CODDINGTON PARISH COUNCIL - CHAIRMAN'S REPORT

Since March you will have seen our new inter-active road signs now in place, about 100 yards east of The Plough junction on the C208, and at the far end of Balderton Lane. The 3rd such sign will soon be sited on the C208 west of the Community Centre, just before the new 50 mph zone which extends to Beacon Heights. We shall continue, at every opportunity, to press for this 50 mph stretch to be reduced to a 40 mph limit.

As we write, a new consultation phase of the proposed Notts County Council Minerals Plan is about to commence – see their website. We will continue to resist plans for sand and gravel extraction north of the A17 and to the east of Drove Lane and can hold a public meeting – but there are no detailed plans for Coddington yet. You can also give your own views on the latest outline plans, by writing to Notts County Council direct or by visiting their consultation website, by 30 June 2014. We'll keep you advised on our website and notice boards.

The Annual Parish Meeting was held in the Village Hall on Thursday 17 April. There was an excellent presentation by members of the 'Say Yes to Newark Hospital Campaign Group' who explained the group's concerns for the lack of urgent and emergency care in Newark, with the continuing down-grading of Newark Hospital. Sadly, there was just one parishioner there to hear it. Villagers, we really do need steady and solid support for all our village events and causes!

With the centenary of the start of World War One approaching (4 August 1914 was the date of Great Britain's declaration of war) there will be several early events in the village. First, work is progressing to produce a booklet by August 2014, for each village household, commemorating the men of Coddington who fought and died, and those who served and survived, during the conflict. Next, at 6pm on Sunday 3 August 2014, there is to be a Commemorative Service in All Saints' Church, Coddington. Please come and join us; refreshments will be served after the service.

ALL SAINTS' CHURCH

The Revd David writes....

'Good News - Could you help?'

The good news is that English Heritage / Heritage Lottery fund has confirmed a grant of £80,000 towards the repair of the church roof and this means that work will start later this year. We will still need to raise in excess of £50,000 on top of this towards the repairs not only of the roof but low level stone work to the building and the also to rebuild the churchyard wall to the west and north of the churchyard.

As part of the agreement with English Heritage we are required to have the church open for 6 hours on 40 days each year (not including days it is open for worship). To do this we intend to open on each first Saturday of the month and on Wednesdays from 1st April to 30th September. To do this we need to have two stewards in church while it is open. Could you help us with this? Even if you can only offer an hour once a month or even every other month every little helps. If you can offer or would like to know more before committing yourself then please contact either myself or Hugh Daybell (Contact details below). Thank you in anticipation!

Sunday Services

On other matters the trial of a new pattern of Sunday Services is going well and has been well received by many just to remind you the pattern of services is below. On Sunday 29th June which is a 5th Sunday we will be having a Taizé style worship service. The trial runs until the end of August and if Successful we will continue with this pattern after that.

Our Trial Monthly Pattern of Sunday Services

1 st Sunday	9.30am	Holy Communion
2 nd Sunday	6.00pm	Evening Prayer - CW
3 rd Sunday	4.00pm	Family Communion
4 th Sunday	6.00pm	Evening Prayer - BCP
5 th Sunday	6.00pm	Alternative Worship

NB Please check the Church noticeboards for variations to this.

If you have any questions or comment about this then please speak to myself or Church Warden Hugh Daybell (Contact details below).

If you would like prayer or to add a name to our pastoral prayer list, need to talk to someone whether about practical, emotional or spiritual issues or would like to receive Communion at home then please contact the Team Vicar or one of the Church members listed above.

Open Church

The church building will be open on the first Saturdays of the month 10am-4pm and on will now be open Wednesdays from 9am-2pm to the end of September.

Thanks...

to all who helped at and supported the various fundraising events in recent months. The Jumble Sale in March raised around £130 and the recent Coffee Morning & Jewellery Sale around £170 towards church funds and especial thanks to all involved with the Murder Mystery evening which raised over £490 towards the Roof Repair Fund.

Let There Be Light!

We have recently had additional lighting added to the church nave in the form of high level LED spot lights. These have greatly improved the level of light in and people cannot use the excuse for not singing because they can't read the hymn book!

Thanks to all who came to this service and made it a very special occasion. Special thanks to Coddington School Choir who sang so beautifully.

World War One Commemorations

As part of the Commemoration of the 100th Anniversary of the start of the First World War we will be holding a special **Vigil Service on Sunday 3rd August at 6pm**. All are welcome to attend.

