CODDINGTON PARISH COUNCIL - RETIRING CHAIRMAN'S REPORT

As you will see, from the list of Council Members on the back page, there have been changes to the Chairman and Vice Chairman positions. These have happened because I have now served my standard 3 year term as Chairman. Councillor Linda Cox was elected as the new Chairman at the Annual Parish Council Meeting on 14 May 2015. There were other changes which coincided with the national and local elections on 7 May. You may recall my previous remarks on changes to the District Council's ward electoral boundaries which, regrettably, included Coddington (and Barnby) being merged into a new 2 district-councillor ward with Balderton North. This has meant that with effect from 12 May 2015 our former District Councillor, Mrs Maureen Dobson, no longer represents us in that role, although she remains our County Councillor. We are grateful for her outstanding contribution and work as Coddington's District Councillor.

Looking back, many of the village's meetings have been very poorly attended – last month's Annual Parish Meeting especially so. However, on 30 April a large number of villagers attended Cllr Dobson's public meeting in the Village Hall, concerning footpaths at Beaconfield. Thank you. Further information is overleaf on page 4. There, you will also find comment on the need for volunteers to help manage village activities, or to serve on the Parish Council. This is so important not just for the regular activities, but also for long-term continuity and sustainability.

There have been several enquiries about the proposed gravel extraction. The County Council will consider all the evidence again, in September, prior to preparation of a final consultation document for Councils, and the public, to examine and make comment. This document will then be submitted, with all our responses, to the Planning Inspectorate in London.

Coddington has again been entered for the Best Kept Village competition. The judging will be through most of June. The village did very well last year – please support it again with your excellent gardens, in village tidiness generally, and by helping your Council with the continual litter problem.

Finally and very sadly, I must record the passing, on 18 April 2015, of David Hedge who was twice Chairman of this council before his retirement in 2011. David made a dedicated and exceptional contribution to this village over many years, as a parish councillor and in many other aspects of our community, including the Scout Group, Pages Wood and Village History.

Bob O'Donnell (Retiring Chairman)

JOIN THE PARISH COUNCIL

Coddington Parish Council has posts for 10 councillors. Two councillors retired in May and no new candidates came forward at the May elections to fill their places. If you can give some time to the village and want to help influence the present and future well-being of our community there are **2 parish councillor vacancies**. For more information please speak to any councillor or to the Parish Clerk, Mrs Yvette Wellard. Contact details can be found on the back page. Expressions of interest should be sent in writing to the Clerk by 29th June.

VOLUNTEERS NEEDED

Every year, in addition to clubs and societies, the village is treated to an excellent range of entertainments and events by All Saints' Church, the Village Hall, Community Centre and Scout Group. The attendance levels, unfortunately, have varied but all our hard-working groups do need more support, from across Coddington, to sustain the core elements of our community. They cannot continue indefinitely without fresh faces. Some new helpers do come forward but more are required. If you can spare some time to assist please look at group/society reports in this issue, or at the list of contributors on Page 2, and make your choice.

FOOTPATHS AND TRACKS

The Parish Council has been asked to request that users of Footpath 5, which runs northwards from Parklands and through the wood, respect the surrounding properties by adhering to the designated route. There is no entitlement to create shortcuts, or fresh pathways, by crossing adjoining private land. Also, please help keep all our footpaths and tracks free from litter. Thank you for your assistance.

Beaconfield Tracks. The record of the meeting held on 30 April can be read on the Parish Councils web-pages at <http://village.coddington.org.uk>. The Council is gathering evidence of use of these tracks by individuals over the years; the official forms can be downloaded from the report, for completion and return to the Parish Clerk. If you can help, but cannot access the web-page, please contact Mrs Wellard direct (see back page for details).

Transparency Code for Smaller Authorities.

In December 2014, the Department for Communities and Local Government (DCLG) issued the Transparency Code for Smaller Authorities which requires information to be made available for local people, to increase democratic accountability.

The agenda and minutes of meetings are already published on the Parish Council pages of the Coddington web site – www.village.coddington.org.uk – and the additional statutory information listed below will be available by 1 July:

All payments over £100.

End of Year Accounts, Annual Return, Bank Reconciliation, Explanation of Significant Variances.

Annual Governance Statement, Parish Council Assets, Internal Audit Report.

Members of the Parish are welcome to attend Parish Council meetings and are given the opportunity to address the Council at the start of each session.

I would like to thank everyone who voted for me in the recent NSDC Elections.

Special thanks to those who dropped leaflets, canvassed for me and supported me in other ways.

Linda JM Cox.

ALL SAINTS' CHURCH

The Revd David writes...

