placed over three tombs in the memory of the Ordoyno family the first to the memory of the wife of Garret Ordoyno 1841 aged 62. The next is to the memory of their daughter Jane died 1848 aged 31 years, and the other one to Garret Ordoyno 1855 age 85. Garret Ordoyno owned the farm now in

occupation of Mr Picksley and Ordoyno house and farm buildings stood on the same ground now known as Coddington House.

The late Col. James Thorpe J.P. & C.C. bought the farm and wood and adjoining (which is known as Ordoyno Wood, also the house and farm buildings from the Ordoyno family. The house and farm buildings were pulled down, and the late Col. built a new house (known as Coddington House) looking over a nice Park with nice gardens attached, now in the occupation of Godfrey Tallents Esq. Town Clerk of Newark. At our time the Ordoyno family were well known and well to do family, the name is now about extinct. I find a book called (Flora Nottinghamiensis) plants grown naturally in the County of Notts. By Thomas Ordoyno, Newark 1807 Thomas Ordoyno was a son of Garret Ordoyno. And another son was called Garret Ordoyno. I find there was a Jacob Ordoyno twice churchwarden at Newark church 1791 & 2.

A neat Monument

*Sacred to the memory of
Garret Ordoyno*

Who departed this life, Nov. 29th 1795, aged 72 years

Also of Jacob Ordoyno

Who died a Bachelor

June 9th 1812, in his 78th year.

*This monument was, erected as a tribute, of gratitude, by Garrett Ordoyno,
Of Coddington, Son and Nephew of the above.*

There is one son now living at Newark age over 80, born at Coddington. After the land was sold, this son Garrett Ordoyno bought Regent Street. 18 houses from Mr. Shaw and he occupied the middle house himself in the year 1892 they were advertised for sale and H. Morgan bought them. Ordoyno could not keep them any longer he came down from bad to worse a complete wreck.

Guides

1st Coddington Guides

Meeting: Term time on Wednesday's from 7:30 till 9:00pm

Age group: 10-14 yrs

In February the unit joined with 1st Farndon Guides and stayed at Elton's Magpie's Nest. The girls learnt how to make bread, pyrography (drawing on wood by using a specialist tool) and went out in the woods to complete a team challenge. Two of our older Guides, Grace and Sophie, attended the same place a week later on their Baden Powell Challenge Adventure. They joined older Guides from other unit across the county to take part in various challenges. They are nearly at the end of their Baden Powell and Guiding adventure!

The girls have been busy working on their Go For Its and badges over the last few weeks. Some have made popcorn, had chocolate dips, made a variety of musical instruments and created some really interesting games and crafts!

A big thank you to all who attended St Georges parade on 21st April, it was a great afternoon celebrating Guiding and Scouting. The girls looked very smart too!

If you wish to add your daughter to our waiting list, you need to do this via the Guiding website:

<https://enquiry.girlguiding.org.uk/>. If you have any other questions with regards to 1st

Coddington Guides, please contact Jodie Smith anytime on josmith29@gmail.com or after 5pm on 07855 872720.

1ST CODDINGTON RAINBOWS.

Rainbows is on a Wednesday night, 5-6pm in term time. The girls are aged 5-7years. The sessions are run by Nicola Rossin.

If you would like to make an enquiry about joining 1st coddington rainbows please go to www.girlguiding.org.uk and click on the tab titled 'parents' it gives you a link to 'join us'. You will be able to put your child's details on this secure website. The details will then be sent to the leader of the pack, who will get back to you if a place is available. Coddington has a big waiting list so it's advisable to put your daughter on the list from a young age of 2years old. If your daughter is older you have also have the option to join other packs in and around Newark of they have a place available first.

We will not be accepting calls on the rainbow phone or our personal phones from now on.

We are desperate for people to become leaders and join in with our fun sessions. We rely heavily on our fantastic parents who do a parent rota. Without this our pack wouldnt be able to survive. If you would like to join our team please send an email to the district commisioner Jody Stevens.

FRIENDS OF CODDINGTON COFE PRIMARY SCHOOL

We are very fortunate to have an active Parents and Teachers Association - we know them as our 'Friends of Coddington School'. Meetings take place at The Inn on the Green, Coddington.

The Friends play an important role in the school community and support many activities/events including

- school discos
- supporting each year group's Christmas Party and Christmas Gift
- organising fundraising activities (e.g. Christmas cards, performance photos, non-uniform days, Christmas Raffle, Easter Bingo and Summer fair - to name but a few).

The money this forum has raised has contributed to

- Football, Cross Country, Basket Ball and Netball Coddington School team kits
- play equipment in the playground areas
- allweather surfacing
- gifts for our children at Christmas
- Sports Day team sashes
- seating & whiteboard for outside classroom
- scrabble boards for the 'Scrabble Club'
- camera, arts & crafts materials.

During 2011 & 2012 the Friends have been fundraising to support a large item. We are delighted to confirm that we are providing the funds (around £7,000) to support the provision of new lighting and audio equipment when our main hall is refurbished during 2013. We are already excited about how this will enhance the experience for all when we share in the school activities of our children.

Summer Fair will be held on Saturday, 22 June 2013 between 2-4 pm.

Whilst there are around 20 active members, this is an open forum for all parents and teachers to attend and additional members would be really welcome. We meet 1-2 times each term. If meetings aren't your thing, then there are always plenty of discos, fayres or parties to help at.

Thank you to all who continue to support the good work of the Friends and the school.

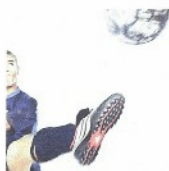

The Friends of Coddington School (PTA)

invite you to our

CODDINGTON TRUST FUND

Previously known as Coddington United Charity

Money and land has been left in the past to be used for the benefit of Coddington residents in need. Local trustees administer this charity, and are always pleased to consider requests, in strictest confidence, for financial help from Coddington residents of any age group.

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements. Parents can apply for help with the cost of school uniforms or outings. Students can apply for a grant towards the cost of textbooks and/or field trips. Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, NG24 1AB or to any Trustee.