Also from the middle of June there will be a display of work by one of the Year 3 classes from Coddington school called '**Leaving, Letters and Loss**' based on a book called One Boys War. This display has been part of any Exhibition at Southwell Minister.

We will also be marking the commemoration at the Remembrance Sunday Service on 9th November.

COMMEMORATION SERVICE FOR THE START OF THE GREAT WAR

There is to be a special service at All Saints' Church Coddington on Sunday 3rd August at 6.00 pm to commemorate the start of the Great War in 1914. All are welcome to attend and it is hoped that this service will be a reminder that men from Coddington village went away to war, and that we should rightly remember the sacrifice that they made.

NEWARK AND SHERWOOD DISTRICT COUNCIL

COMMUNITY GOVERNANCE REVIEW

In accordance with the Local Government and Public Involvement in Health Act 2007, Newark & Sherwood District Council has received a request from Newark Town Council for a Community Governance Review to be undertaken of Newark and the surrounding areas in light of the proposed development on land to the south and east of Newark.

Further details including the timetable and Terms of Reference for the Review are available on the District Council's website at: www.newark-sherwooddc.gov.uk

The review will specifically consider the following:

- (a) the land to the south of Newark which incorporates the proposed development of approximately 3,200 new homes and the possible revision of the Town Council boundary in view of the urban extension;
- (b) the land to the east of Newark and below Beacon Heights which incorporates the proposed development of approximately 1,600 new homes and the possible revision of the Town Council boundary in view of the urban extension; and
- (c) the boundaries of Newark Town Council in view of the urban extensions and the adjoining parishes (namely Hawton, Fernwood, Balderton, Farndon and Coddington); and
- (d) the boundary between Newark Town Council and Coddington Parish Council.

The first stage consultation, inviting initial submissions, will open on 30th April 2014 and will end on 20th June 2014.

Any representations need to be submitted to the District Council at the address below or via email at voting@nsdc.info by Friday 20th June 2014.

Church Roof Appeal

Where we are at as of February 2014:

Good News to share – English Heritage have approved our Stage 1 submission which means that they will release their share of costs – towards 50% of the total outlay. Next bit of good news - the estimate for work to be done has slightly reduced so we only have to raise around £80K Ok, a bit of a challenge but ..

Already, with grant aid submissions and offers, donations and fundraising we are up to about a third of our contribution. Many people within our community are working very hard and coming up with a range of different fund raising activities. Have you heard about the Village Walking Group?

There has been good support for the events, eg. a Village Hall concert raised over £450; over 400 “roof tiles” have been sold - that's £2500 +. People have been very generous ...

WONDERFUL / BRILLIANT

Of course we still need more – more ideas, more brave & creative thoughts for fund raising. PLEASE think kindly !!

Bad news – none really – apart from the roof is still failing and wants our collective love and care ... We still have some way to go ... but are ever optimistic

For more information, offers of help, donations, etc please contact Hugh Daybell (hugh.daybell@gmail.com or 07773330649) or Yvonne Hayman (yhayman64@gmail.com or 079776967720)

THANK YOU

CODDINGTON W I

Christine Carr presided at the AGM in February. The group's annual report was read by secretary Sue Sprigings and the financial report was presented by treasurer Pam McVay. Christine Carr thanked of the committee, the helping hands and the members for their support during the past year. Norma Herron retired from the committee after serving for a number of years. Linda McCarthy joined, and the regular tasks were allocated. A new president, Glen Sheppard was elected by the members.

The group's 80th birthday party in March began with a presentation to the retiring president, Christine Carr. The event was celebrated in style with nearly 60 members and guests enjoying a sit down meal, prepared and served by Marilyn Mambery and helpers. As this was a 'big birthday' special entertainment had been laid on and the members and guests were treated to a selection of songs, poetry and prose by the group 'Well Versed'. The draw for the Denman bursaries was won by Rita Stevenson and Anne King with Diane Peet as reserve.

March also saw the launch of a web site for Coddington WI. After a day course at County House, member Jan Phillips has begun the task of bringing us into the digital age. We are able to store pictures of our events so members can view these at their leisure. A history of the WI in Coddington, written by member Jane Hedge is also available and photos of previous WI birthday parties will also be included shortly. If you are interested in our WI click on <http://coddingtonwi.weebly.com/> to learn more about us.

At our April meeting the members discovered that Dead Men do Talk, when Lily Ann Davies described what can be learnt from archaeological remains. Lily Ann told us how you can tell if human remains are male or female, how those people died, what illnesses they suffered and how new technology can build an image of someone's appearance just from their skull. The rose bowl for the overall competition winner was presented to Marilyn Harrison with joint 2nd Wendy Parrett & Pam McVay and 3rd Nora Reed.