As I write we are approaching the end of our Church Roof Repair Project. And I'd just like to express my thanks once again to all who have been involved in the project. To all who have given time effort and money to make the project possible. There are too many names to mention and if I tried I know I would miss someone out. But I hope you all know how grateful I and the church are. There is more work needed. The tower, north aisle and churchyard boundary wall on Chapel Lane all need major repairs. The tasks can seem unending.

But it is important to remember that the Church of Jesus Christ is not primarily about buildings - it is about people and it is about people getting together to Worship God and Celebrate being his people together. Festivals and feasting have always been a big part of church life. And as I write we are a week away from our Celebration Party when we will do just that. Jesus spent much of his time hanging out and eating with his friends. There is a story about two sisters Martha and Mary who were friends of Jesus and they invite him to their home to eat - Jesus comes and while Martha is busy cleaning the house and preparing food Mary sits and listens to what Jesus has to say. Martha gets angry with Mary - and she says to Jesus ' Lord, doesn't it bother you that my sister has left me to do all the work by myself? Tell her to come and help me!' But to her surprise Jesus replies 'Martha, Martha, you are worried and upset about so many things, but only one thing is necessary. Mary has chosen what is best, and that can never be taken from her.' Sometimes it is right to put the business to one side and to spend time just being with others in the presence of Jesus.

Village Hall News

The 2014/15 Village Ventures season has now finished and we have put in “bids” for three shows for the next round starting September– we have to list more than we want and then we shall see what we have got in a while – news in the September newsletter.

The Re-opening Celebration in March was a great success – lots of people came, including representatives from WREN who funded the refurbishment. Maureen Dobson kindly unveiled the commemorative plaque. The 1950s style food (all prepared by villagers) looked and tasted wonderful - see pic!

Monthly maintenance mornings have been rescheduled to be usually the second Tuesday of the month and have continued to be well attended and with lots of minor jobs being done. With the main hall floor being re-polished, an inspection of the chair legs showed that the rubber feet needed replacing for the second time in their lives. A chain of

people then had an interesting time fetching chairs, removing the old feet, filing the rough edges and hammering the new feet in then putting the chairs away again! Our new wall lights give a nice light for informal gatherings and have been much admired.

The new sound system has been well received and we now have our sights set on a new stage, tables and chairs – but need grants for these!

HELP WANTED!

Volunteer cleaner(s) to join the Village Hall cleaning team

The hall needs 4 sets of cleaners, each once a month.

We just need one more set – ideally 2 people.

Please can you spare 1-2 hours of your time once a month?

Coddington WI

Coddington WI meets in the Village Hall at 7:30 pm on the second Tuesday of every month. We are an active group which enjoys a variety of speakers and demonstrations. We also have a walking group, which walk on the third Wednesday of each month. The walks are relatively local and are followed by a pub lunch. Our discussion group meets on the fourth Tuesday and after a lively discussion tea and biscuits are served as refreshments.

Our AGM was held in February, when President Glen Sheppard thanked the committee and the helping hands for their support during the past year. She made special mention of Christine Carr and Christine Egger who did not seek re-election. Sue Sprigings presented the annual report and Pam McVay explained the financial statement. Glen was nominated and returned, unopposed as president for 2015/16. Lesley Walker and Norma Herron joined the committee. The evening finished with a selection of savoury dips and wine for refreshments.

Our WI enjoys several social occasions during the year and in March we celebrated our 81st birthday. Glen welcomed guests and members to the party who enjoyed a glass of wine and a hot meal followed by a selection of delicious sweets. After the meal, during which members worked on a table quiz compiled by Pam McVay, Nottinghamshire Federation President, Jane Jefferson cut the birthday cake. Various presentations were made at the meeting. One member from every WI in the country has been invited to a special Buckingham Palace Garden Party, as part of the National WI Centenary Celebrations. A ballot for the opportunity to attend was won by Sue Sprigings. The annual competition winner, Nora Reed was presented with the rose bowl and the runner up; Wendy Parrett was given the dongly. Coddington WI provides a bursary for a course at the WI College at Denman. This year Cindy Thorpe and Mary Carver, with Pauline Cannon as reserve, were the winners.

In April we had a talk on the St Ann's Heritage Gardens in Nottingham. We have a visit to the gardens planned for our August outing, so this talk was to give us an insight into the project. Mo Cooper told the members that the gardens, which had been there for over 600 years, are a very special and unique allotment site. It is the oldest and largest area of Victorian detached town gardens in the world. Members who

had lived in Nottingham close to the gardens were unaware of their existence, so the talk proved most informative and we are looking forward to seeing the gardens for ourselves.

April is also the month when the County Federation hold their Spring Council Meeting. This is held in the Nottingham Conference centre and all Nottinghamshire WIs are invited to attend. This year six of our members enjoyed a day out with lunch at a local restaurant. WI business and awards was conducted and then Ruth Goodman, the historian and television presenter spoke to us about her life and work.

Our WI also has regular trips to East Bridgford and the Robin Hood theatres. During April twelve of us went to see Sense and Sensibility at the Robin Hood Theatre and further visits are planned.

Our meeting on June 9th is a demonstration by Fulbeck bread when we will be shown how to make a variety of fancy breads. Why not come along to this meeting to sample the WI; you don't have to join immediately!!

Since taking over the Unit in March, the girls have been very busy. We attended the Newark District Guiding Comic Relief Danceathon, raising over £100 for Comic Relief as well as taking part in St George's Day parade.

Our Rainbows are now working on the Princess Challenge badge. The first challenge was based on Rapunzel where we built towers with boxes and played big and small Jenga. The series of challenges will culminate in a special Pamper Night, back by popular demand! Future activities this term include a trip to Pets At Home and taking part in a Newark Division Twin Lakes trip.

We are delighted with the support that we are receiving for the group and a huge thank you to our Guide Helpers, Young Leaders and Unit Helpers. With the support that we've had, we've felt confident enough to increase the size of the unit to 23 Rainbows this term.

Personally, I have really enjoyed running the unit for the last couple of months - the girls are fantastic and we are already seeing progress and achievements being made.

Brownies *Girlguiding for age seven to ten.*

The girls started this term by receiving their 'Minecraft' (computer game) challenge badge, which we completed last term. The badge proved lots of fun and highlights included building large bases out of large cardboard boxes, creating treasure hunts in groups and an interactive talk with opportunities to play the game by Joseph Woodward.

On Sunday, 26th April we proudly took part in the annual Girlguiding and Scouting St George's Day parade around the town. The 15 girls who came really enjoyed the new longer route and taking part in the service, led by Rev. David Anderton. This month we are joining with the Rainbows and 2nd Coddington Brownies to create some decorations for the Pentecost service at All Saints', Coddington on 17th May. On our last night of the half term we will be creating some fun fashion using the wonderful scrap store at Millgate Community Centre.

In June we are taking 26 of our Brownies away for a two night residential at 'Rand Farm', Wragby. The girls are looking forward to farm jobs, meeting and feeding animals, a day trip to 'Woodlands Wildlife Park' by tractor and sleeping in a dormitory with friends.

If you would like to put your daughter on the Brownie waiting list this now has to be done online. Please visit the Girlguiding website www.girlguiding.org.uk and click on the Join Us section for parents, you will then be able to see pack meeting days and times in your area and select the waiting list/s you wish your daughter to join. There are two Coddington packs but as Brownies is extremely popular here at the moment it may be worth adding a third choice. There are occasional problems with the website, if you have not received a reply after 2 weeks please email lbunkle@yahoo.co.uk .

Many thanks to all who support us,

Unit Leader Laura Bunkle

From the 2nd Coddington Brownies

With 24 Brownies in tow Joyce Woods is on the look out for ladies to volunteer to join the fun and help run 2nd Coddington Brownie unit. The Brownies who are aged from 7 to 11 have in the pass year done a number of different activities, including a sleepover at the deep aquarium in Hull with over 200 over Brownies from the local area, joined other Brownies in the County at the Brownie Centenary celebrations held at Wheelgate, making bags as Mothering day gifts, playing human size table football and welcoming a professional tennis coach into the unit to help them complete their sports badge.

Girlguiding relies on the support from our adult volunteers that share their time, skills and energy to help make a positive difference to the lives of girls and young women locally and nationally. We offer training to develop the skills you already have and to learn new ones, leadership qualifications are great to have on a CV.

Joyce says " I have meet many great friends through guiding and never a meeting goes by with out a laugh. The best thing though is seeing the girls enjoy and engage in the activities we do and go on to become great women".

So if you have got a couple of hours to spare, are willing to give anything a go, to have a laugh, make new friends, discover skills you never though you had please contact us to discover more about helping to run 2nd Coddington Brownies. Even if you can only make a commitment of a few hours a month, we can develop a great team to support the unit

If you would like to know more please go to girlguiding.org.uk/get_involved and volunteer on the Join Us section or ring Joyce Woods on 01636 681106 or 07951435440

Since our last update, the 1st Coddington Guides have been growing at a fast rate as not only have we taken on new guides moving up from Brownies but we have also welcomed a number who have transferred from other guide units.

Our guides now enjoy more responsibility within our patrol leader meetings where we and they work on a suggested programme of forthcoming activities. This has worked really well with each guide having input at these meetings.

Last term, as well as working towards various badges, we teamed up with 2nd Balderton Guides and had a fantastic outing to Harry Potter Studios - Leavesdon. We enjoyed a magical behind the scenes tour and saw how much of the magic in the films was created plus we enjoyed sampling some of the famous 'Butter Beer'....quite an acquired taste.