If you would like to come along and sample one of our evenings you are welcome to visit. We meet at 7:30 on the second Tuesday of every month in Coddington Village Hall. Watch for notices around the village to give details of our meetings. You can join us for 3 meetings before you have to decide if you would like to become a member.

COMMUNITY FIRST RESPONDERS SCHEME VOLUNTEERS NEEDED

The Parish Council is preparing the ground work for a possible Community First Responders Scheme in Coddington. The project will require funding for equipment and this aspect is being explored at present. The scheme will only be viable, however, if there are sufficient trained responders to man it. The Council is therefore seeking volunteers to form a Community First Responders group. First Responders are volunteer members of the community who are trained to respond to emergency calls through the 999 system in conjunction with the Ambulance Service. Responders provide immediate care to patients in their local areas where distance may delay the prompt arrival of an ambulance. They are trained to deliver Basic Life Support and defibrillation to patients in Cardiac Arrest, and appropriate assistance, including oxygen administration, to patients suffering from a range of conditions.

Volunteers will be fully trained by the East Midlands Ambulance Service and the group will be equipped with a defibrillator, oxygen masks and other equipment. We are seeking those aged 18 and over, who are in reasonably good health, want to learn life-saving skills and have a full, clean driving licence. Anyone able to give up some free time can volunteer.

A good, very helpful, article "What are First Responders?" can be found at:
www.communityfirstresponders.org.uk

Those interested are asked to contact the Chairman on 671848 or

DOG FOULING

While walking around the village, it is noticeable that there are still some irresponsible dog walkers who do not clean up after their dogs have fouled the pavements or grass verges

If caught this can lead to a hefty fine (Up to £1000 if taken to court or a £50 on the spot ticket) More dog owners are now letting their dogs loose on the green at Thorpe Oaks, **If your dog fouls the ground whilst off the lead it is your responsibility to clear it up. Not seeing your dog fouling is not an excuse I have been informed that there have been instances of dog fouling in the Church Yard and around Well Green, There has been a noticeable increase of dog fouling during the hours of darkness on Newark Rd. It has also been reported of dog fouling outside of the shop** The Parish Council would like to

make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the Police. Dog mess if bagged can be put into the litter bins as well as the red dog waste bins

Moving 2 Music has MOVED

Well, yes, we always move around but this is a move to a different day of the week. We have changed the day that we meet due to a clash with a class that is run in Newark, together with a new option becoming available at the Community Centre. At the same time as doing this we decided to still make use of the Village Hall once a month but to make this the first Monday of the month - this is easier to remember. It will also start slightly later at 10.00.a.m. Our numbers have slowly increased, and our sessions continue to have variety and good music to move to. The exercise is at a level that can be done by most people as individuals can do it as suits them. It continues to be facilitated by the trainer we found - Dave Godney.

Moving 2 Music is still being run by "Coddington Community Exercise Group" and we would welcome anyone who would like to join this small group, particularly if they have ideas relating to how we could enhance what we are doing.

For more information contact Niki on 07803 710640 or Maggie on 07884 492847

There will continue to be an exercise class on a Thursday at 9.30, as previously, with sessions now called "TAG (the activity group) Team". This will be run by Dave himself, and will progress to a slightly higher level of exercise for those that would like this.

CODDINGTON COMMUNITY SPIRIT.

Recent Activities

During the last few months we have held several Bingo sessions at Well Green to raise funds for the group. These have been well attended by the residents of Well Green and we are extremely grateful for their support. We now have a healthy bank balance of over £400.

Several members of the group also helped out at the Village Quiz night which was a fund raising event for the Village Hall. The light supper was finished off

with a selection of homemade cakes made by the group. The photo shows some members displaying their handiwork.

Saturday 5th July - Family Picnic and Fun Day

We are arranging another village get together, so come along and enjoy a picnic and fun day on Thorpe Oaks playing field. The event will run from 11:00 am until 3:00 pm.

Events to include:

Pony Rides Ice Cream Van Cake Stall Sweets in a Jar
Free Bouncy Castle Tombola Skittles Name the Teddy
Tug of War Wellie Wanging

Tea, coffee, squash, strawberries and cream will also be available
So bring your picnic and join in the fun.

New Members Wanted

Coddington Community Spirit is an independent group of people formed after the successful Jubilee Events in the village. The aim of the group is to cultivate a community spirit within the village. If you are interested, or have some ideas for future village events please contact Beryl Rimmer on 01636 640352.