The term ended with a divisional get together to work on the 'African Badge Challenge'. We met up with a number of units from across Newark Division and had a go at quite a few different tasks that each unit designed including making paper jewellery to sampling traditional African foods. The evening ended with African singing. A great evening was had by all. To end the summer term we have already started planning our annual camping weekend.

As well as thanking all the parents that help out can we please say a big thank you to Coddington Parish Council who have kindly donated £100.00 to help towards the cost of replacing some of our tents.

Coddington Lorry Watch

How It Works?

- Local observers note details of vehicles that may be misusing the route
- Details can then handed to the Co-ordinator, Andrew Stokes, the parish clerk to report or can be sent direct through to Trading Standards online using Nottinghamshire County Council website which has a dedicated Lorry Watch section.

<http://www.nottinghamshire.gov.uk/home/business/economy/tradingstandards/lorrywatch.htm>

- Trading Standards enforce the weight restriction on behalf of Highways.
- Trading Standards will then use the information as intelligence and coordinate our future enforcement action accordingly.

Exemptions

Some vehicles are permitted to use weight-restricted routes and these may include:

- Vehicles loading or unloading within the restricted area
- Emergency vehicles
- Vehicles in the service of the local authority in pursuance of its statutory powers or duties in connection with premises along the restricted route
- Building and industrial demolition operations
- Public utility services along the route

Coddington Village Website

The Parish Council, Village Hall and Community Centre all make active use of the village website at:

<http://village.coddington.org.uk>

particularly the “What’s On” section (where you can easily check for events and room availability at both the Community Centre and the Village Hall). The Parish Council pages of the site includes:

- Agendas and minutes of meetings
- Copies of Coddington Village News
- Details of public consultations, for example on speed limits and minerals plans
- An interactive map of public rights of way in the village and surrounding area

If you would like your group to be represented on the village website, where hosting costs are paid for by the Parish Council, please email:

village@coddington.org.uk

so we can discuss what you want and organise some brief (free of charge) training for you (around an hour).

Dog Fouling

Dog mess is an eyesore and a health hazard. If you are a dog owner, you have a legal duty to clean up every time your dog messes in a public place, including public footpaths and any open land to which the public has access. Always carry a bag when dog walking, and place the used bag in a waste bin. **DO NOT LEAVE THE BAG LITTERING A FOOTPATH** as some people have been doing.

Not only is dog mess unsightly and unpleasant, it can lead to toxocariasis in humans, which can cause serious illness and even blindness, particularly affecting young children. Dog mess on grass paths and open spaces is even worse than on the pavement as it often can't be seen until stepped in, or is spread around over a wider area by a mower, and the parasite eggs in the faeces which cause toxocariasis can survive for many months in the soil.

The Parish Council would like to make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the police. Offenders can receive an on the spot fine of £75 or up to £1,000 if taken to court. **WE APPEAL TO ALL DOG OWNERS TO KEEP CODDINGTON PATHS AND OPEN SPACES CLEAN AND HEALTHY FOR EVERYONE.**

Coddington History Group

Our speaker season will have ended by the time you read this newsletter. In February Andy Gaunt of Mercian Archaeology told us about surviving life in Medieval England, in March a packed village hall enjoyed Michael Constantine telling us the story of Newark's new National Civil War Centre and in April we learnt how the Ordnance Survey came about, the accurate maps were measured from an initial accurate 5 mile straight line set up using standard glass rods encased in wooden boxes – these original “trig points” were marked with redundant cannons set in the ground and are still there today! Having run out of cannons, we were shown how the modern ones were constructed very sturdily of concrete. No more talks until 17th September – details in the September newsletter.

Regarding our graveyard recording project, we have now received the plans etc from Notts CC Community Archaeologists so at last we are now able to finalise how we are to make the information available. This will be on display at the open day.

Coddington History Group

Rev. John Maximilian Dolphin (1837-1899)

JMD was the vicar of Coddington from 1863-1890 and thus witnessed the upheaval that must have occurred during the refurbishment of the church that happened 150 years ago. He also left his mark in the form of his initials that you can see when leaving the church - carved in a stone high in the gable of the porch. He and his wife Rose had a large family, 11 of whom he baptised himself here at Coddington. Not all survived, Charlotte Elizabeth lived for just 3 days after baptism in 1882, and sadly Maximilian did the same in 1883.

Recently Coddington History Group was contacted by his great grand daughter, Clare Jakeman who kindly gave us photos of John and Rose, a simplified Dolphin family tree and a copy of her essay entitled "FOUR DOLPHIN CLERGYMEN 1774 – 1957". Below is an extract from it (just slightly edited in places for clarity or brevity) that relates to 'our' Dolphin clergyman. The full essay is available on request and will be on our website.

JMD's grandfather Rev. John (1774-1830) came from a respected Gloucestershire family who owned a large estate Eyford near Upper Slaughter (purchased ten years before John was born). Sadly his kinsman Vernon, the last Dolphin owner, spent the family wealth in its entirety

JMD's father, also John (1804-1889) had the usual education befitting a clergyman and a gentleman, Eton and Trinity College Cambridge. In the year 1827 he played as an old Etonian captain for Cambridge in the first Oxford and Cambridge match wearing a top hat. He was a member of the Norfolk County XI from 1828 to 1842. He was ordained in 1828 and shortly afterwards became Rector of Antingham where he remained as Rector for sixty one years till he died aged eight five. In 1833 he married Mary Western, an Essex girl, and they had four children. His obituary mentions that he was a J.P. and Poor Law guardian and when he became Rural Dean he had thirty churches under his care. The church at Antingham was restored under his auspices by public subscription and to celebrate the fiftieth year of his incumbency he paid for the rebuilding of the porch.

JMD himself (1837-1899) was John's eldest son. Educated at Marlborough and Oriel College Oxford, he was also a talented cricketer. He was in the school eleven and Dolphin's hit for 10 (all run out) was mentioned in the Daily Telegraph years later but he couldn't recollect anything of it himself! He captained Oxford in 1860 and was the first person to bind his bat. He was

curate at North Charlton in Lincolnshire from 1860-63. He was Vicar of Coddington near Newark for twenty seven years and his obituary in the Pioneer (the account of his death and funeral extended to three and a half columns) states:-

"During his long residence at Coddington he won universal esteem for his geniality, his kindness of heart and activity in the promotion of good works. Whilst he was Vicar the Church was restored, and the new Vicarage house built."

He continued to play cricket there being captain of the Newark eleven and "a tower of strength" both to the town and village teams. It was while he was at Coddington that he married Rose Byron, a Lincolnshire girl, in 1866 and they had eleven children; six boys all six foot tall and five girls - so they needed the new large vicarage but it is a pity it is quite so ugly - the postcard in my possession shows a stark irregular brick building bare of all interest save the decoration on the enormous chimneys. Arthur was the fourth son. None of his brothers became clergymen but two of his sisters married their father's curates. John Maximilian was vicar of the Church of St Lawrence at Long Eaton for nine years, exchanging a small village for a rapidly growing township. Seeing the green fields being replaced by houses and factories he conceived the idea of a mission church St John's (which was erected as a memorial to him). He became a canon in 1891. He was also organising secretary of the Society for the Propagation of the Gospel. He was a High Churchman and a tractarian and he wore a biretta but only outdoors when the weather was inclement. A "tall man of fine physique, robust health and commanding presence" with great energy and ability he was rarely ill but never recovered from a fall from a trap some months before he died, from a bronchial cold, which developed rapidly into pneumonia, at the relatively young age of sixty one.

John Maximilian had the advantage of being the eldest son and having an exceptionally charismatic appearance and personality. His talent as a cricketer endeared him to the whole community and enabled him to make friends of all classes.

His obituary in The Church Times recorded:-

"Since his ordination he has been widely known for his activity in all matters connected with the Church... In 1890 and from the highest motives he undertook the charge of the huge parish of Long Eaton, where for nine years he has been untiring in his efforts for the spiritual welfare of the parish... and where he has won the esteem of all and the love of very

many... His utterances were always marked by deep learning and full knowledge of the subject".

He died on a Friday and at evensong at Long Eaton on the Sunday the preacher declared to a "vast congregation";

"Those earnest tones, that vigorous intellect, that kindly cheering voice which so long has guided, rebuked, consoled and encouraged you will be heard in God's earthly house no more."

The Interment took place at Coddington churchyard, where the flag floated at half mast, on the Monday amidst falling snow and there was a bitterly cold February wind. A "sextet of watchers" had taken turns to guard the coffin from the close of evensong through the entirety of the night. On Friday a dumb peal had been rung on the bells.

Many mourners from Long Eaton were unable to attend due to the inclemency of the weather. However at the same time as the funeral service at Coddington, according to the Pioneer, the church at Long Eaton: "was densely crowded for the memorial service... the large number of Nonconformist as well as Church people being particularly noticeable. The Union Jack floated half mast from the Conservative Club and from the Parish Church from the time of the Canon's death until after the funeral."

Numerous resolutions of sympathy were listed in the Pioneer including one from members of Mrs Dolphin's Young Men's Bible Class. The people of Long Eaton were not going to allow the Coddington parishioners to outdo them in their mourning but they also appreciated the integrity of the man who only three years before had turned down the valuable living of Rivenhall in Essex to stay with them.

Clare Jakeman

Footnote – after discovering 3 generations of clergymen named John Dolphin, you will be pleased to know they also named a son John and a daughter Rose; also that another son (Clare's grandfather) Arthur joined the clergy.