CODDINGTON PARISH COUNCIL

Allotment Committee

During the year allotments may become available. We are very keen that the allotments are fully used so any vacancy will be advertised. Applications should then be made in writing to the Parish Clerk. If there are more applicants than allotments then names will go on a waiting list. Preference will be given to local residents without reference to the date of application. The following criteria will be used when allocating allotments.

First, for residents within the village who have no other holdings,

Second, for residents within the village who have holdings.

Third, for non-residents.

The clerk will then notify successful applicants. They will then be inducted to their allotment.

Allotments are an excellent amenity and should be valued greatly. We expect the allotments to be worked and kept in good order.

Committee members can be contacted through the Parish clerk or from details in the Coddington Village News

CODDINGTON LORRY WATCH

How It Works?

- * Local observers note details of vehicles that may be misusing the route
- * Details are then handed to the parish co-ordinator for administration or can be sent direct through to Trading Standards online using Nottinghamshire County Council website which has a dedicated Lorry Watch section. <http://www.nottinghamshire.gov.uk/home/business-economy/tradingstandards/lorrywatch.htm>

- * Trading Standards enforce the weight restriction on behalf of Highways.

- * Trading Standards will then use the information as intelligence and coordinate our future Enforcement action accordingly.

Exemptions

Some vehicles are permitted to use weight-restricted routes and these may include:

- * Vehicles loading or unloading within the restricted area

- * Emergency vehicles

- * Vehicles in the service of the local authority in pursuance of its statutory powers or duties in connection with premises along the restricted route

- * Building and industrial demolition operations

- Public utility services along the route

CODDINGTON TRUST FUND

The earliest recorded fund for the village of Coddington goes back to 1532 when Robert Brown left 15 acres 33 poles of land to Newark Corporation for the poor of Coddington

In 1738 Joseph Birch left 90 acres of agricultural land for a Trust fund to be started and the Trustees to distribute £90 to the poor of Coddington

In 1760 The Enclosure Act allocated 86 acres 33 poles to John Ashwell and John Cooper in trust for the poor of Coddington

In 1832 The Birch Charity land and farm were raising £140 per year

In 1928 The rent on the farm and land raised £138, £55 of which was put aside for the building of the Almshouses These were built in 1941

The present trust fund was originally registered in 1995 as the Coddington United charity and has subsequently been changed to the Coddington Trust Fund

The fund is there to help the residents of Coddington of any age in times of need and can also make financial contributions to local organizations for special or one off projects

The trustees would like to see more use made of the fund

The Trust is now in place to help the residents of Coddington in times of need and is open to help all age groups

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements.

Parents can apply for help with the cost of school uniforms or outings.

Students can apply for a grant towards the cost of textbooks and/or field trips.

All applications will be considered in the strictest confidence

Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, NG24 1AB or to any Trustee.

A list of Trustees is printed in every issue of the Coddington Newsletter

In 2013 the fund gave £3650 to relief in need

It received £16398.50 in rents from land and the almshouses

The present Balance stands at £185690.26

1ST CODDINGTON SCOUT GROUP

Group Update

Unfortunately the trip to Belgium has been canceled as we did not get the numbers we needed.

Although our numbers in Beavers are still high we have seen a drop in both Cubs and Scouts. This drop in Cubs will help us while we look for a new leader.

Our Beavers have been training at Stapleford football pitch and bowling in Newark. They have a trip to Farndon Nature reserve planned and another canoeing session planned before the summer break.

The Cubs have done the Cycling Badge with the help of Bikeability which is part of the County Council Road Safety team. There is also a hike around Coddington Village planned before the summer.

Scouts have taken part in the county competition at Walesby against Scouts and Guides from across Nottinghamshire. There has been a fund raising activity, thanks to all who brought their cars for a wash. We have also been focusing on different outdoor cooking methods, roasting a beef joint in a pit oven, cooking a pizza in a cardboard box and baking bread on an open fire. After half term the Scouts will be taking part in a 6 week canoe course which will give them a British Canoe Union award.

We have now restarted our Explorer Unit with 2 members, looking forward to expanding it as time goes by.

The group have been on a camp, 53 young people, at Walesby. Scouts have a camp being planned to Alton Towers in September.

Adult Assistance

As with any voluntary organisation finding people to help run the events can be very difficult. My Cub leader will be leaving in July having given 5 years to the Group. Mark will be taking a different role within the group.