This service will be additional to the mobile library service.

1st Coddington Scout Group

You may not be aware that we recently lost a valued member of the Scout Group to ill health.

David Hedge was Group Scout Leader at 1st Coddington from 1992 until 2005 and was instrumental in a great many changes and improvements to the group. He played a fundamental part in raising the funds to purchase the Old Village School Hall for the Group's Head Quarters within the village.

Both David and Jane kept sections running when the group was short of leaders and after he stepped down as Group Scout Leader David stayed in the background advising and taking part in fund raising activities.

We look forward to Jane's continued involvement with the group and mourn the passing of a valued member of the Scout Group.

Group Update

BEAVERS* Our Beaver colony has had an action packed year so far. Monthly highlights include:

In March, the Beavers went on a night hike around the village, which involved visiting 8 stopping points. To get to the next location they had to decode cryptic words to know where to find the next one.

In April we had a badge presentation and party, bidding a fond farewell to 6 of the Beavers who have now reached 8 years old and now moved into Cub Scouts. In their place are 6 new Beavers who have seemed to settle in quickly.

Highlights for the term ahead include going to the Nottinghamshire County Beavers Away Day in South well, The Great Beaver Bake Off, a visit to Newark Fire Station, a trip to a Lake in Lincoln to participate in water activities and an adventure to Hill Holt Wood

cubs* Our Cub pack is growing again. We had 7 new members after Easter taking our numbers to 20.

Since March we have had a talk from a parent about his career as a pilot in the RAF and as a commercial pilot for British Airways.

We had a badge night where 3 of our Cubs received the Chief Scout Silver Award.

The Cubs have completed the Astronomy Badge where they made a model for the solar system from paper mache, the painting was fun!

Recently the Cubs went on a hike around Coddington and collected items for the Naturist Badge with some Cubs doing bark rubbings.

Activities on the program include: Outdoor survival - Fires and how to make and light a fire; Lincoln Water sports and visits to the Police and Fire Station.

SCOUTS* We celebrated St David's day by playing some Wales inspired games and made Welsh cakes on an open fire, we've been preparing for a competition in Jan (N.E.S.S.T Hike). All of the current Scouts have all had training in using knives, axes and saws.

Activities for the future include 3 camps the first at the end of May, the second in July which is an international camp with an estimated 6000 Scouts from around the world and the third is in Alton Towers where we will be camping on the green in the park and enjoying the all the rides and water park.

Starting this week for the next 4 you may well see some of the Scouts out and about with their cameras taking pictures for an exhibition to go towards their photography badge.

EXPLORERS* Our Explorers are developing their leadership skills with some helping at some of our section meetings. To continue with their development we do need some leadership assistance so if you would like to help develop their program please contact me on the phone number at the end of this article.

My thanks to all my leaders for doing a great job with great programmes for the young people to have a go at. A good turn out for the St Georges Day parade on the 26th April joining members of the Scout and Guide movement from around the district.

Fund Raising

We are obtaining quotes for the refurbishment of the electrics and from first impressions it is going to be a costly job to bring them in line with the required standards.

If you have the skills and would like to give us a quote please give me a call.

Our next Quiz Night will be on the 11th July, if you are interested in a fun evening with supper and licensed bar then get in touch with us. The tables are selling fast so do not delay.

We are still collecting textiles, 1kg raises 40p for the group. We do well from this activity achieving around £300 per year. Any textiles donated which can be used are distributed to those in need both here in the UK and abroad. Any textiles which cannot be reused are turned into Industrial rags. If you have any items that you have finished with please get in touch and we can arrange for collection

Our last regular fund raising activity is the group lottery. This can be joined for an annual fee of £10. For this you will be assigned a number which will be entered into the monthly draw. Each month we draw 3 numbers with the 1st place receiving £15, 2nd place receiving £10 and 3rd place £5.

Lastly - our AGM will be on the 8th July. The time has yet to be confirmed and will be posted on the door to the Scout Hall.

Anti Social Behaviour (ASB)

The term anti-social behaviour covers a wide range of unacceptable activity that blights the lives of many people on a daily basis. It often leaves victims feeling helpless, desperate and with a seriously reduced quality of life. Terms such as 'nuisance', 'disorder' and 'harassment' are also often used to describe this type of behaviour.

ASB is defined as "Behaviour by a person or persons which causes or is likely to cause harassment, alarm or distress to one or more persons not of the same household as the person".

(Antisocial Behaviour Act 2003 & Police Reform and Social Responsibility Act 2011).

Why is tackling ASB important?

- ASB is a key driver for public confidence in the police.
- Failure to tackle ASB could lead to increased crime, especially criminal damage.

Categories of ASB

Personal - ASB is perceived to be targeted at an individual or group rather than the community at large

Nuisance - ASB is causing trouble, annoyance or suffering to the community at large rather than an individual or group.

Environmental - The incident is not aimed at an individual or group but targets the wider environment, e.g. public spaces/buildings.

How to report ASB

Anti-social behaviour can be reported in a number of ways and not just to the Police. Your Local Authority will have a dedicated department that deals with community safety issues including ASB.

Reporting ASB to the Police can be done in a number of ways, either via 101 or by contacting your local Neighbourhood Policing Teams. You can also report incidents at your nearest Police Station. Where there is a potential danger to life or property you should dial 999.

All reports of ongoing ASB situations made to the Police will be forwarded to your relevant Neighbourhood Policing Team for follow-up contact.

Listed below is just a brief description of some of the categories relating to ASB. It will also give you an indication as to who is the best organisation to contact to report any such instance.

Vehicle Abandoned (not stolen): this will include vehicles damaged after a road traffic collision that are abandoned at the scene and not awaiting recovery, scrap or 'end of life' vehicles.

In the first instance you should contact your local authority regarding an abandoned vehicle however, if your local authority are unwilling to deal with the vehicle you should contact the **Police** using **101**.

Vehicle Nuisance/inappropriate use: this relates to vehicles being used in acts such as street cruising (driving up and down the street causing annoyance and bothering other road users), vehicle convoys and associated behaviour, riding/driving on land other than a road as well as the misuse of go-peds, motorised skateboards and electric propelled cycles etc.

It also includes the unlicensed dealing of vehicles where a person has 2 or more vehicles on the same road within 500 metres of each other.

You should contact Police regarding the inappropriate use of vehicles and your local authority where you believe unlicensed dealing is the issue at hand.

Rowdy or Inconsiderate Behaviour: this category refers to general nuisance behaviour in a public place or a place to which the public have access (e.g. private clubs). It does not include domestic related behaviour or public disorder which would be reported/recorded as crimes.

You should contact the Police via 101 to report any general nuisance behaviour.

Rowdy/Nuisance Neighbours: this refers to rowdy behaviour and general nuisance caused by neighbours and includes neighbour disputes over boundaries, parking etc, as well as noise nuisance from parties or playing loud music etc. It does not refer to raves or businesses which are covered elsewhere.

Where the issue is solely noise related and is a one-off incident you should contact your Local Authority's Noise Team. If you are experiencing any sort of rowdy/nuisance behaviour from your neighbours on an ongoing basis please contact Police via 101 and the information will be passed to your Local Policing Team to make follow-up contact with you

Littering/Fly Tipping: this includes depositing of litter or rubbish, fly posting, dumping or anything discarded in any public place.

You should contact your local authority who can arrange for the rubbish/drugs paraphernalia to be removed.

Animal Problems: this refers to any incident whereby animals are creating a nuisance or people's behaviour associated with the use of animals is deemed as anti-social. This would include uncontrolled animals, stray dogs, barking, fouling, and intimidation by an animal etc.

In the first instance you should contact your local authority however for animals dangerously out of control you should contact Police.

Trespass: this covers those situations where people have entered land (including water) or premises without lawful authority or permission. This would include taking unauthorised short cuts through a garden or building through to those setting up unauthorised campsites. It also includes people trespassing on railways etc.

You should contact Police regarding any incident of trespass.

Nuisance Calls: this category covers all types of communication by phone that is not indecent, threatening or offensive but rather causes anxiety and annoyance. It also includes silent calls and intrusive cold calling e.g. late night calls from double glazing or insurance companies etc.

You should contact your phone provider in the first instance and if the problem persists then contact Police. Where calls become offensive or abusive then contact Police.

Street Drinking: this covers incidents of unlicensed drinking in public spaces where the behaviour of the persons involved is deemed as anti-social. This can also include unplanned and spontaneous street parties which, literally, encroach onto the street.

You should contact Police regarding any street drinking where the behaviour is deemed as anti-social.

Noise: this relates to all incidents of noise nuisance that do not involve neighbours.

You should contact your local authority noise nuisance team in the first instance otherwise contact the **Police** via **101**.

Begging/Vagrancy: this includes all persons begging or asking for charitable donations in any public place or encouraging a child to do so. It also includes people sleeping rough in the open air, shop doorways, communal areas etc. Unlicensed ticket sellers at or near public transport hubs may also fall into this category. It does not involve licensed charitable collections.

You should contact Police to report any issues of begging or vagrancy.

Fireworks: this will include the inappropriate use of fireworks, the unlawful sale or possession of fireworks and noise created by fireworks.

You should contact Police regarding this issue.

In all cases where you feel threatened or intimidated and fear for your or another persons safety contact Police immediately using 999.

If you do need any further advice please contact your Local Safer Neighbourhood Team at Newark Police Station.