I am looking for someone who would like to run an active and interesting program for young people aged between 8 and 10 years old. Having no knowledge about Scouting is not a barrier as we have a wealth of information at our fingertips to assist with the planning and training.

We could do with more support in all our other sections so if you would like to help out please get in touch with Malcolm on 01636 647119

Fund Raising

Rag Bag

At 1st Coddington Scouts we collect textiles to raise funds, the old clothes etc are redistributed to the needy if possible, otherwise they are sent to be made into

200 Club.

The Group has a 200 club lottery which can be joined for £10 per year. For this you will be assigned a number which is entered into a monthly draw. The prizes are 1st = £15, 2nd = £10, 3rd = £5.

The money raised is put into the group to help with the building maintenance.

If you would like to join our 200 Club please complete the slip below and return it to Amanda at 28 Stirling Drive, Coddington, NG24 2TB.

You can have more than one number.

Name

Address

Please enter me into the 1st Coddington Scout 200 Club.

I enclose £10 for a year subscription.

Thank You to all who are supporting the Scout Group, your help as ever is greatly appreciated.

CODDINGTON HISTORY GROUP – **Coddington 1939 – 45**

The 4th August this year is the centenary of the commencement of WW1, however it is 75 years ago since WW2 started on the 3rd September 1939. With this in mind Coddington History Group feel it is time that we had more information about the village, its occupants, how they lived, employment, farming, how the village changed in these years & who joined the Armed Forces.

Coddington was much smaller at the time no Thorpe Oak Estate, Morgan's Close, Valley View and only a very few houses on Newark Road & Balderton Lane, there were very old houses on The Green. Mains Electricity, water, sewage, gas were available; very few houses had all these services 16 people had telephones

Population: - It is impossible to give an accurate figure for the population in 1939 as the last available census was 1911 when there were 112 properties, 165 men, 165 women & 146 children. Like all small villagers everyone knew each other. The Christmas presents for children were an apple, orange, a new penny a doll for girls and a cowboy & Indian outfit for boys. At the beginning of the war major changes were made, everyone including children was given an identity card which had to be carried at all times. In 1939 - 38 Million gas masks, where distributed to every person in the UK including children (thank heavens they were never needed). Petrol/ food & clothing rationing was introduced in early 1940 until 4th July 1954, ration books were distributed to everyone, the foods rationed were tea, sugar, bacon, ham, butter, cheese, fats, eggs, meat & sweets, but to be realistic country people did not suffer compared with those living in towns as they could produce their own fruit & vegetables, eggs, some would have a pig and most could obtain rabbits etc.

War Effort: As materials were in very short supply nothing was wasted or thrown away, everything was recycled, paper, glass bottles, scrap metal (even metal railings at the front of expensive houses were removed), hessian sacks, flour bags were washed and used for clothing & ladies longed to obtain silk from parachutes. The cubs collected paper & old books.

The **WI** President Mrs Mary Handbury and her team of ladies (eg. Helena Ashton, Mrs Beet, Lillian Burgess, Annie Dernie, Mary Geeson, Dorothy Hollingworth, Mrs Frank Hough, Minnie Simpson) worked exceptional hard eg: a letter of sympathy was sent to Mrs Albert Thompson after her husband was killed & a floral gift to his mother. The knitting team donated 3lbs wool [this was still on coupons] to knit shawls for persons in occupied countries. 1 1/2 skeins of wool [coupon free] to knit garments to go to Coddington Service men. £5 to each of the mothers whose son's were P.O.Ws. In 1944 the WI

were asked to send knitting needles, crochet hooks etc for P.O.Ws. Fruit juice and cod liver oil distributed to children in the village. 10/- (50p) donated to Kenneth Town who had joined the Forces. In 1943 £10 to Newark department for the Prisoners of War Fund. Mr W.O. Taylor gave a talk on the method of disposing of new explosive incendiary bombs. Mr Arthur Geeson had some of his fields seconded to the military. Every week school children bought Government saving stamps at the school and some parents also purchased them. They were generally told it was to buy "Spitfires". In the "War Weapons Week" over £300,000 was saved in the Newark District, by the end of the war Newark had saved over £4 million. Some children wore "rope shoes".

Coddington Hall and woodland: were requisitioned by the RAF, it was the officer's mess and sleeping accommodation. Nissan huts were built for the other ranks, stores, ammunition dumps, bunkers, air raid shelters and even a tennis court.

Transportation: - There was a bus service to Newark by Lincolnshire Road Co. every day and Wednesday & Saturday by Mr Cave from Brant Broughton. We estimate that only a 14 people had cars (business men & farmers), a few men had motorcycles but bicycles & walking were the main means of getting about with trains for long distance travel. Mr Hugh Tallents a solicitor cycled to his office in Newark.

Employment: - We have no factual information of where the village men were employed. The best guess is agricultural labourer, or cycling to Newark to work at Ransome & Marles Bearing Co.) they employed Charles Campion, Jack Hallam, Charlie Henton, Mr Rawlinson, Tom Robinson. Worthington Simpsons Ltd (pumps), employed Fred Fixter, Jack Kelham during the war both these companies expanded and needed extra staff. Other companies in Newark were: boiler makers Abbott & Co., Farrar's, Agricultural Machinery manufactures Nicholson's, Stevenson's, Sheet metal Blagg & Johnsons (made parts for Bailey & Pontoon bridges), Cafferata brick & plaster works. Newark was a major Malting town for the UK: Branston's, Gilstrap Earp (ABM), R. Peache & Co Ltd, Warwick & Richardsons' brewery, Holes Brewery. When girls left school at 14 they went to work mainly in Newark at eg Mumby's making military uniforms, or Cooper's making parachutes. We were still in an era when the majority of married women did not go out to work their household chores kept them fully occupied, they did casual work on farms (hoeing sugar beet, turnips, mangels & potatoes, hay, cereal & potato harvest) (older children worked on farms). In the 1930's when women married she was not allowed to work for the government, Insurance Companies, Banks etc. How did this change in WW2? We know some girls joined the Land Army eg Marjory Raynor, Edna Wheat at Daybell's, the government requisitioned Coddington Moor House for Land Girls & Timber Jills accommodation. We know women joined the

armed services, became mechanics, engineers, worked in ammunition/tank & aircraft factories, fire service, plumbers, nurses, volunteers with the WVS. Where did Coddington women go to work?? Men who did not join the forces had to enrol as fireman, ARP Wardens (Air Raid Precautions, making sure all houses had their "Black out curtains drawn at night showing no light) or join the Home Guard.

Houses: - Only a few very large houses and properties built in the 1930's were connected to all the services (only 14 had a telephone), the majority of houses would have only electric lights in perhaps 2 rooms (candles and paraffin lamps were still in use) and no "plugs", the kitchen range was still very important providing the cooking, heat and hot water. Only a few houses had a flush toilet with the majority having a "privy" at the bottom of the garden. Most houses would only have one cold tap in the kitchen. Bath night was once a week in a tin bath in front of the fire. There were a few electrical domestic appliances, so for example Monday was wash day, at 6:00am the copper had to be lit (coal), only a few modern houses had a gas or electric boiler, washing took all day using a peggy stick, washing board etc, ironing on a Tuesday using an iron heated on the kitchen range or the modern houses had an electric iron which was plugged into an adaptor which fitted next to the light bulb. Most houses would have a wireless mainly powered by an "accumulator" (rechargeable battery). There were no dustbins the only household waste was tin cans which were thrown on the village dump.

School: - This was the Old School on Main Street which is now the Scout Hall which had approximately 70 children. The headmaster was Mr John Fordham who taught the seniors, Miss Elizabeth Gomer "Middle School" and Miss Thacker who married and was Mrs Edwards then replaced by Miss Rhodes taught the juniors. Higher education children could leave Coddington school at 11 if they passed the entrance exams and funded by their parents or could win scholarship, girls to Lilley & Stone High School and boys to the Magnus Grammar School; at 13 and 14 several boys/girls went to the technical college before starting an apprenticeship. The school minimum leaving age was 14. Several children walked 2 miles to school. Some children from Sheffield, Worthing & Great Yarmouth were evacuated to the village and attended the village school. We know of Diana & Kathleen Cannon, June Ollie & Jessie Philpot. Many only stayed for a few days as they were "homesick" & returned to their parents.

Shops: - The baker was John William Knott & his wife ran the shop which was a general store selling everything from bread, sweets to paraffin for the oil lamps. The Post Office in Post Office Row run by Mrs Sharpe & her daughter Molly, Mrs Parkes had a very small shop attached to The Red Lion Pub, Harold Simpson was the butcher he lived at Hall Farm where he had a

slaughter house. The main meat being sausages, pork, beef, lamb & rabbit no chicken as they were too expensive! Coal was the main source of fuel delivered to your door by Mr Harold Taylor; milk delivered by Mr Fryer who had a fixed wheel bicycle as he had an artificial leg and carried his milk churns on the handlebars. The Holligworth Family at Manor Dairy farm bottled their milk in the dairy & they employed Tommy & Jim Wright & Bob Checkley to deliver milk with a horse and trap or wagon in the village and surrounding areas including Newark. Fred Black at Catch Inn farm delivered milk on a horse & cart in Newark. Mr Lund from Farndon came round the village once a week with his horse & wagon selling, hardware, paraffin, tools etc. Mr Loftus collected papers from Newark & delivered them to Coddington, Beckingham, and his village of Brant Broughton.