Newark Air Museum

Victory Days preparations underway

Museum staff and volunteers are currently making plans for Victory Days 2015; a two day event in July (Saturday 25th & Sunday 26th 2015) that will commemorate the 70th Anniversary of VE and VJ Day at the Newark Air Museum.

Our organisers are keen to hear from any veterans of any of the military or civilian forces during World War II, as the museum is keen to invite these veterans along to the event as its special guest. Details of a former service number or membership of an appropriate armed forces veteran's organisation can secure them free entry to the event at the museum's site in eastern Nottinghamshire, close to the border with Lincolnshire.

For the younger visitors the museum is planning to operate a World War II style sweet shop in the Dambusters Hut, where visiting children will be able to collect their free World War II sweet ration. To collect their ration they will need to bring along some pre-decimal coinage – so parents and grandparents will need to look out for those sixpences, three-penny bits, pennies, half-pennies or even farthings – and make sure that they bring them along. Visitors should not worry too much if they cannot find suitable coinage as the museum will have some available to make sure that everyone gets their ration!

Throughout the two days there will be a host of World War II related activities and entertainment taking place around the site, including alongside its famous Anderson Shelter and Dig for Victory Garden. Visitors will also be able to sample some examples of wartime food delights, such as bread & dripping, spam, corned beef and jam sandwiches.

Everyone at the museum is looking forward to two days of nostalgia and commemorations.

Coddington Community Association

The Association, a registered charity, was formed to manage the day-to-day running of Coddington Community Centre for the benefit of the inhabitants of Coddington and the neighbourhood. All adults in the area are entitled to free membership of the Association, and members will vote to elect the trustees at the Annual General Meeting towards the end of the year.

We welcome new members, and if you would like to become a member please provide your details on the following form and place it in the white letter box outside the front door of the Community Centre.

We also need more trustees who live in Coddington and the neighbourhood to join us – if you are interested in finding out how you could help us run and improve the Community Centre please contact me or one of the other trustees. The Association is profitable (last year making almost £6k profit on a turnover of £24k), employs a Centre Manager and a Clerk, and has trustee indemnity cover in place. The trustees have made several changes of the last few months, including:

- Purchases of new mood lighting to support fund raising events at the Centre
- Appointment of a new Clerk
- Rates of pay increased for Clerk and Centre Manager
- Nominal charges are now made for all storage space at the Centre

Fund raising music and theatre events, including Village Ventures in liaison with Village Hall, have now raised a total of over £1,100 for the Community Centre over the last 2 years – more events are planned, so watch this space and please support them.

If you are interested in making a booking at the Coddington Community Centre, would like to view the facilities, or need further details please contact Angela on 07985 386638 or via e-mail:

centre@coddington.org.uk.

The Community Centre makes active use of the village website at:

<http://village.coddington.org.uk>

particularly the “What’s On” section (where you can easily check for events and room availability at both the Community Centre and the Village Hall).

Following last year's success, Coddington has again entered the

**NOTTINGHAMSHIRE
BEST KEPT VILLAGE
COMPETITION**

Please all help to make Coddington look its best by picking up any litter you see and making sure your own front of house is tidy. There is a special award for any village which retains the title for three years in a row – let's try.

The first round of judging will take place between 8th and 26th June.

Round two will be judged during July.

For the more cautious among us Heartstartnewark will be running free 2 hour courses at different venues throughout the year, the course covers:

- Treatment of the unresponsive casualty
- Primary survey
- Recovery position
- How to deal with heart attack
- CPR
- Choking
- Treat severe bleeding
- How would you treat a nosebleed?

Book onto a course and see if you are right

A certificate of attendance will be given.

If a 3 year old can do it so can you.

Neighbourhood Watch

A few years ago the method for distributing information changed in favour of using modern technology.

All neighbourhood watch schemes were registered on the website 'www.ourwatch.org.uk'. In Nottinghamshire we also have the website 'www.nottswatch.com'. Both of these websites are useful sources of information regarding crime in your local area.

The police website can also be used for crime information 'www.police.uk'. From the Police website it can be seen that in March there were 5 burglaries in Coddington. Let's keep our eyes open and report anything out of the ordinary.

In addition there is an application for smart phone users to interact with the police. Information about the application can be found at the website 'www.witnessconfident.org'. The application is called **Self Evident**.

Our coordinator is:

Wendy Parrett Tel. 672687 - email: chris@cptnewark.fsnet.co.uk

Our Neighbourhood representatives are:

Coddington Trust Fund

Money and land has been left in the past to be used for the benefit of Coddington residents in need. Local trustees administer this fund and are always pleased to consider requests, in strictest confidence, for financial help from Coddington residents of any age group.

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements. Parents can apply for help with the cost of school uniforms or outings. Students can apply for a grant towards the cost of textbooks and/or field trips.

Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, NG24 1AB or to any Trustee.