Gardens /allotments: families grew their own vegetables & had a few chickens for eggs and perhaps a pig.

Church & Chapel: this was an era when most people went to church or chapel on a Sunday with children attending Sunday school. Outings were arranged to the coast in summer. Rev Sydney Cyril Bully MA at the church and was extremely popular; he started a drama group and the "Cubs". he was followed by Rev. Basil A Whitworth, Mr Downham was Church Warden, William Arthur Richards was the "sides man" before becoming Church Warden for many years. Church Fetes were held by Mrs Tallents at "Coddington House" to raise money for the troops. The person most involved with the Chapel was Harold Taylor.

Sport: - In 1939 there were very active, clubs, tennis (Ashton, Dernie & Walster families, Peter Campion, John Knott, R Hammond, K & M Rawlinson, P Sleight, Fred Theakston, Fred Tomlinson. Cricket team: - H Barber, E Barks, Arthur Beaumont, Bert Coddington, Peter Campion, Frank & Ted Daybell, Fred Fixter, Harold Handbury, Charlie Henton, Pat Hough, Robert Kelham, Reg Leader, Herbert Maltby, Bill Phillips, John Naylor, Owen Taylor, Frank, Eddie & Harold Thompson, Thomas Vasy, Tommy Ward, Jimmy Wright. Football team: Peter Campion, Slug Taylor, Frank & Harold Thompson +?? Table tennis was played in the granary at Vale farm. There was a darts team at the pub.

The "Reading Room" (now the Village Hall, the first room before you go into the main hall) Whist Drives were arranged by Mary Handbury every fortnight. There was also a billiard table; Mr Knott was one of the main players. Amateur dramatics & the RAF held dances there.

Public Houses: The Plough (landlord Arthur Henton) & the Red Lion (Landlord Sam Parkes) it had an indoor bowling alley.

Garage & Cafe in Newark Road: Mr Larkin

Farmers: - The larger farmers in the village were The Hollingworth Family at Manor Dairy Farm, The Daybell's at Hill Farm, Harold Handbury at Vale Farm, Mr Arthur Geeson, Hall Farm (owned by George Allan Ross), Harold Simpson, Manor Farm, Harry Walster, Charity Farm, John Smith, Sunnyside Farm & The Clark family at Beaconfield Farm. The main crops grown were grass, turnips & mangels for animal feed, wheat for milling or feed, barley for malting or feed, oats for animal feed, potatoes & sugar beet. The Daybell & Hollingworth families both purchased their first tractor around 1940 followed by the required implements. George Hough the local agricultural contractor was still using steam engines. The government formed the "War AG" to educate farmers to produce more food, ploughing up grassland, reduce fallow and generally modernise, in fact in Britain from 1939 until 1945 farm production nearly doubled.

Military activity near the village: Due to the location of Balderston, Winthorpe & Swinderby Airfields most days' planes were seen over the village, unfortunately a bomber crashed on Drove Lane & one on Beacon Hill. Incendiary bombs were dropped all over the village. The worst local tragedy was on the 7th March 1941 when a German Heinkel bomber dropped its bombs on Ransome & Marle's factory in Newark killing 41 (non lived in Coddington) & injuring 165. Did any of the injured live in Coddington? Several villagers saw the raid.

Polish Airman: Polish Airmen were billeted in 39 Nissan Huts in Parklands Close in 1939 before Winthorpe Airfield opened in September 1940 as accommodation for the two Polish bomber Squadrons (No 300 & 301).

Italian Prisoners of War: Hugh Daybell tells us that the mains water pipe to Hill Farm was laid by Italian Prisoners of war; some worked at Harold Simpson's farm, did they work on other farms in the village? Where were they billeted?

German Prisoners of War: Were any billeted nearby and if so did they work on farms?

Coddington Men who served in the Armed Forces in WW2:

We have some information on the following men but we would like more + photographs: -

Albert Thompson the only Coddington man that was killed in the war. **Harold Thompson** met his to be wife Edith when he was stationed in Wales. He was the brother of Albert and Edwin. We are told he may have been in a "Special" unit in the UK who was involved in Camouflage (erecting mock buildings away from towns, to fool the German bombers).

James H (Jim) Dernie he fought in the Middle East & was a prisoner of war.

Frank Draycott: all we know is that he in the air force.

Captain Pat Hough DSO fought in Africa & Italy. He returned from Italy with an Italian bride Sylvia.

Donald Walster he was one of the first members of the SAS & joined in Italy, he was taken prisoner at the same time as Col. Stirling during the final push up the desert near Tripoli.

We have names of the following people but no information:-

Herbert Barrett: Royal Navy. Did he go on Arctic convoys?

Dick Hall; he was in the Welch Regiment of the British Army.

Edwin Thompson

Kenneth Town

3 other names, not Coddington men, who were later, associated with Coddington and served at the Drove Lane searchlight unit or in the RAF and married local girls were **Fred Tysoe, Bill Phillips** and **Johnny Barton**

There must have been many more Coddington Men who served in WW2.

This is the first attempt by CHG to consider the effect of WW2 on the village and its residents. Our information is very limited and we would therefore appreciate details such as photographs, documents and reminiscences of the village in 1939 – 1945.

I wish to thank the following for giving me the information in this article:- The Champion Family, Hugh Daybell, Alan Geeson, Jane Hedge, Barbara Horton, Colin Smith.

I apologise in advance for any omissions that may have caused unintentional offence to local readers.

NEIGHBOURHOOD WATCH

The new Newark & Sherwood Neighbourhood Watch Scheme has now been formed, we have a Chairman, vice chairman and Treasurer.

The Old Bassetlaw Scheme is being dissolved and the remaining money is to be divided between the 'County' and Newark & Sherwood Scheme.

The aims of our new scheme is promote and support the existing schemes and to help in the formation of new schemes.

We are still affiliated to the National Neighbour Hood Association and if you have e-mail access you can get all information about crimes in Nottinghamshire through www.nottswatch.co.uk, this is regularly updated. Unfortunately the old Ringmaster scheme has finished so if you have a neighbour that may not have e-mail access then please be a good neighbour and make sure they are informed of any information that could affect them i.e. bogus callers etc.

We still ask you to be vigilant and noting anyone or anything suspicious, car reg. No. etc. and if worried contact our PCSO Harriett-Samson Bailey or PSCO Mike Munro.

Just a reminder, if you are new to the village, all of Coddington residents are part of the Coddington Neighbourhood Watch Scheme.

CODDINGTON TRUST FUND

Money and land has been left in the past to be used for the benefit of Coddington residents in need. Local trustees administer this fund and are always pleased to consider requests, in strictest confidence, for financial help from Coddington residents of any age group.

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements. Parents can apply for help with the cost of school uniforms or outings. Students can apply for a grant towards the cost of textbooks and/or field trips. Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, NG24 1AB or to any Trustee.

CODDINGTON COMMUNITY ASSOCIATION

So far it has been a good year for the Community Centre with income up and costs under control, some customers leaving or planning to leave and new ones starting. I would like to say thank you to the numerous people who help keep the Centre running and financially viable:

- The Trustees
 - o providing cover for our caretaker
 - o help with fund raising events at the Centre
- Angela Hardwick
 - o Looking after the bookings and welcoming new customers
- Anne Powell
 - o Ensuring we get the money in from customers
- Ian Lawson
 - o Providing excellent caretaker support to our customers
- Sandra Cotton
 - o Tending the borders around the Centre
- Fred Reed
 - o For auditing our annual accounts each August
- Maureen Dobson for supporting the Centre, including
 - o Donating food for the Decent Chaps event
 - o Arranging for a storage lock-up to be donated
- Parish Council
 - o Supporting the Centre on maintenance costs and insurance of the building

There have been quite a lot of positive changes at the Centre over the past year:

- Our price structure has been simplified, and prices increased from September 2013, aiming to save up for future maintenance work
- We now expect to make a small profit over the current financial year, ensuring the future of the Centre.
- We added trustee indemnity cover to our insurance
- There was a very generous donation of storage lock-up by A-Plant, improving facilities in demand by customers
- Fund raising events have been successful (raising around £900), and will be run again:
 - o Village Ventures (Him with His Foot in his Mouth)
 - o Decent Chaps Jazz night with wine & ploughmans
 - o Jigsaw afternoons

Suggestions and comments from the public, users of the Centre etc. are very welcome (as are volunteers or anyone considering becoming a Trustee) and these can be emailed to:
